Members of a town  
terrorized by a  
monstrous evil search  
for its source in this  
horror novel by the  
Bram Stoker  
Award-winning author  
of Ink. Something evil  
has awakened in the  
town of Pine Deep.

While a local newsman  
tries to piece together  
the gruesome events  
of a long-buried crime,  
others are preparing  
for the return of an  
unstoppable scourge.  
Bodies mutilated  
beyond description,  
innocents driven to  
acts of vicious  
madness—a monstrous  
legacy is preying on  
the living and the  
dead. There are those  
in Pine Deep who are  
not what they seem.

Who are driven by a thirst for blood and revenge. And who are quietly building an army of the undead . . .

Second in the Pine Deep Trilogy Praise for *Ghost Road Blues*

“Maberry supplies plenty of chills, both Earth-bound and otherworldly, in this atmospheric horror novel . . . . This is horror on a grand scale, reminiscent of Stephen King’s heftier works.” —Publishers Weekly Praise for New York Times bestselling Author Jonathan Maberry “Jonathan Maberry’s horror is rich and visceral. It’s close to the heart . . . and close to the jugular.”

—Kevin J. Anderson

“Maberry has the chops to craft stories at once intimate, epic, real, and horrific.”

—Bentley Little

“Maberry spins great stories. His (Pine Deep) vampire novels are unique and masterful.”

—Richard Matheson

“Maberry’s works will be read for many, many years to come.”

27 April 1944. Exercise Tiger. German E-boats intercept rehearsals for the D-Day landings...

On a dark night in 1944, a beautiful stretch of the Devon

coast became the scene of desperate horror. Tales began to leak out of night-time explosions and seaborne activity. This was practice for Exercise Tiger, the main rehearsal for the Utah Beach landings. This fiasco, in which nearly 1,000 soldiers died, was buried by officials until it was almost forgotten. That is, until Ken Small discovered the story, and decided to dedicate the rest of his life to honouring the brave young men who perished in the disastrous exercise. Pulling a Sherman tank from the seabed, Ken created a memorial to those who died and started to share their story, and his, with the world. This updated edition of a bestselling classic is a gripping

tale of wartime disaster and rescue in the words of the soldiers who were there, and of one man's curiosity that turned into a fight to ensure that they would never be forgotten.

Private Peaceful relives the life of Private Tommo Peaceful, a young First World War soldier awaiting the firing squad at dawn. During the night he looks back at his short but joyful past growing up in rural Devon: his exciting first days at school; the accident in the forest that killed his father; his adventures with Molly, the love of his life; and the battles and injustices of war that brought him to the

front line. Winner of the Blue Peter Book of the Year, *Private Peaceful* is by the third Children's Laureate, Michael Morpurgo, award-winning author of *War Horse*. His inspiration came from a visit to Ypres where he was shocked to discover how many young soldiers were court-martialled and shot for cowardice during the First World War. This edition also includes introductory essays by Michael Morpurgo, Associate Director of *Private Peaceful* production Mark Leipacher, as well as an essay from Simon Reade, adaptor & director of this stage adaptation of *Private Peaceful*.

Set in Canada and the  
battlefields of France

and Belgium, *Three-Day Road* is a mesmerizing novel told through the eyes of Niska—a Canadian Oji-Cree woman living off the land who is the last of a line of healers and diviners—and her nephew Xavier. At the urging of his friend Elijah, a Cree boy raised in reserve schools, Xavier joins the war effort. Shipped off to Europe when they are nineteen, the boys are marginalized from the Canadian soldiers not only by their native appearance but also by the fine marksmanship that years of hunting in the bush has taught them. Both become snipers renowned for their uncanny accuracy. But while Xavier struggles to understand the purpose of the war and

to come to terms with his conscience for the many lives he has ended, Elijah becomes obsessed with killing, taking great risks to become the most accomplished sniper in the army. Eventually the harrowing and bloody truth of war takes its toll on the two friends in different, profound ways. Intertwined with this account is the story of Niska, who herself has borne witness to a lifetime of death—the death of her people. In part inspired by the legend of Francis Pegahmagabow, the great Indian sniper of World War I, *Three-Day Road* is an impeccably researched and beautifully written story that offers a searing reminder about the cost of war. *Aspects of Death and*

This beloved book by E. B. White, author of *Stuart Little* and *The Trumpet of the Swan*, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in

rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in Charlotte's Web, high up in Zuckerman's barn. Charlotte's spiderweb tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's Stuart Little and Laura Ingalls Wilder's Little House series, among many other books. Whether

enjoyed in the classroom or for homeschooling or independent reading, Charlotte's Web is a proven favorite.

