For IELTS for Academic Purposes and General Training Modules Cambridge English
 "IELTS Listening Practice Tests: IELTS Self-Study Exam Preparation Book for IELTS for Academic Purposes and General Training Modules" contains three complete IELTS practice listening tests. Each practice listening test in this book has four sections, just like the actual IELTS exam, so there are 12 listening passages for you to try. Practice in the same format as the real test: The practice exams have questions of all of the types that you will see on the real IELTS listening test. In other words, the IELTS Listening Practice Tests: IELTS Self-Study Exam Preparation Book has: multiple choice questions form and diagram completion matching questions short answers sentence completion questions Tips to improve your IELTS listening score: The tips at the beginning of the book explain the format of the IELTS listening test and tell you what to expect on your exam day. IELTS Practice Listening Test 1 in the publication is in tutorial mode, so it includes tips and suggestions. Each question on Test 1 gives you strategies to help you answer all of the types of questions on the IELTS listening test. Includes answers and explanations: There is a complete answer key with in-depth explanations for each answer, so you can understand why each answer is the correct one. The explanations give you additional tips to help you improve your test-taking technique. Includes the texts of the recordings: The book also includes the complete scripts for each of the IELTS listening practice tests. You should read and study the scripts after completing each of the practice tests. This will help improve your knowledge of the vocabulary and idioms included on the IELTS exam. See a free sample of this book: For a free sample of this book, please click on the "Look Inside" icon on the top left corner of this page. How to get the CD: For the recordings that accompany this book, you should purchase the audio CD entitled "IELTS Listening Practice Tests Audio CD" by IELTS Success Associates. Cambridge IELTS 12 Academic Student's Book with Answers with Audio Cambridge English
 This volume brings together a set of ten IELTS-related research studies - four on Speaking and six on

Writing - conducted between 1995 and 2001. The ten studies were funded under the auspices of the British Council/IELTS Australia Joint-funded Research Program which promotes research activity among IELTS test stakeholders around the world. Findings from the studies provided valuable evidence on the validity, reliability, impact and practicality of the IELTS test; they were also instrumental in highlighting aspects needing attention, and so directly informed the revised design and implementation of the IELTS Speaking and Writing Modules introduced in 2001 and 2005. The volume reviews and comments on the specific contribution of each study to the ongoing process of IELTS speaking and writing test development; it also evaluates the range of research methodologies used in the projects and discusses their usefulness for researchers working in the broader field of performance assessment.
