VALENCIA ALANA

An American Caddie in St. Andrews Simon and Schuster
When 46-year-old crane driver and former comedy stunt-driver Maurice Flitcroft chanced his way into the Open having never before played a round of golf in his life he ran up a record worst score of 121. The sport's ruling classes went nuclear and banned him. He didn't take it lying down. This book tells his story.
50 Greatest Golf Tips Dk Pub
THE #1 NEW YORK TIMES BESTSELLER IS NOW A MAJOR-MOTION

PICTURE DIRECTED BY RON HOWARD AND STARRING AMY ADAMS, GLENN CLOSE, AND GABRIEL BASSO "You will not read a more important book about America this year."—The Economist "A riveting book."—The Wall Street Journal "Essential reading."—David Brooks, New York Times Hillbilly Elegy is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your

neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

Ancestral Links CreateSpace

The remarkable true story of a lone genius whose quest to unlock the science behind the perfect swing changed golf forever In 1939, Homer Kelley played golf for the first time and scored 116. Frustrated, he did not play again for six months; when he did he carded a 77. Determined to understand why he was able to shave nearly 40 strokes off his score, Kelley spent three decades of trial and error to unlock the answer and to recapture that one wonderful day when golf was easy and enjoyable. In 1969, Kelley self-published his findings in *The Golfing Machine: The Computer Age Approach to Golfing Perfection*. The bestselling instruction

books of the day required golfers to conform their swings to the author's ideals, but Homer Kelley configured swings to fit every golfer. He found an enthusiastic disciple in a Seattle teaching pro named Ben Doyle, who in turn found an eager student in 13-year-old prodigy Bobby Clampett. Clampett's initial success in amateur golf shined a bright spotlight on Homer Kelley and *The Golfing Machine*, but when the young star suffered a painfully public collapse and faltered as a pro, critics were quick to blast Kelley and his complex and controversial ideas. With exclusive access to Homer Kelley's archives, author Scott Gummer paints a fascinating picture of the man behind the machine, the ultimate outsider who changed the game once and for all of us.

The Coffee Boys' Step-by-Step Guide to Setting Up and Managing Your Own Coffee Bar Penguin

NEW YORK TIMES BESTSELLER • In *Slaying the Tiger*, one of today's boldest young sportswriters spends a season inside the ropes alongside the rising stars who are transforming the game of golf. For more than a decade, golf was dominated by one galvanizing figure: Eldrick "Tiger" Woods. But as his star has fallen, a new, ambitious generation has stepped up to claim the crown. Once the domain of veterans, golf saw a youth revolution in 2014. In *Slaying the Tiger*, Shane Ryan introduces us to the volatile, colorful crop of heirs apparent who are storming the barricades of this traditionally old-fashioned sport. As the golf writer for *Bill Simmons's Grantland*, Shane Ryan is the perfect herald for the sport's new age. In *Slaying the Tiger*, he embeds himself for a season on the PGA Tour, where he finds the game far removed from the genteel rhythms of yesteryear. Instead, he discovers a group of mercurial talents driven to greatness by

their fear of failure and their relentless perfectionism. From Augusta to Scotland, with an irreverent and energetic voice, Ryan documents every transcendent moment, every press tent tirade, and every controversy that made the 2014 Tour one of the most exciting and unpredictable in recent memory. Here are indelibly drawn profiles of the game's young guns: Rory McIlroy, the Northern Irish ace who stepped forward as the game's next superstar; Patrick Reed, a brash, boastful competitor with a warrior's mentality; Dustin Johnson, the brilliant natural talent whose private habits sabotage his potential; and Jason Day, a resilient Aussie whose hardscrabble beginnings make him the Tour's ultimate longshot. Here also is the bumptious Bubba Watson, a devout Christian known for his unsportsmanlike outbursts on the golf course; Keegan Bradley, a flinty New Englander who plays with a colossal chip on his shoulder; twenty-one-year-old Jordan Spieth, a preternaturally mature Texan carrying the hopes of the golf establishment; and Rickie Fowler, the humble California kid striving to make his golf speak louder than his bright orange clothes. Bound by their talent, each one hungrier than the last, these players will vie over the coming decade for the right to be called the next king of the game. Golf may be slow to change, but in 2014, the wheels were turning at a feverish pace. *Slaying the Tiger* offers a dynamic snapshot of a rapidly evolving sport. Praise for *Slaying the Tiger* "This book is going to be controversial. There is no question about it. . . . It is the most unvarnished view of the tour—the biggest tour in the world—that I've ever read. And it's not close."—Gary Williams, Golf Channel "A must-read for PGA Tour fans from the casual to the most dedicated . . . This book is certain to be as important to

