Master Bible Quiz Penguin Group(CA)
 Covering the political, social and historical background of each language, Dictionary of Languages offers a unique insight into human culture and communication. Every language with official status is included, as well as all those that have a written literature and 175 'minor' languages with special historical or anthropological interest. We see how, with the rapidly increasing uniformity of our culture as media's influence spreads, more languages have become extinct or are under threat of extinction. The text is highlighted by maps and charts of scripts, while proverbs, anecdotes and quotations reveal the features that make a language

unique.

Magazines for Children Springer Nature

When Pig plans a trip, his friend Goat thinks of how dangerous it could be.

The Incredible Sai Baba Orient Blackswan
 Discover humanity's past and its future in this in this special e-book collection featuring Sapiens—a reading pick of President Barack Obama, Bill Gates, and Mark Zuckerberg—and its acclaimed companion Homo Deus.

Gödel, Escher, Bach Springer Science & Business Media

Traces the unlikely friendship of a wealthy Afghan youth and a servant's son in a tale that spans the final days of Afghanistan's monarchy through the atrocities of the present day.

A Flowering Tree and Other Oral Tales from India Clarendon Press

'What is a self and how can a self come

out of inanimate matter?' This is the riddle that drove Douglas Hofstadter to write this extraordinary book. In order to impart his original and personal view on the core mystery of human existence - our intangible sensation of 'I'-ness - Hofstadter defines the playful yet seemingly paradoxical notion of 'strange loop', and explicates this idea using analogies from many disciplines.

Dr. Babasaheb Ambedkar, Writings and Speeches Bradley Dowden

This book of oral tales from the south Indian region of Kannada represents the culmination of a lifetime of research by A. K. Ramanujan, one of the most revered scholars and writers of his time. The result of over three decades' labor, this long-awaited collection makes available for the first time a wealth of folktales from a region that has not yet been adequately

represented in world literature. Ramanujan's skill as a translator, his graceful writing style, and his profound love and understanding of the subject enrich the tales that he collected, translated, and interpreted. With a written literature recorded from about 800 A.D., Kannada is rich in mythology, devotional and secular poetry, and more recently novels and plays. Ramanujan, born in Mysore in 1929, had an intimate knowledge of the language. In the 1950s, when working as a college lecturer, he began collecting these tales from everyone he could--servants, aunts, schoolteachers, children, carpenters, tailors. In 1970 he began translating and interpreting the tales, a project that absorbed him for the next three decades. When Ramanujan died in 1993, the translations were complete and he had written notes for about half of the tales. With its unsentimental sympathies, its laughter, and its delightfully vivid sense of detail, the collection stands as a significant and moving monument to Ramanujan's memory as a scholar and writer.

Feminist Praxis (RLE Feminist Theory)
Univ of California Press

Emma was the last novel that Jane Austen published while alive. In it, she tells us about the adventures of Emma Woodhouse, a young English woman raised in a wealthy family who not only does not have the slightest intention of getting married, but also insists on being a matchmaker for her circle of friends. In particular, for her protégé Harriet Smith. Emma's advice produces all kinds of misunderstandings and embarrassing situations, which translates into a fun work that, two centuries after its appearance, continues to delight readers.

Emma Sristhi Publishers & Distributors
The acclaimed New York Times bestselling author of *Smash Cut*, *Flannery*, and *City Poet* delivers the first popular biography of Rumi, the thirteenth-century Persian poet revered by contemporary Western readers. Ecstatic love poems of Rumi, a Persian poet and Sufi mystic born over eight centuries ago, are beloved by millions of readers in America as well as around the world. He has been compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map of Rumi's life stretched over

2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital connection as teacher and pupil, friend and beloved, is one of the world's greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, *Rumi's Secret* reveals the unfolding of Rumi's devotion to a "religion of love," remarkable in his own time and made even more relevant for the twenty-first century by this compelling account.

Alice in Wonderland HarperCollins
Feminist social scientists often find that carrying feminism into practice in their research is neither easy nor straightforward. Designed precisely with feminist researchers in mind, *Feminist Praxis* gives detailed analytic accounts of particular examples of feminist research, showing how feminist epistemology can translate into concrete feminist research practices. The contributors, all experts in their field, give practical examples of feminist research practices, covering colonialism, child-minding, gay men, feminist social work, cancer, working with young girls using drama, Marilyn Monroe, statistics - even the writing and reading of research accounts. These detailed accounts are located in relation to the position of feminism and of women generally in the academic world, and looked at in the light of discussions, debates, and controversies about feminist methodology across several disciplines. *Feminist Praxis* is unique in combining theoretical discussion of feminist methodology with detailed accounts of practical research processes. This blend of the practical and the theoretical will make it an invaluable text for feminists carrying out research at all levels, and it will also appeal to those interested in the relationship between theory, method and feminist epistemology.

The Renaissance in India Double 9 Booksllp
HBO's hit series *A GAME OF THRONES* is based on George R R Martin's internationally bestselling series *A SONG OF ICE AND FIRE*, the greatest fantasy epic of the modern age. *A DANCE WITH DRAGONS: AFTER THE FEAST* is the SECOND part of the fifth volume in the series. "Far more than a conventional novel. It is a meditation on life, on the erotic, on the nature of men and women and love . . . full of telling details, truths large and small, to which just about every reader will respond." — *People In The Unbearable Lightness of Being*, Milan Kundera tells the story of two couples, a young woman in love with a man torn between his love for her and his incorrigible womanizing, and one of his mistresses and her humbly faithful lover. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence, we feel "the unbearable lightness of being" not only as the consequence of our pristine actions but also in the public sphere, and the two inevitably intertwine. This magnificent novel is a story of passion and politics, infidelity and ideas, and encompasses the extremes of comedy and tragedy, illuminating all aspects of human existence.

