The full eBook version of Improve Your Sight-Reading! Horn Grades 1-5 in fixed-layout format. This edition of Improve your sight-reading! Horn Grades 1-5 has been revised to support the ABRSM syllabus from 2023. It also includes online audio of the 'going solo' pieces for students to check their performances

against. The ability to sight-read fluently is a vital skill, enabling students to learn new pieces more quickly and play with other musicians. The best-selling Improve your sight-reading! series, by renowned educationalist Paul Harris, is designed to develop sight-reading skills and improve confidence. Step by step you build up a complete picture of each piece, firstly through rhythmic and melodic exercises related to specific technical issues, then by studying prepared pieces with associated questions, and finally 'going solo' with a series of meticulously graded sight-

reading pieces.

The AB Real Book ABRSM Exam Pieces " ... Will develop the technical skills you need to play jazz. It introduces patterns

characteristic of the idiom, like the blues scale, the $\flat 3$ pentatonic and various modes. It also explores these patterns on the roots and key centres commonly found in jazz. Regular and flexible practice of these forms, and using them as the basis for improvisation, will give you fluency and technical control and make your playing sound effortless and relaxed ... sets out the scales by grade and gives a table of recommended speeds ..."--Back cover