this era as [John] Feinstein's [A Good Walk Spoiled] was two decades ago. . . . A well-researched, in-depth look at the men who inhabit the highest levels of the game."—Examiner.com "A masterfully written account of an important time in golf history."—Adam Fonseca, Golf Unfiltered "Absolutely marvelous . . . Ryan's writing flows and his reporting turns pages for you."—Kyle Porter, CBS Sports "A riveting read."—Library Journal "Ryan's fresh look is just what we golfer/readers want."—Curt Sampson, New York Times bestselling author of Hogan "Ryan does a fantastic job painting a thoughtful and accurate portrait of the new crop of heirs apparent."—Stephanie Wei, Wei Under Par

The Unstoppable Golfer Anchor

Traces the gap year before entering Harvard during which the author worked as a caddie in Scotland, describing his instruction at the St. Andrews Links Trust trainee program, his relationships with a series of notorious veteran caddies and his life-shaping subsequent returns during summer breaks.

Martini Wonderland Quirk Books

This handsome anthology of stories and essays profiles the great courses, the players, and the spirit of the game of golf in humorous fashion.

[Golf is Not a Game of Perfect](#) "O'Reilly Media, Inc."

"From the bestselling author of *Golf Is Not a Game of Perfect* and *Golf Is a Game of Confidence*, a book about how to improve your short game"--

Elevation Simon and Schuster

One year after his big golf tournament win, Travis McKinley struggles to find a place in the world of professional sports in this inspiring novel. A year ago, unknown golfing amateur Travis

McKinley shocked the world by winning the PGA Senior Open at Pebble Beach. Now he's famous, he makes his living playing the game he loves, and everything should be perfect. Still, Travis can't shake the feeling that he's a fraud, an imposter who doesn't deserve his success-and after a series of disappointments and personal screw-ups, he might just prove himself right. A shot at redemption arrives in an unexpected form: a teenage outcast with troubles of his own . . . and a natural golf swing. As this unlikely duo sets out to achieve the impossible on the world's most revered golf course, Travis is about to learn that sometimes the greatest miracles of all take place when no one is watching.

Miss Peregrine's Home for Peculiar Children Scribner

A paradigm-smashing instruction book on recovering from trouble and avoiding disaster shots—the three or four errant shots in each round that lead to blow up holes and ruin golfers' scores. Over his three decades of working with pro and amateur golfers, Dave Pelz noticed some definite differences between the two, particularly in how pros and amateurs handle trouble shots. Seeking quantitative evidence for his hunch, he used his analytical tools to look at thousands of scorecards from a wide range of amateur players. The data showed that the majority of golfers play at or below their handicap most of the time but are done in by a few disaster holes—double bogeys or worse—each round that ruin their score. In *Damage Control*, Dave Pelz teaches all the techniques necessary to recover from trouble and avoid disasters. He explains the golf fact that you will hit errant shots into deep rough, into sand, into shallow water, or near obstacles that inhibit your swing. The key is being able to recover from these shots and not make a bad situation worse by hitting

the ball into deeper trouble. The book is filled with full-color photos and drills on how to make all the shots you might encounter on a golf course using five skills specifically designed to minimize the chances of making your life worse. Revealing methods for shot-making never before seen in an instructional book, *Damage Control* is a groundbreaking new look at the game from a master instructor.

Tiger Woods Doubleday

Golfers everywhere, from professionals like Darren Clarke and Padraig Harrington to the humblest amateur on the driving range, are familiar with the sport's 'Rotella Rules', which reinforce the attitude needed to maximize a player's performance. Now, beloved 'Doc' Rotella, author of *GOLF IS NOT A GAME OF PERFECT* and *PUTTING OUT OF YOUR MIND* presents an anytime, anywhere quick reference tool sure to become a vital addition to every golf bag. *THE GOLFER'S MIND* gives players exactly what they want - a quick reference they can carry with them easily to consult any time they need reinforcement from Rotella's guiding principles. In the perfect format for the busy golfer, *THE GOLFER'S MIND* is a concise and convenient guide that will appeal to Rotella's millions of followers and is sure to become a golf classic.

