MCCULLOUGH KARTER

A Biblical Theology InterVarsity Press

Is the Bible just a random collection of old stories, or is there something more going on within the pages of Scripture? Is it possible that the ancient books of the Old and New Testaments are part of a single, unified story, begun long ago but extending into our world today? In this introduction to biblical theology, professor James Hamilton orients Bible readers afresh to the overarching story line of Scripture, helping Christians read and interpret the Bible as the biblical writers intended and as the early Christians read it. Examining Scripture's key symbols, patterns, and themes, Hamilton helps readers truly grasp—and

be transformed by—the theology of redemption contained in God's Word.

Kregel Academic

A Biblical Theology of Christian Discipleship is a spiritual resource that examines the biblical and theological doctrines to do ministry amid challenges and oppositions. The role of the church is to persuade individuals to establish a philosophy of authentic discipleship. This book challenges the church to walk humbly before God as genuine disciples. The primary focus is to carefully follow Christ's mandate of the Great Commission in Matthew 28:18-20, "Go and make disciples." More importantly, the book describes how the church can effectively use different methods and principles to better prepare believers for Christ.

A Guide for Ministry Zondervan

Leadership is a much-discussed topic. What does it actually mean

for us as Christians? Does Christian leadership have its own distinctive shape and character? In *Servants and Fools, A Biblical Theology of Leadership*, Arthur Boers examines Jesus's pattern of leadership. Boers shows how this pattern is rooted in service and sacrifice, is cautious about power and hierarchies, and prioritizes the vulnerable. In other words, it often reverses what we expect of leadership, and is different from what we read in most leadership literature. *Servants and Fools* is a unique resource for students and practitioners across denominations. It offers a foundational perspective on leadership and guidance for practical application in the reader's daily life and ministry. Arthur Boers has at last written the book we have sorely needed, a book that is destined to become the main text in my seminary courses in church leadership, a book that is sure to be enthusiastically received by thousands of contemporary Christian leaders. Boers energetically underscores the joyful peculiarity of specifically Christian leadership. His book is unique: a biblically based, Christologically grounded defense of leadership in the name of Christ. --Will Willimon, Professor of the Practice of Christian Ministry, Duke Divinity School, United Methodist Bishop, retired, and author of *Pastor: The Theology and Practice of Ordained Leadership*

Servants and Fools is a brilliant and essential contribution to any serious study of leadership: Robust, faithful, insightful biblical teaching. A judicious, knowledgeable harvest of the best contributions from leadership theorists and practitioners. Plus humor, in-the-trenches experiences, and practical applications. I cannot imagine ever teaching another class on leadership without assigning and discussing Arthur Boers's book! --David W. Gill, Mockler-Phillips Professor of Workplace Theology

& Ethics, Gordon-Conwell Theological Seminary

In Servants and Fools: A Biblical Theology of Leadership, Arthur Boers deconstructs the contemporary cult of "leadership" and serves up a refreshingly Biblical alternative. It is a great cautionary tale for today's churches, seminaries, and Christian non-profits. At the same time, it offers great insight for secular organizations and leaders as well. --John Suk, author, former editor of *The Banner*, and pastor of Lawrence Park Community Church, Toronto, Canada. One of Hearts & Minds Bookstore's BEST BOOKS OF 2015!

[Biblical Theology](#) InterVarsity Press

The saving mission of Jesus constitutes the foundation for Christian mission, and the Christian gospel is its message. This second edition of a classic NSBT volume emphasizes how the Bible presents a continuing narrative of God's mission, providing a robust historical and chronological backbone to the unfolding of the early Christian mission.

[Invitation to Biblical Theology](#) Cambridge University Press

How did the apostles understand the Old Testament? The New Testament's explicit summaries of the Old Testament story of Israel give readers direct access into the way the earliest Christians did biblical theology. This NSBT volume examines the passages in the Synoptic Gospels, Acts, Paul's letters, and Hebrews which recount the characters, events, and institutions of Israel's story.

This exhaustive theology of missions focuses on theory and biblical mandates for missions as a vital part of theology. George Peters, a foremost missions authority, considers both liberal and

conservative views, although his own stance is solidly evangelical.

A Biblical Theology Kregel Publications

--A comprehensive account of the role and work of the Spirit, covering the entire Bible. --Written by a team of leading evangelical scholars, including world authorities such as Craig Bartholomew, David deSilva, James D. G. Dunn, Walter Kaiser and Max Turner. --Informed by the latest scholarship. --Will become the standard introductory survey on the subject. Written by an international team of leading scholars, this is the first comprehensive exploration of the role and work of the Holy Spirit, as witnessed in both the Old and New Testaments. With contributions by Craig Bartholomew, Gary Burge, David deSilva, James D. G. Dunn, David Firth, Walter Kaiser, Wonsuk Ma, John Christopher Thomas, Max Turner, and Matthias Wenk, among others, this authoritative survey will rapidly establish itself as a standard reference point for scholars and students of all theological persuasions. Any attempt at a "biblical theology" must begin with a careful exegesis of the biblical text. To this end, each contributor addresses the text through a rigorous exegesis of pertinent passages, keeping in mind the genre, canonical contexts, and sweep of redemptive history.

For the Glory of God Baker Academic

Do you know what makes for good preaching? The pastor opens with a funny joke, strings together a series of disconnected Bible verses and clever anecdotes, and then closes with an inspirational quote. But is this the kind of preaching that most glorifies God, honors his Word, and edifies his people? In *Preaching: A Biblical Theology*, pastor Jason Meyer examines the

biblical precedent for preaching in both the Old and New Testaments and offers practical guidance related to the what, how, and why of expository preaching for today. The most comprehensive biblical theology on the topic, this resource will help you identify good preaching and embrace it as a means to encounter—and be transformed by—the living God.

