A Motorcycle Club Romance Frankie Love
 It's all fun and games until someone puts his heart out. After being outed to his hockey team and then changing schools, Jock figures he's due for something good — like the sex he missed out on in the closet. Toby, the hot grad student he meets at a frat party, seems like a great place to start, and their night together is an awesome introduction to the fine art of hooking up. Toby's heart takes a bruising after the near-perfect experience with Jock leads to...nothing. He's been left on the outside as his friends pair up into blissful

coupledness, and he's in danger of never completing (or starting) his thesis. Can't something go right? Then Toby's coerced into chaperoning a Theta Alpha Gamma trip to France. Not that he's complaining. What better place to finish his thesis and get over that frat boy? Except Jock's outing is leaked to the press, turning him into an unwilling gay rights martyr, and he decides France would be a great escape, too. It's a break from reality for both guys, but they soon find their connection is as real as it gets.

CMJ New Music Report Pine Forge Press When the mighty falls in love, don't mess with his woman. Marcas MacArthur was as tough as they come. The former Navy Seal had dedicated his life to lead the elite Columbia SWAT team and had no time for relationships. He had two reasons. Putting his life on the line daily would be too much to ask any woman to deal with, and she would be a distraction. But when the new neighbor next door moved in, she captured his attention. Sarena Rucker was an emergency room nurse who had a thing for men in uniforms. The single sergeant who lived next door made her knees weak. Decked out in his tactical gear, he was the perfect package-sexy, rugged, intense-and he loved to be in charge. One night together and their lives changed forever. Sarena had got under his skin, and Marcas couldn't get enough of her. Everything was perfect until Marcas learned of the target on Sarena's back because of her connection to him. He would do anything to protect her. Will he be able to save her in time, or will he lose the one who gave

him hope for the future?

"Monica Murphy always delivers the swoon-worthy romance that I crave. And Murphy's latest is no exception with this first love, mature young adult novel: *Daring the Bad Boy.*" -Debbie, I Heart YA Books
Annie McFarland is sick of being a shy nobody. A session at summer camp seems like the perfect opportunity to reinvent herself—gain some confidence, kiss a boy, be whoever she wants to be. A few days in, she's already set her sights on über-hottie Kyle. Too bad her fear of water keeps her away from the lake, where Kyle is always hanging out. Jacob Fazio is at Camp Pine Ridge after one too many screw-ups. Junior counseling seems like punishment enough, but the rigid no-fraternizing-with-campers rules harsh his chill. When a night of Truth or Dare gets him roped into teaching Annie how to swim, she begs him to also teach her how to snag Kyle. Late-night swim sessions turn into late-night kissing sessions...but there's more on the line than just their hearts. If they get caught, Jake's headed straight to juvie, but Annie's more than ready to dare him to reveal the truth.

This is a 2-in-1 curvy girl romance bundled set containing two heroes-after-dark standalones—*Hot Alpha Nights* and *Tempted By Trouble*. That means twice the heat, double the OTT alpha intensity, and of course, two happily-ever-after endings with all the feels and all the swoon. Enjoy! Book 1: *HOT ALPHA NIGHTS*
He was never supposed to get that text. That dirty, dirty text. To be fair, I'm actually the dictionary definition of a good

girl...except when I'm thinking about him. And now that he knows how I feel, what I've been hiding from him this entire time, he won't let me hide from it. He certainly won't let me run from it. The thing is, he's been hiding his feelings from me too. And his version of dirty? So much better than mine. AUTHOR'S NOTE: Even by my steamy standards, this one is admittedly super sexy. Lily may technically still have her v-card, but she is far FAR from innocent...and she's definitely met her match in ultra-gruff, panty-meltingly alpha Major Logan (it's always those serious, quiet ones that can shock the hell out of you...in the dirtiest possible ways). Enjoy! Previously published as *Curve Major* (c) 2014, revised throughout with newly added content and an extended ending. Formerly titled *Tempted Past Return*, this is the same steamy story with a fresh cover & title. Enjoy two-for-one SAVINGS with this ****UPDATED 2021 Edition**** that now includes the standalone, *Tempted By Trouble* (now included only in this two-book bundle, no longer available separately). ***** Book 2: *TEMPTED BY TROUBLE*
His bed. His rules. His intense ability to make her come...completely undone. Law student Gina Banks knows that getting in bed--literally--with billionaire Austin Long is just plain trouble. Sure, she's done some dangerous things in the past to fight the good fight, but taking risks is far different from testing her limits. Being with Austin would involve both. Still, the chance to help the families in her hometown is something she just can't turn down. So, she agrees to his terms. Total surrender. Hers. To him. A simple business deal where they both get what they want. The absolute last thing Gina expects is for Austin to end up wanting her to surrender her heart to him, too. AUTHOR'S NOTE: C.M. Wick is my separate pen name for the dark romances in my catalog, as well as the extra dirty ones (and some are both dark & dirty). This is definitely one of the dirtier ones, with just a little alpha dom meets feisty sub action sprinkled in for extra spice. Enjoy! Previously published as *Black Gold 1 & 2*, (c) 2012 & (c) 2014 revised throughout with newly added content and an extended ending. *****

