During a bitter war against the orks in the Kalidar system, Lieutenant Lo Bannick joins the crew of the venerable tank, and as part of the 7th Paragonian Tank Company

Pocket book of the Imperial Guard styled in the form of an artefact of the 41st millennium.

Contained within is a wealth of information describing tactics, combat, enemies, prayers and much more all couched in a tongue-in-cheek, pseudo-propagandist rhetoric. The book is filled with numerous sketches and diagrams to accompany the text. This second edition has additional sections on fighting in space and combating the alien Tau.

Codex Armageddon

Gaunt's Ghosts are back in a fresh new look at the beginning. The war may be over, but duties remain for the brave soldiers of the Astra Militarum. In the ruined border town of Vincula, the newly formed Ghosts of Tanith, along with their commander Ibram Gaunt, find themselves in a thankless police action, trying to establish a permanent peace. But what exactly is stalking them through the shadowed streets, and what dark secrets will the untested, new-founded Ghosts learn about themselves? The Vincula Insurgency is an intense new combat thriller of the Ghosts' early days, pulled directly from the ultra-classified Ghost Dossier.
