PyPISupported Python

versions. Python 2.7 is
the only supported
version in 2.x series.
Python 2.7 support will
be dropped in the end
of 2019. Python 3.x
releases follow Numpy
releases. For example
Python 3.3 is no longer
supported by Numpy
so support for it has
been dropped in
opencv-python, too.
Currently, builds for
following Python
versions are ...opencv-