Now a Major Motion Picture Directed by George Clooney The #1 New York Times bestselling true story about the American rowing triumph of the 1936 Olympics in Berlin—from the author of Facing the Mountain For readers of Unbroken, out of the depths of the Depression comes an irresistible story about beating the odds and finding hope in the most desperate of times—the improbable, intimate account of how nine working-class boys from the American West showed the world at the 1936

Olympics in Berlin what true grit really meant. It was an unlikely quest from the start. With a team composed of the sons of loggers, shipyard workers, and farmers, the University of Washington's eight-oar crew team was never expected to defeat the elite teams of the East Coast and Great Britain, yet they did, going on to shock the world by defeating the German team rowing for Adolf Hitler. The emotional heart of the tale lies with Joe Rantz, a teenager without family or prospects, who rows not only to regain his shattered self-regard but also to find a real place for himself in the world. Drawing on the boys' own journals and vivid memories of a once-in-a-lifetime shared dream, Brown

has created an unforgettable portrait of an era, a celebration of a remarkable achievement, and a chronicle of one extraordinary young man's personal quest.

New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance

athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring Outside magazine to name him "The Fittest (Real) Man in America." In *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their full potential.

This powerful story tells of one man's fight against bigotry,

paralysis, and his war enemy that led to the Medal of Honor. From migrant farm-worker and middle school dropout to recipient of his country's highest award for bravery, Roy Benavidez demonstrated the courage and fortitude of an American hero. The half-Yaqui Indian, half-Mexican orphan fought his way out of the bigotry of South Texas to serve with the Army's elite - the Airborne and the Special Forces. In February 1981, President Reagan awarded him the Medal of Honor.

In the summer of 2012 in the month of June

the Romero comet passed the earth leaving behind a red haze through parts of the world. Some people were concerned that this haze might be harmful but others did not. Soon afterwards there were violent attacks on animals, and humans as well. The bodies found torn apart, people coming into area hospitals with bite wounds and soon falling ill to an unknown infection. But in San Antonio, Texas during an early heat wave the effects of the red haze were more apparent, and the city was no exception on to what was going on though out the world. Soon it was more apparent that the dead was coming back to life and devouring every thing in their path. The

people living and, undead will tell the story on what went on that fateful Wednesday June 13, 2012.

For most of his life, Igor and his family have been on the run. Danger lurks around every corner--or so

he's always been told. . . . When Igor was five, his father witnessed a terrible crime--and ever since, his whole family has been hunted by a foreboding figure bent on revenge, known only as the Lizard Man. They've lived in so many places, with so many identities, that Igor can't even remember his real name. But now he's twelve years old, and he longs for a normal life. He wants to go to school. Make friends. Stop worrying about how long it will be before his father hears someone prowling around their new house and uproots everything yet again. He's even starting to wonder--what if the Lizard Man only exists in his father's frightened mind? Slowly, Igor starts

bending the rules he's lived by all his life--making friends for the first time, testing the boundaries of where he's allowed to go in town. But soon, he begins noticing strange things around them--is it in his imagination?

Or could the Lizard Man be real after all? Iain Lawrence is a winner of Canada's Governor General's Children's Literature Prize and the California Young Reader Medal.

The thrilling combat memoir by special operations sniper Paul Martinez, who spent seven years in Special Operations and was a sniper assigned to 3rd Ranger Battalion.

