Ruling his LA hotel empire through determination and hard work, Reid Davenport is a mystery to many. Despite the media's interest in him, Reid steers clear of the limelight--until his life is broadcast in the tabloids, endangering not only his privacy, but that of his parents and his little sister. He'd do anything to protect them...except listen to the fiery and intelligent PR pro, who's as beautiful as she is tempting. Every time she walks into his office, he fantasizes about bending her over his desk and kissing her. Every time she smiles at him, he wants to pull her closer and not let go. Hailey Connor doesn't take on uncooperative clients. But the second she meets Reid, she's compelled to stay and help, even if she must fight his own broody ass to do it. He's bossy, demanding and so sinfully alluring that she knows she's in over her head. Reid may be infuriating, but when he talks about his family, she can't help but melt a little. With every kiss, they grow closer. With every touch, they fall deeper. They're opposites...yet perfect matches. But when their different worlds collide, will it tear them apart or bring them together?

On April 13th, 2004 Gloria Hunniford's 41 year old daughter, Caron Keating, died after a secret seven year battle with cancer. The world that had changed with Caron's diagnosis, now shattered. Life had been cruelly interrupted, a black hole opened in Gloria's heart, she was consumed with the unimaginable grief that the loss of a child brings and she was alone. Or so she felt. Within days of Caron's death letters started to arrive. People who had lost their children felt compelled to write. Strangers understood what she was going through often more than the family and friends standing next to her. There were many, many dark days but the letters kept coming and somehow she managed to do the impossible. Wake up everyday, get out of bed, breath. The black hole is still there, sometimes as big as ever, but she has found a way to live with it, around it. This is the story of how Gloria and her family survived Caron's death, but it is not only her story. It is written for those who held her while she raged. It is written for all those people who helped her through that first terrible year by writing, but mostly it is written for the many thousands who didn't. Grief is lonely, but as this book shows, you are not alone. Death affects us all at some point. Gloria will never again be the carefree woman she once was, the loss of a loved one is always with you, but so are the living. This is how she found her way back to them.

The beloved New York Times bestseller from acclaimed author Eleanor Brown about three sisters who love each other, but just don't happen to like each other very much. Three sisters have returned to their childhood home, reuniting the eccentric Andreas family. Here, books are a passion (there is no problem a library card can't solve) and TV is something other people watch. Their father—a professor of Shakespeare who speaks almost exclusively in verse—named them after the Bard's heroines. It's a lot to live up to. The sisters each have a hard time communicating with their parents and their lovers, but especially with one another. What can the shy homebody eldest sister, the fast-living middle child, and the bohemian youngest sibling have in common? Only that none has found life to be what was expected; and now, faced with their parents' frailty and their own personal disappointments, not even a book can solve what ails them...

Divinity exists in every human being. Though we tend to overlook His presence within us, a time comes during our sojourns on earth when we feel an intense craving to experience the Truth. True faith and devotion leads one towards that path of enlightenment and hence inspires others to follow the same. In this book, the author narrates her spiritual journey with Jesus and Sathya Sai Baba as her friends and Shirdi Sai as her true Divine Master. Written in a frank and lucid style, the author's reflections are interesting to read which will inspire devotees of Sai Baba to experience His presence in every moment of their existence as He is always with us, always being our true friend, guide and philosopher.

Frida Kahlo is regarded as one of Mexico's greatest painters: her extraordinary personal style, her tragic story, her relationship with Diego Rivera (the more famous painter in their day) alongside her passionate paintings have made her a cult figure since she died over sixty years ago. But beyond the familiar images there is a private story about a daughter who confided in her beloved mama, Matilde Calderon Kahlo. Until now Frida's handwritten letters have only been available to scholars - and recently in Spanish in a book that appeared in 2016. Now for the first time we have over fifty of these letters in English. And what a treasure. Funny, observant and honest, they chart Kahlo's relationship with her mother; a relationship that was sometimes fraught - as with most mother and daughters - but was always alive and honest. They begin in 1923 when Kahlo was sixteen and continue until the death of her mother in 1932. These letters tell us about Kahlo's anxieties, her feelings about her husband and friends and above all reveal the marvellous, critical painter's eye in her description of people and places from Mexico, San Francisco and New York. Edited, translated and introduced by Dr. Héctor Jaimes, Professor of Spanish, North Carolina State University (who edited the Spanish version) this book is published with paintings and photographs.

HEA (Book 1 of The Racing Hearts Series) Gracie I was in high school, when a college guy with a thousand watt smile walks into the barn. Tall, golden tan, with medium blonde hair and ocean blue eyes. My stomach feels like a platform diver is doing two and half twist somersaults inside of me. He was my first kiss and first love and only love. No matter what I do or where I go, he's in my thoughts. I'm thankful I didn't give him my virginity like I wanted too. In that regard, he was a gentleman. I ran to Ireland to escape his memory to pursue my dreams of becoming a horse trainer. But no matter what I do or where I go, Brandon is always with me. A year after he broke my heart, my dad has a horse running in the Kentucky Derby. Brandon's horse. Brandon At the time, Gracie was considered a forbidden fruit. There was no denying our physical attraction. Considering my reputation, I did well to only take a small bite. I loved her, even if she doesn't believe it. I failed at giving her what she needed and didn't turn to her when I needed her most which led to losing her. But she was Always With Me, in my heart and in my mind. I've become the man worthy of her, only to face new obstacles. She told me once in a low and gentle voice, "Take the road that leads to me." I've tried every road, every path. I've crossed oceans and countries trying to find that road. But nothing is going to keep me from Gracie, not another man, not the ocean between us. Horse racing brings us together in the same room, but an epic night could be the end of us.

The deeper she digs, the more dirt she finds: a conniving best friend, a stalker ex-boyfriend, and a marriage in shambles. The closer Madeleine gets to the truth, the murkier the waters become. Her source's looming presence and constant meddling in her investigation paired with her growing bond with Connor over their shared grief have blinded her to the facts, but nothing explains why Allegra Hudson's life feels so familiar. Only one thing is certain: Madeleine can trust no one. One Little Word is a deliciously clever game of cat-and-mouse with a completely unexpected twist.
