Excerpt: ... the
truth, which

thou hast
showed unto
thy servant;
for with my
staff I passed
over this
Jordan, and
now I am
become two
bands. Deliver
me, I pray
thee, from the
hand of my
brother, from

the hand of Esau; for I fear him, lest he will come and smite me, and the mother with the children. And thou saidst, I will surely do thee good, and make thy seed as the sand of the sea, which cannot be numbered for multitude."

CHAPTER XIII.

JACOB AND THE ANGEL.

Jacob's wrong, in receiving his brother's blessing by fraud, is again brought forcibly before him, and he is afraid that God will permit Esau to

take his life. In his distress he prays to God all night. An angel was represented to me as standing before Jacob, presenting his wrong before him in its true character. As the angel turns to leave him, Jacob lays hold of him, and will not let him go.

He makes supplications with tears. He pleads that he has deeply repented of his sins, and the wrongs against his brother, which have been the means of separating

him from his father's house for twenty years. He ventures to plead the promises of God, and the tokens of his favor to him from time to time, in his absence from his father's house. All night Jacob wrestled with the angel, making supplication for a blessing. The angel seemed to be resisting his prayer, by continually calling his sins to his remembrance, at the same time endeavoring

to break away from him. Jacob was determined to hold the angel, not only by physical strength, but by the power of living faith. In his distress Jacob referred to the repentance of his soul, the deep humility he had felt for his wrongs. The angel regarded his prayer with seeming indifference, continually making efforts to release himself from the grasp of Jacob. He might...

First, they

Then they
enslaved us.

Yet five hundred years after the angels vanished, humanity continues to obey. Professor Rachel Jordan dared to defy 3000 years of angelic doctrine, teaching that the ancient angels were never the saviors they claimed to be. The Redeemers, self-appointed guardians of angelic law, branded her a heretic. Hunted by zealots who would brainwash her back into the angels' good graces, she flees to the edge of civilized space. But not to hide. Rachel's only hope is a fabled lost book of the Codex, written by a rogue angel: the Sefer Raziel. Tracking the book to a desolate former prison world, she delves into the criminal underworld to ferret out its location. But her search draws the ire of greedy megacorporations, shadowy puppet governments, and the zealots who chased her there in the first place. As conflicting forces close in, Rachel must rely on dangerous allies and question the limits of her moral code to be the first to claim the Sefer Raziel. Even if it kills her. Because the only fate worse than death is knowing that her failure doomed humanity to eternal servitude. Echoes of Angels is the first book of Sins of Angels,

an epic space opera series set 3000 years after the fall of Earth. With the scope of Dune and the adventurous spirit of Indiana Jones, Sins of Angels delivers a conflict that spans galaxies and rests on the spirit of a single brave researcher. Follow the complete saga, and watch as the fate of our species hangs in the balance. Angels, Let's Talk Orlando Constantine Are you prepared for what is about

to happen? Giants, Fallen Angels and the Return of the Nephilim will discuss Biblical prophecies of giants on the earth, the Last Days demonic plot of engineering genetic hybrids, and what all of it has to do with Israel and the Middle East. prehistoric megalithic structures throughout the world? Was early man a Neolithic Stone Age caveman or did he receive knowledge from other sources? Are aliens actually fallen angels? Who are the Nephilim, and are they returning to Earth? Discover how important these questions are, from both a personal and global perspective. Read this book and open your

eyes to the dangers that await mankind, and humanity's only hope.

Forming Femininity in Antiquity

Trafford Publishing

In Demons, Nephilim, and Angels, Etienne explains how Satan, his demons, fallen angels, aliens, and the giant Nephilim originated and have infiltrated the original earth, the chaotic earth, the restored earth, and the world that we live in. The original earth

was a spiritual world that included Lucifer, the angels, cherubs, seraphim, and other created beings and heaven. God created Lucifer and the angels to serve Him. Lucifer was determined to exercise his will to sit on God's throne. He wanted to be God and not a servant of God. Lucifer was a hybrid being, half-man and half-angel. He was the cause of the chaotic earth. In the chaotic earth, God was

angry with Lucifer for trying to take His place and tampering with the genes/DNA of the other creatures that lived on the earth and the planets at that time. God destroyed the earth and Rahab, where Lucifer was king, with a flood and turned it upside down and in darkness. Lucifer was kicked out of heaven and demoted to the prince of the power of the air. After God restored the earth and

recreated it,
 He made
 mankind in His
 image. Lucifer
 detests
 mankind and
 wants to alter

With rumors of the pending war rampant on Earth, Alex Jarvis fights to save humanity from its own panic -- leaving little time for her fledgling relationship with Seth, the man with heavenly origins who has captured her heart. But when

Nephilim children begin to disappear, along with Alex's own vulnerable niece, the inevitable war between Heaven and Hell becomes personal. Heaven has its own plans to fight the coming apocalypse, but first it needs Seth back. Asked to betray the man she loves, Alex must turn for help to the soulmate she thought she'd given up -- the Archangel Aramael, who may be her last chance to

save her family and humanity from the ashes of Lucifer's Armageddon.