Homer Kelley's Golfing Machine Skyhorse

The best golf writer on the planet returns with his funniest book ever. Dan Jenkins virtually invented the golf novel with *Dead Solid Perfect*, his rollicking account of the life and times of touring pro Kenny Lee Puckett. After thirty years of waiting for the follow-up, Jenkins returns to the world of big-time golf in *The Money-Whipped Steer-Job Three-Jack Give-Up Artist* and finds a world

where endorsements and course fashion matter more than the side bet. His hero, Bobby Joe Grooves, is a hell-raising two-iron-wielding rogue trying to turn his one annual tournament win and considerable Texas charm into a spot on the Ryder Cup team. Standing between Bobby Joe and his little spot of golf heaven are two ex-wives, a girlfriend, various pious PGA officials, and his embarrassing lack of a career major. A book that will teach you more about golf history than any weepy sunset-over-the-eighteenth-green retrospective, *The Money-Whipped Steer-Job Three-Jack Give-Up Artist* is an uproarious portrait of what it's really like to play on the PGA Tour. It's vintage Dan Jenkins.

Astronomy Hacks Atlantic Monthly Press

"Sydney Frank lived the American wet dream lubricated by breakfast martinis and JagerBombs. He had a team of professional golfers play every morning for his amusement, and he spent the rest of the day smoking cigars in bed while running a liquor empire. When Sidney sold Grey Goose Vodka to Bacardi for \$2.5 billion, he created his own private wonderland, and I was one of the unworthy souls he rewarded with a golden ticket and backstage pass to the martini circus. Despite his limitless wealth, Sidney battled profound personal demons, family dysfunction and failing health, but his indomitable spirit prevailed and cemented his place as a classic anti-hero and unlikely icon

Cheat Sheets for Life HarperCollins

Two legendary coaches give golfers a powerful new approach to the game... and to life. As coaches to some of golf's top players, Pia Nilsson and Lynn Marriott have designed and refined a revolutionary way of teaching the game, with phenomenal results. They don't believe in prescribing the same stance, grip,

and swing to everyone, followed by hours of purposeless drilling. They don't even believe in beginning with physical technique. Their success has proven to them that a great game begins with a great vision. Unlike any other golf book, *Every Shot Must Have a Purpose* offers cutting-edge techniques for integrating the physical, technical, mental, emotional, and social parts of a player's game. The book's revolutionary pre-shot routine will improve your focus, leading to a golf swing that is not only successful but can be repeated under extreme pressure.

Emphasizing the individual golfer rather than a rigid set of mechanics, their VISION54 method takes the frustration out of the game. Why 54? Because they believe it's possible to shoot a 54 (making a birdie on every hole of a par-72 course) if you have the right mind-set and well-honed intuitive power. An engaging read for the beginner or the seasoned golfer, *Every Shot Must Have a Purpose* is inspiration for life, not just the links.

The Money-Whipped Steer-Job Three-Jack Give-Up Artist Penguin
"The Golden Wheel Dream-book and Fortune-teller" by Felix Fontaine. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Putting Out Of Your Mind Independently Published

This is an entertaining but highly practical guide from the successful "Coffee Boys" authors that will enable you to open a

coffee bar or sandwich bar that actually lasts and makes money. It presents a distillation of experience of the many dozens of coffee and sandwich businesses they have opened both personally and for clients. This work reveals and is based on the Great Formula (see six steps of contents) created by the authors within their own businesses and their consulting practice. It offers all the practical advice on location, raising finance, and devising a clear marketing plan.

Together We Will Go Ballantine Books

'You drive for show, you putt for dough'. This old saying is familiar to all golfers and Bob Rotella, one of the foremost authorities on golf today, is a firm believer in its truth. In *Putting out of Your Mind* he reveals the unique mental approach that great putting requires and helps golfers of all levels master this essential skill. Much like *Golf Is Not a Game of Perfect* and *Golf Is a Game of Confidence*, *Putting out of Your Mind* is a resonant and informative guide to achieving a better golf game. While most golfers spend their time trying to perfect their swing so they can hit the ball further, Rotella encourages them to concentrate on their putting, the most crucial yet overlooked aspect of the game. Great players are not only aware of the importance of putting, they go out of their way to master it. And of course mastery begins with an understanding of the attitude needed to be a better putter. Rotella's mental rules, which have helped some of the greatest golfers in the world to become champion putters can now work for golfers everywhere. With everything from true-life stories from some of the greats to dozens of game-changing practice drills, *Putting out of Your Mind* is the new bible of putting, and is sure to bring about immediate results for anyone

who plays the game.

The Lightning Thief McGraw Hill Professional

An overview of the game discusses golf fundamentals, practice, strategies, etiquette, and equipment.

