The History of Troilus and Cressida Oxford University Press on Demand

Cressida, a Trojan woman, pledges her love to Troilus, one of King Priam's sons. However, when her father demands her presence in the Greek camp, she quickly switches her affections to Diomedes, the Greek soldier who is sent to escort her.

Rolfe's Shakespeare: Troilus and Cressida Litres

This article is about Shakespeare's play. For the Chaucer poem, see Troilus and Criseyde. For William Walton's opera, see Troilus and Cressida (opera). Troilus and Cressida, Act V, Scene II. 1795 engraving by Luigi Schiavonetti after a painting of 1789 by Angelica Kauffman[1]Troilus and Cressida (/ˈtrɔɪləs...ˈkresɪdə/) is a tragedy by William Shakespeare, believed to have been written in 1602. It was described by Frederick S. Boas as one of Shakespeare's problem plays. The play ends on a very bleak note with the death of the noble Trojan Hector and destruction of the love between Troilus and Cressida. The work has in recent years "stimulated exceptionally lively critical debate".[2]Throughout the play, the tone lurches wildly between bawdy comedy and tragic gloom, and readers and theatre-goers have frequently found it difficult to understand how one is meant to respond to the characters. Several characteristic elements of the play (the most notable being its constant questioning of intrinsic values such as hierarchy, honour, and love) have often been viewed as distinctly "modern", as in the following remarks on the play by author and literary scholar [Measure for Measure ; All's Well that Ends Well ; And, Troilus and Cressida](http://BrightSummaries.com) BrightSummaries.com The story of the Trojan War unfolds from the perspectives of Troilus and Cressida—a Trojan prince and his true love, one of whom is traded to the Greeks as part of a prisoner exchange.

Including The Classic Biography: The Life of William Shakespeare Delphi Classics

Troilus and Cressida is a tragedy by William Shakespeare, believed to have been written in 1602. The play (also described as one of Shakespeare's problem plays) is not a conventional tragedy, since its protagonist (Troilus) does not die. The play ends instead on a very bleak note with the death of the noble Trojan Hector and destruction of the love between Troilus and Cressida. Throughout the play, the tone lurches wildly between bawdy comedy and tragic gloom, and readers and theatre-goers have frequently found it difficult to understand how one is meant to respond to the characters. Includes a biography of the author.

TROILUS & CRESSIDA Bantam Classics

Troilus and Cressida is Shakespeare's "problem" play about the Trojan War. As the opening Chorus tells us, the play begins in the middle of the epic conflict, and counterpoints the drama of battle with the romance of the title characters. Just as Agamemnon and his Greek forces attempt to woo the invincible Achilles to resume fighting on their side, the Trojan go between Pandarus tries to bring together Troilus, a son of King Priam, with his niece, the lovely Cressida. Life of William Shakespeare is a biography of William Shakespeare by the eminent critic Sidney Lee. This book was one of the first major biographies of the Bard of Avon. It was published in 1898, based on the article

contributed to the Dictionary of National Biography. William Shakespeare (1564 – 1616) was an English poet and playwright, widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist. He is often called England's national poet and the "Bard of Avon". His extant works, including some collaborations, consist of about 38 plays, 154 sonnets, two long narrative poems, and a few other verses, the authorship of some of which is uncertain. Sir Sidney Lee (1859 – 1926) was an English biographer and critic. He was a lifelong scholar and enthusiast of Shakespeare. His article on Shakespeare in the fifty-first volume of the Dictionary of National Biography formed the basis of his Life of William Shakespeare. This full-length life is often credited as the first modern biography of the poet.

A revised edition of this intriguing and complex play, updated to cover recent critical thinking and stage history. Troilus and Cressida is a tragedy often labelled a "problem" play because of its apparent blend of genres and its difficult themes. Set in the Trojan Wars it tells a story of doomed love and honour, offering a debased view of human nature in war-time and a stage peopled by generally unsympathetic characters. The revised edition makes an ideal text for study at undergraduate level and above.

Troilus and Cressida, All's Well that Ends Well, Measure for Measure, Timon of Athens Humanities-Ebooks

Cressida has a problem. During the Trojan War, she falls in love with the young Trojan warrior Troilus and eventually sleeps with him. Almost immediately, she is sent to the Greek camp in exchange for an important Trojan prisoner because her father, a Trojan seer who has turned traitor and joined the Greeks, wants her with him. In the Greek camp, one Greek leader kisses her, and then another, and then another. The kisses are supposed to be in greeting, but this is a dangerous situation for a young woman to be in. Will Cressida be true to her vow to be faithful to Troilus? Will Cressida find a male Greek protector? Will Cressida fall in love with a Greek warrior? And is Thersites, a Greek who is deformed in body, also deformed in mind? Or is his cynicism fully and completely justified? Is Cressida the slut Thersites thinks she is?

