An Introduction to the Woodcut of the Seventeenth Century

The year is 1820. Rider Sandman, a hero of Waterloo, returns to London to wed his fiancée. But instead of settling down to fame and glory, he finds himself

penniless in a country where high unemployment and social unrest rage, and where men—innocent or guilty—are hanged for the merest of crimes. When he's offered a job as private investigator to re-open the case of a painter due to be hanged for a murder he didn't commit, Sandman readily accepts—as much for the money as for a chance to

see justice done in a country gone to ruins. Soon, however, he's mired in a grisly murder plot that keeps thickening. Sandman makes his way through gentlemen's clubs and shady taverns, aristocratic mansions, and fashionable painters' studios determined to rescue the innocent young man from the rope. But someone doesn't want the truth revealed.

The young Redcoat Sam Gilpin has seen his brother die. Now he must choose between duty to a distant king and the call of his own conscience. And for

the men and women of the prosperous Becket family, the Revolution brings bitter conflict between those loyal to the crown and those with dreams of liberty. Soon, across the fields of ice and blood in a place called Valley Forge, history will be rewritten, changing the lives and fortunes of these men and women forever.

small part of the panorama of the epochal Battle of Waterloo. *A Novel*/ Harper Collins The fifth installment of Bernard Cornwell's bestselling Saxon Tales chronicling the epic saga of the making of England, "like Game of Thrones, but real" (The Observer, London)—the basis for The Last Kingdom, the hit television series coming to Netflix in Fall 2016. At the end of the ninth century, King Alfred of Wessex is in ill health; his heir, an untested youth. His enemy, the Danes,

having failed to conquer Wessex, now see their chance for victory. Led by the sword of savage warrior Harald Bloodhair, the Viking hordes attack. But Uhtred, Alfred's reluctant warlord, proves his worth, outwitting Harald and handing the Vikings one of their greatest defeats. For Uhtred, the sweetness of victory is soon overshadowed by tragedy. Breaking with Alfred, he joins the Vikings, swearing never again to serve the Saxon king. Instead, he will

reclaim his ancestral fortress on the Northumbrian coast. Allied with his old friend Ragnar-and his old foe Haesten-he aims to invade and conquer Wessex itself. But fate has different plans . . . In *The Burning Land*, Bernard Cornwell, "the reigning king of historical fiction" (USA Today), delivers a rousing saga of Anglo-Saxon England-an irresistible new chapter in his thrilling *Saxon Tales*, the epic story of the birth of England and the legendary king who made

1356 University of Pennsylvania Press
From New York Times bestselling author Bernard Cornwell, the sequel to *The Archer's Tale* and *Vagabond*—the spellbinding tale of a young man, a fearless archer, who sets out wanting to avenge his family's honor and winds up on a quest for the Holy Grail. Already a seasoned veteran of King Edward's army, young Thomas of Hookton possesses the fearlessness of a born leader and an uncanny prowess with the

longbow. Now, at the head of a small but able band of soldiers, he has been dispatched to capture the castle of Astarac. But more than duty to his liege has brought him to Gascony, home of his forebears and the hated black knight who brutally slew Thomas's father. It is also the last place where the Holy Grail was reported seen. Here, also, a beautiful and innocent, if not pious, woman is to be burned as a heretic. Saving the lady, Genevieve, from her

dread fate will brand Thomas an infidel, forcing them to flee together across a landscape of blood and fire. And what looms ahead is a battle to the death that could ultimately shape the future of Christendom. *Waterloo (#11)* Harper Collins
Bestselling author Bernard Cornwell takes us back four thousand years, to a vibrant world of ritual and sacrifice that is at once timeless and wholly original. This historical novel unlocks the mystery of Britain's most haunting

and puzzling structure, and tells a tale of three brothers—fierce rivals—who are uneasily united in their quest to create a temple to their gods. Lengar, the eldest brother, kills his own father to become chief of his tribe. Camaban, the illegitimate middle brother, is determined to have a massive temple built in his own honor. And Saban, the youngest, who actually builds Stonehenge, must act as mediator between the other two. Stonehenge is the enthrallingly dramatic

story of patricide, betrayal, and murder; of bloody brotherly rivalry; and of the never-ending quest for power, wealth, and spiritual fulfillment. *The Burning Land* Harper Collins
 June 1815: The Duke of Wellington, the Prince of Orange, and Napoleon will meet on the battlefield--and decide the fate of Europe With the emperor Napoleon at its head, an enormous French army is marching toward Brussels. The British and their allies are also converging on Brussels--in preparation

for a grand society ball. It is up to Richard Sharpe to convince the Prince of Orange, the inexperienced commander of Wellington's Dutch troops, to act before it is too late. But Sharpe's warning cannot stop the tide of battle, and the British suffer heavy losses on the road to Waterloo. Wellington has few reserves of men and ammunition; the Prussian army has not arrived; and the French advance wields tremendous firepower and

determination. Victory seems impossible.

A Novel of the Revolutionary War

Penguin

The sixth installment of Bernard Cornwell's New York Times bestselling series chronicling the epic saga of the making of England, "like Game of Thrones, but real" (The Observer, London)—the basis for *The Last Kingdom*, the hit television series. As the ninth century wanes, Alfred the Great lies dying, his lifelong goal of a unified England in peril,

his kingdom on the brink of chaos. Though his son, Edward, has been named his successor, there are other Saxon claimants to the throne—as well as ambitious pagan Vikings to the north. Torn between his vows to Alfred and the desire to reclaim his long-lost ancestral lands in the north, Uhtred, Saxon-born and Viking-raised, remains the king's warrior but has sworn no oath to the crown prince. Now he must make a momentous decision that will forever transform his life and the

course of history: to take up arms—and Alfred's mantle—or lay down his sword and let his liege's dream of a unified kingdom die along with him.

[The King, the Campaign, the Battle](#) Penguin UK Bernard Cornwell, the "master of martial fiction" (Booklist), brings Thomas of Hookton from the popular Grail Quest series into a new adventure in 1356, a thrilling stand-alone novel. On September 19, 1356, a heavily outnumbered English army faced off

against the French in the historic Battle of Poitiers. In 1356, Cornwell resurrects this dramatic and bloody struggle—one that would turn out to be the most decisive and improbable victory of the Hundred Years' War, a clash where the underdog English not only the captured the strategic site of Poitiers, but the French King John II as well. In the vein of Cornwell's bestselling *Agincourt*, 1356 is an action-packed story of danger and conquest, rich with military strategy and

remarkable characters—both villainous and heroic—transporting readers to the front lines of war while painting a vivid picture of courage, treachery, and combat. *Heretic* HarperCollins In muddy waters, even heroes drown Trouble at sea for an ex-war hero ... His father in prison for fraud, his ex-wife bleeding him dry and his spine shattered by a bullet, Falklands war hero Nick Sandman, VC, has no money and no prospects. Only his boat - Sycorax -

Bannister is the owner of Wildtrack, an ocean racer, and he wants Nick to be part of the crew that will sail the ship to victory. Bannister, though, has made some powerful enemies who are out for revenge, leaving Nick caught in the middle. Can