White Fang and the Golden Bear Simon and Schuster

A detailed plan for conquering the FEAR that sabotages swings and ruins psyches, from the pioneering psychologist whose techniques have benefited Davis Love III, Justin Leonard, and numerous other world-class golfers. As Jack Nicklaus once observed, fear is the golfer's greatest enemy, inspiring Tiger Woods to "refuse" to give in to this debilitating emotion. It can turn professionals into jelly and dominate the games of most amateurs. It alters swing paths, causes "tap-in" putts to go awry, and transforms a golfer from a brilliant shot-maker on the practice range into an incompetent hack on the course. Most golfers understand this, but do not have the tools to overcome it. That's where Dr. Gio Valiante comes in. A pioneering sports psychologist, Valiante has studied the sources of an athlete's fear, investigated the physiological and neurological impact of fear on performance, and, most important of all, developed a groundbreaking program for conquering it. With Valiante's help and by applying *Fearless Golf*, Justin Leonard went from three consecutive missed cuts to three consecutive top tens, and Chad Campbell recently moved from 98th in the world to 7th. Davis Love III went from zero wins in 2002 to four wins in 2003, and Chris DiMarco made the 2004 Ryder Cup Team. Emphasizing the need to replace a fixation-on-results with a commitment to mastery of one's body and one's mind, Valiante's approach will not only help golfers reach their true potential, it will make

playing every round fun again. Through concrete confidence and mastery drills, he presents specific ways readers can break free of fear's grasp and perform at their best—even under the most extreme pressure. With detailed quotes and anecdotes given exclusively to Dr. Valiante from the best players in the game—including Jack Nicklaus, Ernie Els, and other tour professionals, *Fearless Golf* is the ultimate guide to the mental game, the hottest topic in golf today.

KISS Guide to Playing Golf Disney Electronic Content

The Breakfast Club meets *The Silver Linings Playbook* in this powerful, provocative, and heartfelt novel about twelve strangers who come together to make the most of their final days, from New York Times bestselling and award-winning author J. Michael Straczynski. Mark Antonelli, a failed young writer looking down the barrel at thirty, is planning a cross-country road trip. He buys a beat-up old tour bus. He hires a young army vet to drive it. He puts out an ad for others to join him along the way. But this will be a road trip like no other: His passengers are all fellow disheartened souls who have decided that this will be their final journey—upon arrival in San Francisco, they will find a cliff with an amazing view of the ocean at sunset, hit the gas, and drive out of this world. The unlikely companions include a young woman with a chronic pain sensory disorder and another who was relentlessly bullied at school for her size; a bipolar, party-loving neo-hippie; a gentle coder with a literal hole in his heart and blue skin; and a poet dreaming of a better world beyond this one. We get to know them through access to their texts, emails, voicemails, and the daily journal entries they write as the price of admission for this trip. By turns tragic, funny, quirky, charming,

and deeply moving, *Together We Will Go* explores the decisions that brings these characters together, and the relationships that grow between them, with some discovering love and affection for the first time. But as they cross state lines and complications to the initial plan arise, it becomes clear that this is a novel as much about the will to live as it is the choice to end it. The final, unforgettable moments as they hurtle toward the outcomes awaiting them will be remembered for a lifetime.

Hillbilly Elegy Penguin

Hank Haney's candid, surprisingly insightful account of his tumultuous six-year journey with Tiger Woods, during which the supremely gifted golfer collected six major championships and rewrote golf history. Hank was one of very few people allowed behind the curtain and observed Tiger in nearly every circumstance. There's never been a book about Tiger that is as intimate and revealing--or as wise about what it takes to coach a star athlete. From 2004 to the spring of 2010, Hank Haney was Tiger Woods's coach, and Tiger was Haney's only client. In that period, Tiger won more than a third of the tournaments he entered and six of his fourteen major titles. Haney felt hugely honored to help Tiger with his swing, and he approached the job with intense absorption and attention to detail. Haney was with Tiger 110 days a year, spoke to him over 200 days a year, and stayed at Tiger's house up to 30 days a year--sometimes affording him more contact with Tiger than either the athlete's agent or caddy. Haney saw his student in nearly every circumstance: in the locker room; on the course; with his wife, Elin; and relaxing with friends. Haney was there through it all, observing how Tiger's public identity sometimes meshed

awkwardly with the roles of husband and friend, and how the

former child prodigy came to have a conflicted relationship with the game that made him famous.
