Jackal. A tall, blond Englishman with opaque, gray eyes. A killer at the top of his profession. A man unknown to any secret service in the world. An assassin with a contract to kill the world's most heavily guarded man. One man with a rifle who can change the course of history. The Hunted series continues as Special Agent Sam Turner discovers that

protecting the FBI's star witness is more difficult than he thought! Bakery owner Elizabeth Hamilton's quiet life is filled with sweet treats, good friends, and a loving family. But all of that is about to turn sour when an odd sound draws her outside. There's a man lying unconscious in the street, a car speeding toward him. Without hesitation, she gets the man out of harm's way before they're run down. Unwittingly, Elizabeth has put herself in the path of a serial murderer, and as the only one who can identify the FBI's Silver Fox Killer, she's ended up in the hospital with a target on her back. All that stands between her and death is Special Agent Sam Turner. Against his

better judgment, Sam gets emotionally involved, determined to take down the double threat against Elizabeth—an ex desperate to get her back, despite a restraining order, and a psychopath bent on silencing her before she can identify him. They set a trap to catch the killer—putting Elizabeth in his hands, with Sam desperate to save her. If he's lucky, he'll get his man . . . and the girl.

Bound by HonorBorn into one of the leading Mob families in Chicago, Aria Scuderi struggles to find her own path in a world where no choices are given. Aria was only fifteen when her parents betrothed her to Luca - The Vice - Vitiello, the oldest son of the head of the New York Cosa Nostra to ensure peace between

the two families. Now with eighteen, the day Aria has been dreading for years is looming dangerously: her wedding to Luca. Aria is terrified of marrying a man she hardly knows, especially someone like Luca who got his nickname 'the Vice' for crushing a man's throat with his bare hands. Luca might be one of the most sought after men in New York thanks to his good looks, wealth and predator-like charisma that radiates power, but the society girls throwing themselves at him don't know what Aria does: that the bad boy aura isn't just a game; blood and death lurk beneath Luca's striking gray eyes and arrogant smile. In her world a handsome exterior often hides the monster within; a

monster who can just as easily kill as kiss you. The only way to escape the marriage to Luca would be to run away and leave everything she's ever known behind but Aria can't bear the thought of never seeing her family again. Despite her fear, she decides to go through with the marriage; Aria has grown up among predators like Luca and knows that even most cold-hearted bastards have a heart and she has every intention of working her way into Luca's.!

She's determined to get Dante's attention and desire, even if she can't get his heart that still belongs to his dead wife. Bound by Vengeance Growl He'd never had something to himself, never even dared to dream about owning something so precious. He was the

unwanted bastard son who'd always had to content himself with the leftovers of others. And now they'd given him what only a few weeks ago had been out of his reach, someone he wasn't even allowed to admire from afar, one of their most prized possessions. Thrown at his feet because he was who he was, because they were certain he would break her. He was her punishment, a fate worse than death, a way to deliver the ultimate punishment to her father who had displeased them so greatly. Cara She had always been the good girl. It didn't protect her. She didn't know his real name. People called him Growl to his face, and the Bastard behind his back. Both

were names he couldn't possibly have chosen for himself. His eyes were empty, a mirror to throw back her own fear at her. He was a brutal hand of the Las Vegas Camorra. And now she was at his mercy. marriage, so he might even be seen as owning my body, but he'll never hold my heart. John - I will do anything for my family, even if it means marrying the daughter of our enemy. Love - a weakness a Capo like Luca shouldn't risk. When Aria betrays Luca by going behind his back for her family, she realizes too late that she might have lost what she's fought so hard to get in the first place: Luca's trust. The trust of a man who never allowed himself to trust someone unconditionally before. Can their love survive in a world of betrayal

and death? Bound By Hatred An Enemies-To-Lovers Romance When Gianna watches her older sister being forced into an arranged marriage, she promises herself to escape a similar fate. The moment Matteo - The Blade - Vitiello sees Gianna on his brother's wedding, he wants to possess her. Her father agrees to the bond, but Gianna has no intention of marrying for any other reason than love. A few months before the wedding, Gianna runs away and begins a new life in Europe away from the mafia. But one of their best hunters and assassins is after her: Matteo. When Matteo and a couple of her father's soldiers catch her, not only her freedom is at risk, but also the life of

the people with her. Gianna is taken home and forced to marry Matteo. Ridden by guilt over having dragged innocent people into her world and overcome with hatred toward Matteo, Gianna is determined to make life hell for her husband. But Matteo is a master at mind games and their struggle for power soon turns into hate-fueled nights of passion. Bound By The Past Dante My life's a tale of betrayal. I killed so many because they betrayed our cause, because they betrayed the Outfit. A hypocrite. A liar. A murderer. That's what I am. Five times I betrayed the Outfit. With my blood I made a vow to our cause, swore my life to it, promised to put the Outfit first. Above all

else. Five times I chose a woman over the good of the Outfit. I betrayed my father. My vow. My men. You reap what you sow. Would my betrayals destroy everything I swore to protect? Valentina On our wedding day I made a vow to stand by Dante's side. In good and in bad times. To love him through it all. Growing up in the mafia, I knew the challenges in our life would be numerous. No one can tell the true story of the Mafia in

America better than Bill Bonanno. He was there. He lived it. Bill Bonanno was born into a world of respect, tradition, and honor. The son of legendary mafioso Joe Bonanno, Bill was a "made" member of the Mafia by the time he was in his early twenties. He was rumored to be the model for The Godfather's Michael Corleone and was the subject of Gay Talese's best-selling Honor Thy Father. Now retired, Bill is finally ready to give an eyewitness account of his life as a high-ranking captain in the Bonanno crime family, one of America's most powerful Mafia syndicates. He takes you inside the mob at its peak, when New York's Five Families- Bonanno, Gambino, Colombo, Lucchese,

and Genovese-not only dominated local businesses, but also controlled national politics. For the first time, Bill Bonanno discloses the machinations behind his marriage to Rosalie Profaci (niece of the powerful don Joe Profaci), and even that cemented the alliance between the two Families with all the pomp and circumstance of a royal wedding. From the truth about the mysterious disappearance of his father to a startling disclosure about he mob's participation in the Kennedy assassination, Bill Bonanno lays bare the inner workings of his chaotic, violent, and surprisingly human world with unparalleled detail and insight.

Bound By Honor not only recounts Bill Bonanno's tumultuous life, but also is an engrossing chronicle of organized crime. Bonanno's story provides a remarkable glimpse into all of the intriguing personalities of the underworld of yesterday to today, from Bugsy Siegel to John Gotti. This book is a must for readers of Mario Puzo, Gay Talese, Nicholas Pileggi, and others who have written about the Mafia, but who have never been in the eye of the storm in quite the same way as Bill Bonanno in Bound By Honor.
