 Seven Pillars of Wisdom is a memoir of the soldier known as 'Lawrence of Arabia.' Lawrence is a fascinating and controversial figure and his talent as a vivid and imaginative writer shines through on every page of his masterpiece. 'Seven Pillars of Wisdom' written between 1919 and 1926, is an extraordinary tale of action, politics and adventure. The story describes heroism through instances of war by a man who not only shaped events but was molded by them. The genre of the book can be related to many broad subjects like political history, military strategy, pathology or travel story. Lawrence, known as the defender of the empire, had found war in the Arab world and a long-lasting sideline to the War to End All Wars. This war produced more war during the time, in which,

along with many other eminent writers, Lawrence was also involved. Seven Pillars of Wisdom provides a unique portrait of this extraordinary man and an insight into the birth of the Arab nation.

A matchless warrior is pitted against a near-God in the second epic installment of the Raven's Blade series. It has long been our lot in life, brother, to do what others can't. Vaelin Al Sorna was known across the realm as the greatest of warriors, but he thought battles were behind him. He was wrong. Prophecy and rumor led him across the sea to find a woman he once loved, and drew him into a war waged by the Darkblade, a man who believes himself a god—and one who has gathered a fanatical army that threatens all of the known world. After a costly defeat by the Darkblade, Vaelin's forces are shattered, while the self-proclaimed immortal and his army continue their terrible march. But during the clash, Vaelin regained some of the dark magic that once gave him unrivaled skill in battle. And though the fight he has been drawn into seems near unwinnable, the song that drives him now desires the blood of his enemy above all else...

'A gritty, heart-pounding tale of betrayal and bloody vengeance' John Gwynne on The Pariah Times have changed for Alwyn Scribe. Once an outlaw, he's now a spymaster and sworn protector of Lady Evadine Courlain, whose visions of a demonic apocalypse have earned her the fanatical

devotion of the faithful. Yet Evadine's growing fame has put her at odds with both Crown and Covenant. As trouble brews in the kingdom, both seek to exploit her position for their own ends. Sent to the Duchy of Alundia to put down a rebellion, Alwyn must rely on old instincts to fight for his new cause. "Heard whispers of the Dark all my life. It's a strange feeling when a whisper becomes a shout."

SONGS OF THE DARK collects all four novellas from the world of Anthony Ryan's internationally best-selling Raven's Shadow trilogy. Centuries before the rise of the Unified Realm, the final battle looms between the city state of Kethia and the Volarian Empire. As told by Imperial Chronicler Lord Verniers, this terrible event is shrouded in many secrets and, some say, wrought by servants of the Dark. When word reaches the north of a fresh outbreak of the dreaded Red Hand, Brother Sollis, the finest swordsman in the Sixth Order, leads a small band to a long-abandoned castle in search of a potential cure, but discovers a far greater threat lurking in the mountains. A quest for bloody vengeance forces Derla, a skilled and deadly veteran of the Varinshold underworld, into the service of the arch schemer King Janus. Veteran Realm Guard Jerhid, newly appointed Lord Collector of the King's Excise, finds himself battling ruthless smuggler gangs and worse on the wild southern shore of the Unified Realm. Four compelling tales of mystery, magic, intrigue and battle presented in one volume for the first time, featuring all new introductions by the author.

Now she's back, this time as a ghost, and she's invited a new friend to the party—a vampire king who wants my head on a stake. Together they're bringing a war to Chicago that will topple the carefully constructed world I've protected for centuries. But I'm Kali Sweet. I never run from my past...and I'm not about to hide from my present.