America has one force with the single mission of direct action to capture or kill the enemy. That force is the 75th Ranger Regiment. Staff Sergeant Paul Martinez was a Ranger Sniper

with the 75th Rangers during the desperate fighting in Afghanistan in 2011 when the United States made the decision to try to withdraw from Afghanistan. It was never going to be easy. There were still a large number of senior Taliban and al Qaeda leaders and other terrorists in secure locations throughout that country. If the United States withdrew from Afghanistan with these terrorists and their networks still intact, they could quickly take over the country and undo all the gains that we made. These terrorists needed to be eliminated, and there was only one force to do it—the Rangers. The mission was to capture or kill as many of these terrorists as possible.

Paul Martinez was one of the deadliest snipers assigned to this unit, dubbed “Team Merrill,” after the Marauders of World War II fame. Martinez and his fellow Rangers faced near-impossible odds taking on an enemy who knew they were coming and who employed every conceivable tactic to kill these Rangers. In *When the Killer Man Comes*, Martinez tells the harrowing true story of how he and his team hunted America's enemies in an operation that would have repercussions that are still felt today. *Andrew Carnegie Speaks to the 1%* HarperCollins Before the 99% occupied Wall Street... Before the concept of social justice had impinged on the social

conscience... Before the social safety net had even been conceived... By the turn of the 20th Century, the era of the robber barons, Andrew Carnegie (1835-1919) had already accumulated a staggeringly large fortune; he was one of the wealthiest people on the globe. He guaranteed his position as one of the wealthiest men ever when he sold his steel business to create the United States Steel Corporation. Following that sale, he spent his last 18 years, he gave away nearly 90% of his fortune to charities, foundations, and universities. His charitable efforts actually started far earlier. At the age of 33, he wrote a memo to himself, noting

..".The amassing of wealth is one of the worse species of idolatry. No idol more debasing than the worship of money." In 1881, he gave a library to his hometown of Dunfermline, Scotland. In 1889, he spelled out his belief that the rich should use their wealth to help enrich society, in an article called "The Gospel of Wealth" this book. Carnegie writes that the best way of dealing with wealth inequality is for the wealthy to redistribute their surplus means in a responsible and thoughtful manner, arguing that surplus wealth produces the greatest net benefit to society when it is administered carefully by the wealthy. He also argues against extravagance, irresponsible spending,

or self-indulgence, instead promoting the administration of capital during one's lifetime toward the cause of reducing the stratification between the rich and poor. Though written more than a century ago, Carnegie's words still ring true today, urging a better, more equitable world through greater social consciousness.

Bloomsbury Publishing  
The New York Times bestselling true account of John Chapman, Medal of Honor recipient and Special Ops Combat Controller, and his heroic one-man stand during the Afghan War, as he sacrificed his life to save the lives of twenty-three comrades-in-arms. In the predawn hours of March 4, 2002, just

below the 10,469-foot peak of a mountain in eastern Afghanistan, a fierce battle raged. Outnumbered by Al Qaeda fighters, Air Force Combat Controller John Chapman and a handful of Navy SEALs struggled to take the summit in a desperate bid to find a lost teammate. Chapman, leading the charge, was gravely wounded in the initial assault. Believing he was dead, his SEAL leader ordered a retreat. Chapman regained consciousness alone, with the enemy closing in on three sides. John Chapman's subsequent display of incredible valor -- first saving the lives of his SEAL teammates and then, knowing he was mortally wounded, single-handedly

engaging two dozen hardened fighters to save the lives of an incoming rescue squad -- posthumously earned him the Medal of Honor. Chapman is the first airman in nearly fifty years to be given the distinction reserved for America's greatest heroes. *Alone at Dawn* is also a behind-the-scenes look at the Air Force Combat Controllers: the world's deadliest and most versatile special operations force, whose members must not only exceed the qualifications of Navy SEAL and Army Delta Force teams but also act with sharp decisiveness and deft precision -- even in the face of life-threatening danger. Drawing from firsthand accounts, classified documents, dramatic video

footage, and extensive interviews with leaders and survivors of the operation, Alone at Dawn is the story of an extraordinary man's brave last stand and the brotherhood that forged him.