A Biblical Theology of the Family of God Moody Publishers

With this careful, nuanced exegetical volume in the *New Studies in Biblical Theology*, J. Daniel Hays provides a clear theological foundation for life in contemporary multiracial cultures and challenges churches to pursue racial unity in Christ.

A New Testament Biblical Theology InterVarsity Press

Provides a detailed exegetically based study of Biblical theology, showing the canonical basis for later historical, systematic, and dogmatic theologies.

A Biblical Theology of Missions InterVarsity Press

In recent years our knowledge of the individual parts of the Bible has increased greatly, but our understanding of how they fit together has not kept pace. In particular, the relationship between the Old and New Testaments has been a neglected field of study. The latest in IVP's developing family of *New Dictionaries*, the 'New Dictionary of Biblical Theology' is an essential tool for students, preachers and ministers, as well as for scholars and others seeking a better grasp of the Bible's teaching. The aim of this prestigious dictionary is to integrate the various biblical books and themes into the overarching story of the Scriptures. The volume embodies three perspectives on biblical theology, which are reflected in its structure.

Servants and Fools Moody Publishers

Our Divine Parent traces the metaphorical theme of God's burgeoning family that spans the entire Bible. The family of God is a place of being, belonging, and becoming; and relationship with the Triune God as Divine Parent is characteristic of value and dignity, provision and protection, transformation and maturation, purpose and calling. Not merely a series of events relegated to the past, the family of God is an ongoing, present phenomenon--a salvation-relationship into which God invites all peoples to be adopted, redeemed children of God.

Issues, Methods, and Themes Abingdon Press

This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of Brevard Child's lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation. Child's rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments. He refuses to follow the common pattern in Christian thought of identifying biblical theology with the New Testament's interest in the Old. Rather, Child's maps out an approach that reflects on the whole Christian Bible with its two very different voices, each of which retains continuing integrity and is heard on its own terms.

A Biblical Theology of the People of God Crossway

Capitol Hill Baptist Church associate pastor Michael Lawrence contributes to the IXMarks series as he centers on the practical importance of biblical theology to ministry. He begins with an examination of a pastor's tools of the trade: exegesis and biblical and systematic theology. The book distinguishes between the power of narrative in biblical theology and the power of

application in systematic theology, but also emphasizes the importance of their collaboration in ministry. Having laid the foundation for pastoral ministry, Lawrence uses the three tools to build a biblical theology, telling the entire story of the Bible from five different angles. He puts biblical theology to work in four areas: counseling, missions, caring for the poor, and church/state relations. Rich in application and practical insight, this book will equip pastors and church leaders to think, preach, and do ministry through the framework of biblical theology.

A Comparison of Theory and Practice Moody Publishers

The aim of this book is no less than to provide an account of the unfolding of the mind of God in history, through the successive agents of his special revelation. Vos handles this under three main divisions: the Mosaic epoch of revelation, the prophetic epoch of revelation, and the New Testament. Such an historical approach is not meant to supplant the work of the systematic theologian; nevertheless, the Christian gospel is inextricably bound up with history, and the biblical theologian thus seeks to highlight uniqueness of each biblical document in that succession. The rich variety of Scripture is discovered anew as the progressive development of biblical themes is explicated. To read these pages--the fruit of Vos' 39 years of teaching biblical theology at Princeton - is to appreciate the late John Murray's suggestion that Geerhardus Vos was the most incisive exegete in the English-speaking world of the twentieth century.

What Is Biblical Theology? Baker Academic

The Old Testament is not just a collection of disparate stories, each with its own meaning and moral lessons. Rather, it's one cohesive story, tied together by the good news about Israel's

coming Messiah, promised from the beginning. Covering each book in the Old Testament, this volume invites readers to teach the Bible from a Reformed, covenantal, and redemptive-historical perspective. Featuring contributions from twelve respected evangelical scholars, this gospel-centered introduction to the Old Testament will help anyone who teaches or studies Scripture to better see the initial outworking of God's plan to redeem the world through Jesus Christ.

A Biblical Theology of Race Baker Books

Every human experiences some degree of suffering. And, almost none of us know what to do with it. *Between Pain and Grace* is at once a thorough study of this major theme in Scripture AND an accessible window into God's workings in our own lives. The authors address multiple facets of suffering in light of what Scripture says: How does God involve himself in human suffering? What part does Satan play in our suffering? What can we learn from Joseph in the Old Testament? Is there an appropriate response to suffering? An inappropriate one? What about mental

illness, sexual abuse, or betrayal? Moody Bible Institute professors Dr. Gerald Peterman and Dr. Andrew Schmutzer shed much light on the nature of the lives we lead-where we are often caught right between pain and grace.

Between Pain and Grace Inter-Varsity Press

John Goldingay takes the New Testament as a portal into the complete canon of Scripture. Without searching out an overarching unity, he allows Scripture's diversity and tensions to remain, letting Scripture speak to us in its own voice. This landmark biblical theology is hermeneutically dexterous, biblically expansive, and nourishing to mind, soul and proclamation.

The Story of Israel InterVarsity Press

(NSBT) Craig L. Blomberg offers a comprehensive biblical theology of the Christian attitude to poverty, wealth and material possessions.