ANTHROPOLOGY Glassboro, N.J. : Educational Press Association of America ; Newark, Del. : International Reading Association

What if your mind is your greatest enemy? What if you were living your worst nightmare? How would you cope? Ankita has fought a mental disorder, been through hell, and survived two suicide attempts. Now in Mumbai, surrounded by her loving and supportive parents, everything seems idyllic. She is not on medication. She is in a college she loves, studying her dream subject: Creative Writing. She has made friends with the bubbly Parul and the glamorous Janki. At last leading a 'normal life', she immerses herself in every bit of it - the classes, her friends, her course and all the carefree fun of college. Underneath the surface, however, there is trouble brewing. A book she discovers in her college library draws her in, consumes her and sends her into a terrifying darkness that twists and tears

her apart. To make matters worse, a past boyfriend resurfaces, throwing her into further turmoil. Armed with only a pen and a journal, she desperately fights with every ounce of strength she has. But can she escape her thoughts? Will Ankita survive the ordeal a second time around? What does life have in store for her? Preeti Shenoy's compelling sequel to the iconic bestseller *Life is What You Make It* chronicles the resilience of the human mind and the immense power of positive thinking. The gripping narrative demonstrates with gentle wisdom how by changing our thoughts, we can change our life itself.

An Annotated Collection of Mongolian Riddles HarperCollins

One of the best English translations of this ancient Indian treatise on politics, social mores, love, and intimacy are the *Kama Sutra*, which Mallanaga Vatsyayana wrote in the second century CE. Its clean presentation raised the bar for Sanskrit translation. The *Kama Sutra* is a unique combination of sexology, society, psychology. It has been hailed as a great work of Indian literature for more than 1,700 years and has served as a window for the West into the mysticism and culture of the East. The *Kama Sutra*, a prehistoric Indian literature, is regarded as the most important Sanskrit study of human sexuality. The *Kama Sutra* remains one of the most accessible and entertaining of all the ancient classics, having been written with frankness and unassuming simplicity. The *Kama Sutra* is so significant as a work of philosophy, psychology, sociology, theology, science, and sexology that it simultaneously had an impact on Indian civilization and remained a crucial component in understanding it.

Wake Up, Life is Calling Learning Express (NY)

This book is designed to engage students' interest and promote their writing abilities while teaching them to think critically and creatively. Dowden takes an activist stance on critical thinking, asking students to create and revise arguments rather than simply recognizing and criticizing them. His book emphasizes inductive reasoning and the analysis of individual claims in the beginning, leaving deductive

arguments for consideration later in the course.

Sapiens and Homo Deus: The E-book Collection Routledge

The bestselling *Journey to the West* comic book by artist Chang Boon Kiat is now back in a brand new fully coloured edition. *Journey to the West* is one of the greatest classics in Chinese literature. It tells the epic tale of the monk Xuanzang who journeys to the West in search of the Buddhist sutras with his disciples, Sun Wukong, Sandy and Pigsy. Along the way, Xuanzang's life was threatened by the diabolical White Bone Spirit, the menacing Red Child and his fearsome parents and, a host of evil spirits who sought to devour Xuanzang's flesh to attain immortality. Bear witness to the formidable Sun Wukong's (Monkey God) prowess as he takes them on, using his Fiery Eyes, Golden Cudgel, Somersault Cloud, and quick wits! Be prepared for a galloping read that will leave you breathless!

The Kama Sutra Harper Collins

Travelling through time, space and history to 'discover' his beloved city, the narrator of this novel meets a myriad of people - poets and princes, saints and sultans, temptresses and traitors, emperors and eunuchs - who have shaped and endowed Delhi with its very mystique.

Daily Reading Comprehension, Grade 2 A&C Black

This book is a lucid account of the amazing life of Sai Baba, one of the most revered saints, and one of the most extraordinary of India's holy men. The book discusses the life of this saint, his divine powers, and his teachings which sought to unite people of all creeds and faiths.

Logical Reasoning HarperCollins

Get ready for a challenge! We have compiled 1,500 Questions and Answers on the Bible that are going to show how much, or how little, you, or those you quiz, know about Scripture. Unfortunately, most will discover "how little" as these quizzes are certainly not designed to be easy. The good news is, that if you keep taking the quizzes over and over again, you will begin to acquire a great deal of knowledge concerning the Scripture. The purpose of these quizzes is not to make anyone feel stupid, but to challenge them to learn more! If you can master all 30 series (1,500 questions) you most likely will know more about the Bible than anyone else you will ever come across. These questions do not call for knowledge of genealogical tables, but of the main Bible characters. They do not call for the details of Jewish history, and not a single date is asked for in all the fifteen hundred questions; but they do insist upon knowledge of the Bible's most significant and interesting events, from cover to cover. The questions are not theological - perhaps some would find them easier if they were, for then they could air their theories; but they call for an acquaintance with the most beautiful and uplifting sentences and passages in all the sixty-six books of the Bible, the inspired wisdom on which all theology is based - or ought to be. How to Use: Use these questions to test yourself, your Sunday School Class, your Youth Group, your Bible Study, your Teachers, your Family, etc... *There are 30 Series with 50 Questions each.* Each question is worth 2 points (multiply the number right x2 and you'll have your score) *You can use the quizzes in any order you want, but we suggest doing one series over and over until you have mastered most of the content. Once you know all 50 questions, move onto the next one.