Robin Hemley's childhood made a wedgie of his memory, leaving him sore and embarrassed for over forty years. He was the most pitiful kindergartner, the least spirited summer camper, and dateless for prom. In fact, there's nary an event from his youth that couldn't use improvement. If only he could do them all over a few decades later, with an adult's wisdom, perspective, and giant-like height . . . In the spirit of cult film classics like *Billy Madison* and *Wet Hot American Summer*, in *Do-Over!* Hemley reencounters papier-mâché, revisits his childhood home, and finally attends the prom -- bringing readers the thrill of recapturing a misspent youth and discovering what's most important: simple pleasures, second chances, and the forgotten joys of recess.

Dirty Tactics (Special Weapons & Tactics 1) Sarian Royal

A testament to the valor and

determination of a common soldier On September 17, 1861, twenty-two-year-old Jacob Haas enlisted in the Sheboygan Tigers, a company of German immigrants that became Company A of the Ninth Wisconsin Infantry Regiment. Over the next three years, Haas and his comrades marched thousands of miles and saw service in Arkansas, Kansas, Missouri, and the Indian Territory, including pitched battles at Newtonia, Missouri, and Jenkins' Ferry, Arkansas. Haas describes the war from the perspective of a private soldier and an immigrant as he marches through scorching summers and brutally cold winters to fight in some of the most savage combat in the west. His diary shows us an extraordinary story of the valor and determination of a volunteer soldier. Though his health was ruined by war, Haas voiced no regrets for the price he paid to fight for his adopted country.

Crazy Love (British Rockstar Romance) Little, Brown

According to the law of attraction, women and men can't be friends. Contrary to this myth, my friendship with Coriander Phillips does not rest on unrequited love or unactualized lust. We've been inseparable since the day I pulled one of her pigtails and she punched me in the gut. She's hilarious, fun to hang out with. Together, we're like peanut butter and jelly, spaghetti and meatballs, wings and beer. A match made in heaven. She's the bomb. Did I mention she's smokin' hot? I've checked her out...maybe once or twice. Hey, I'm a guy. Seriously, no awkwardness, no secret yearning for our relationship to escalate beyond the purely platonic. I'm the boy friend-the loyal shoulder she cries on, the dispenser of coffee, sympathy, hugs, advice, and affection with no expectations. Until the invisible line between friends and lovers became blurry. Now I want more. I want her. All I have to do is convince her we can be more than friends. Right? If only it were that easy.

This integrated, comprehensive text/reader is designed to present an accessible, timely, and stimulating introduction to the sociology of gender. It can be used as a text by itself or as a supplement to other materials in courses in Sociology of Gender and Introduction to Women's Studies. Articles have been selected (1) to creatively and clearly explicate what gender is and is not, and what it means to say that gender is socially constructed; (2) to untangle and clarify the intricate ways in which gender is embedded in and defined by other systems of difference and inequality such as race, social class, sexualities, and age; (3) to illustrate the complex variations and dynamics of gender across cultures. By organizing the book around a metaphor-the kaleidoscope--the articles are integrated throughout the text and tied together by text/introductions to each chapter. This makes the book more than a collection of articles; each article fits into the metaphor and its three themes: prisms, patterns, and possibilities.

midlife crisis. I'm starting over, but this time I'm doing it right. Or at least I'm doing what I want. Taking the day off from work to hang out poolside? Yup. Do I leave

My best friend keeps telling me to have a fling and get back out there. But I'm not so sure she meant for me to do it with her son.
