## **PITTS MAXIMUS**

*Solo Pieces for the  
Advanced Clarinetist*  
Alfred Music

In España: Six Album Leaves, Op. 165, Albéniz magically transports the listener to colorful locations, each with its own special Spanish flavor. These musical "postcards" are not particularly difficult to play, and are somewhere between the late intermediate and early advanced levels. This edition aids in interpretation through added fingerings, pedal and indications for subtle changes in tempo, which are integral to the performance of Spanish music. Dr. Kuehl-White studied in Barcelona with legendary Spanish pianist Alicia de Larrocha, who provided a tremendous legacy regarding the performance practice traditions of Albéniz's music. España was initially published with many errors and omissions. Over the years, editors have produced new editions with some corrections, but little interpretive assistance. This edition not only

contains numerous corrections, but also aids in interpretation through various additions in the score. Titles: \* Prélude \* Tango \* Malagueña \* Serenata \* Capricho Catalán \* Zortzico  
**Clara Schumann Piano Music** Accademia Europea di Bolzano (Instrumental Folio). Nine songs from the Andrew Lloyd Webber masterpiece: All I Ask of You \* Angel of Music \* Masquerade \* The Music of the Night \* The Phantom of the Opera \* The Point of No Return \* Prima Donna \* Think of Me \* Wishing You Were Somehow Here Again.

A comprehensive

repertoire book of fiddle tunes adapted for banjo, in easy to read tablature, by the renowned player and teacher of the 5-String Banjo, Tony Trischka. for the early picker to the advanced player, this book and its companion recordings on 2 CDs will enable the player to learn by example and broaden their technical range. Fiddle tunes have been adapted for Banjo since the early 1850's. the explorations contained here include a large collection of popular American fiddle tunes and a section of Celtic tunes played in the three major Bluegrass Banjo styles. These Bluegrass, Old Time and Celtic banjo traditions will expand the players' knowledge of the instrument, and deepen their understanding of bluegrass and traditional music. The techniques employed will build the players technical prowess and broaden their enjoyment of playing. and the tunes, both popular and lesser known, will add new variety to the next jam session! Tablature only. Repertoire of fiddle tunes for the early to the advanced banjo player. In easy to read tablature with 2 companion CDs. Expands the players'

knowledge of Bluegrass banjo styles and banjo music. Builds playing skills and adds variety to their playing.

The solos of Django Reinhardt are an endless source of inspiration and amazement for any musician. In this exciting book, the author has compiled precise solo transcriptions (in notation only), as well as a thorough analysis of each. There is also a complete "how to" section that is like a book in itself. This book contains some of Django's best work. It covers a period of 17 years, from Django's first trio and quintet recordings to one of his last bop-influenced sessions, "Live at the Club St. Germain." Multiple versions of many solos are included to show Djangos' musical development over his long career. Studying the music of the master of Gypsy Jazz can help lay a solid foundation for your own sound and style. *Mazurkas* Alfred Music This collection presents, for the first time, the complete *Mazurkas* of Frederic Chopin arranged for solo classical guitar. the Mazurka is the only

form the composer embraced throughout his lifetime. the distinctive and personal pieces are unimaginably varied and colorful, ranging from brief and vigorous dances to deep and complex extended works. Always achingly melodic and featuring surprising harmonies not evident in his other compositions, the *Mazurkas* are a true monument to Chopin's genius. These new arrangements were prepared with rigorous fidelity to the originals, while never sacrificing true playability. Careful attention to every detail of execution combined with thorough notes on each piece and the folk dance tradition that inspired them to make this unique offering truly user-friendly. Musically beautiful, idiomatic and accessible, this monumental collection is a breathtaking addition to the guitar repertoire. Written in standard notation only. Music of Django Reinhardt Pearson Education France *Wedding Music for Violin and Viola* includes 14 favorites for weddings, recitals, parties and receptions. New adaptations of these arrangements allow each musician to share

melodic, harmonic and accompanying elements. These duets are well suited for intermediate to advanced musicians and include bowings, fingerings, articulations and dynamics. Includes two separate 28-page pull-out parts for violin and viola.

Tarrega in Tablature Hal Leonard (Piano Solo Songbook). "I think there is a similarity between the infinite big and the infinite smallness of everything," says Yann Tiersen. "It's the same experiment looking through a microscope as it is a telescope." Named after a chapel in a small village on the island of Ushant, Kerber marks a new chapter in critically-acclaimed composer Yann Tiersen's career. A chapter still true to Tiersen's nuanced and subtle approach but one that sets out with his most overtly electronic material to date. Beautifully textured, highly immersive and thoughtfully constructed, Tiersen creates an electronic world, providing an environment in which the piano source exists. A sense of place has often been a central theme in Tiersen's work and here that is no different. Each track is tied to a place

mapping out the immediate landscape that surrounds Tiersen's home, linking back to his thoughts on the possibilities of the infinite smallness. This official, exclusive folio is beautifully printed on high-quality, uncoated paper with striking graphic artwork. All seven pieces are presented for solo piano and follow an exclusive introduction to the project.

Pianist George Shearing is that rare thing, a European jazz musician who became a household name in the US, as a result of the "Shearing sound"—the recordings of his historic late 1940s quintet. Together with his unique "locked hands" approach to playing the piano, Shearing's quintet with guitar and vibraphone in close harmony to his own playing revolutionized small group jazz, and ensured that after seven years as Melody Maker's top British pianist, he achieved even greater success in America. His compositions have been recorded by everyone from Sarah Vaughan to Miles Davis, and his best known pieces include "Lullaby of Birdland", "She" and "Conception". His story is all the more remarkable because Shearing was born blind. His candid reminiscences include a behind the scenes experience of New York's 52nd Street in its heyday, as well as memories of a vast roll-call of professional colleagues that includes all the great names in jazz.

The Peer Gynt Suite may be Edvard Grieg's most famous composition. Its melodies have insinuated themselves into our culture so that they are now universally familiar. the movements are: Morning Song, Asa's Death, Anitra's Dance, and In the Hall of the Mountain King. This edition presents, for the first time, the entire suite in a version for solo guitar. This is a substantial work for the guitarist that, while requiring solid technique, is quite rewarding for both the player and the audience. Also included is a transcription of Grieg's beautiful Solveig's Song. **St. Paul's Suite** Legare Street Press  
Two of the composer's finest symphonies — Symphony No. 6 in D and Symphony No. 7 in D Minor — reproduced from the authoritative Simrock edition. Seventh symphony often considered his greatest achievement in the form. **Nouvelles Suites de Pieces de Clavecin** Mel Bay Publications