The Complete Pelican Shakespeare Joe Books Ltd

Professor Hattaway's study places Richard II within the contexts of Shakespeare's life and of the strenuous political debates that were taking place at the end of the reign of Elizabeth I. It offers a commentary upon the unfolding action of the play, stressing possible alternative readings of the text, and noting how directors have made particular decisions about these. It ends with two shorter linked chapters on aspects of the play's critical traditions and on selected stage productions.

Troilus and Cressida Musicaum Books

Troilus and Cressida is perhaps Shakespeare's most philosophical play, and its preoccupation with war, sex, and time has seemed peculiarly relevant since the First World War. Fine productions have demonstrated the play's theatrical power, and critics have explored and illuminated its ideas and its exceptionally complex language. Kenneth Muir, in his introduction, sets the play in its historical context, discusses its odd career in the theatre, examines Shakespeare's handling of his multiple sources, and assesses the contribution of interpretative criticism to a deeper understanding of this sombre examination of a fallen world.

A Tragedy Independently Published

In the seventh year of the Trojan War, a Trojan prince named Troilus falls in love with Cressida, the daughter of a Trojan priest who has defected to the Greek side. Troilus is assisted in his pursuit of

her by Pandarus, Cressida's uncle. Meanwhile, in the Greek camp, the Greek general, Agamemnon, wonders why his commanders seem so downcast and pessimistic. The wise and crafty Ulysses informs him that the army's troubles spring from a lack of respect for authority, brought about by the behavior of Achilles, the greatest Greek warrior, who refuses to fight and instead spends his time sitting in his tent with his comrade (and lover) Patroclus, mocking his superiors. Shortly thereafter, a challenge to single combat arrives from Prince Hector, the greatest Trojan warrior, and Ulysses decides to have Ajax, a headstrong fool, fight Hector instead of Achilles, in the hopes that this snub will wound Achilles's pride and bring him back into the war. In Troy, the sons of King Priam debate whether it is worthwhile to continue the war--or whether they should return Helen to the Greeks and end the struggle. Hector argues for peace, but he is won over by the impassioned Troilus, who wants to continue the struggle. In the Greek camp, Thersites, Ajax's foul-mouthed slave, abuses everyone who crosses his path. His master, meanwhile, has been honored by the commanders over the sulking Achilles, and is to fight Hector the next day. That night, Pandarus brings Troilus and Cressida together, and after they pledge to be forever true to one another, he leads them to a bedchamber to consummate their love. Meanwhile, Cressida's father, the treacherous Trojan priest Calchas, asks the Greek commanders to exchange a Trojan prisoner for his daughter, so that he may be reunited with her. The commanders agree, and the next morning--to Troilus and Cressida's dismay--the trade is made, and a Greek lord named Diomedes leads Cressida away from Troy. That afternoon, Ajax and Hector fight to a draw, and after Hector and Achilles exchange insults, Hector and Troilus feast with the Greeks under a flag of truce. As the camp goes to bed, Ulysses leads Troilus to the tent of Calchas, where the Trojan prince watches from hiding as Cressida agrees to become Diomedes's lover. The next day, in spite of unhappy premonitions from his wife, sister, and his father, Hector takes the field, and a furious and heartbroken Troilus accompanies him. The Trojans drive the Greeks back, but Patroclus is killed, which brings a vengeful Achilles back into the war, finally. Achilles is unable to defeat Hector in single combat, but he later catches him unarmed and, together with a gang of Greek warriors, slaughters him. Achilles then drags Hector's body around the walls of Troy, and the play ends with the Trojan warriors retreating to the city to mourn their fallen hero.

William Shakespeare - The History of Troilus and Cressida Troilus and Cressida

Presents newly revised editions of some of Shakespeare's most popular plays, featuring authoritative text versions of each drama, along with explanatory notes, commentary, and annotations, along with detailed bibliographies, performance histories, filmography, and an introduction to each play's major themes, characters, cultural issues, critical conflicts, and social background.

The Recuyell of the Historyes of Troye Penguin

Unlock the more straightforward side of Troilus and Cressida with this concise and insightful summary and analysis! This engaging summary presents an analysis of Troilus and Cressida by William Shakespeare, which is set during the Trojan War, one of the key episodes in Greek mythology. It traces the progress of the conflict as both sides refuse to back down regardless of the human cost of their obstinacy; meanwhile, the Trojan prince Troilus attempts to woo Cressida, but their initial happiness is soon shattered by her apparent duplicity. With its subversion of the mythological tradition and frequent shifts in tone, Troilus and Cressida is one of the most

philosophical and thought-provoking plays by William Shakespeare, who is widely considered to be one of the most influential writers in the history of the English language.
