Aubrey Drake Graham, also known as Drake, is one of the most talked about hip hop artists today. But, in order to truly understand him, you must first understand where he came from. "Drake: An Unauthorized Biography" explores Drake's upbringing, his television career, and details his breakthrough into the music industry. This first-ever black Canadian Jewish rap star has shown that hard work and dedication can take you anywhere. This unauthorized biography follows Drake's career from his early days as a teenage actor, to his struggles as an independent music artist, and to finally becoming what he always wanted: an internationally known hip hop artist. From family to music to the future, all you need to know about Drake is right here, right now, in the most up to date coverage of his life.

This history takes factual information provided by encyclopedias and other historical documents. Other reference material includes birth certificates, death certificates and census data which support the factual basis of this history. The war records and military history of individuals and their family members were also used in the determination of their contributions to the society in which they lived. Other research material included Wikipedia, Ancetry.com, wikitree.com, genealogy.com family bibles and my many brothers and sisters. Two directions of ancestry history were investigated to gain the most effective approach to the design of this history. First the genealogy of Amye Grenville was traced to her origin of Charlemagne. Her marriage to John Drake VI allowed further investigation into his ancestry. Both were thoroughly pursued with vigor to determine their origins over the last 1300 years. The investigation provided by Earl Drake combined with my efforts has provided this history for your enjoyment.

*The Life of the Celebrated Sir Francis Drake* Palala Press

In 1588, King Philip II of Spain attempted to return England to the Catholic fold by force of naval arms. The Spanish Armada confidently set sail for what became one of the most crushing defeats in history, due in part to the efforts of Sir Francis Drake. During the previous century, Europe had fully emerged from its Dark Ages, and its explorers ventured to all corners of the globe. Inevitably, these new world powers came into conflict with one another over economic, dynastic, and religious issues. In the midst of this upheaval, Francis Drake, who was motivated as much by his intense hatred of Catholic Spain as he was by his devotion to plunder and to his Protestant queen, etched a name for himself in the annals of naval history. Drake was born a commoner, but his exploits of raiding the Spanish Main elevated him to the nobility and the councils of Queen Elizabeth. Drake was a hero to the English people, but his superiors and rivals often considered him little more than a common pirate. Wade Dudley's penetrating look at this complex man serves as an introduction to Drake's life and provides a concise account of the religious and dynastic disputes that would affect Europe for the next three centuries.

**Darker Than the Deepest Sea** Fame Life Bios

'An exquisite portrait' MOJO 'A riveting account of the golden-boy genius' EVENING STANDARD Nick Drake was barely twenty-six years old when he died in 1974, but in his short lifetime he recorded three albums that are now recognised as classics: Five Leaves Left, Bryter Later and Pink Moon. Several decades after his death, he has amassed a huge following; his haunting songs cast a pervasive influence over the contemporary music scene, and many of today's most successful songwriters cite him as a major inspiration. In this unrivalled biography, Patrick Humphries offers real insight into the man behind the legend, through extensive interviews with family, friends and the musicians who knew and worked alongside him. This portrait of Nick Drake is an essential and uniquely personal account of his life and career. 'A rich, moving account of a troubled spirit, a mature biography of a briefly flickering talent unable to come to terms with the adult world ... The writing is zestful and intelligent and the text illuminating ... A literary memorial fit to stand alongside the songs' UNCUT

Nick Drake Wentworth Press

The authoritative biography of British explorer Sir Francis Drake, from the bestselling author of *The Great Siege*. Long considered one of the great heroes of British history, Sir Francis Drake was a brilliant navigator, intrepid explorer, and fearsome warrior in Queen Elizabeth's Royal Navy. He was also a pirate and profiteer who made a small fortune trading slaves. In this compelling biography, Ernle Brandford offers an unvarnished and finely detailed portrait of this complex and influential man. Born to impoverished parents in Devon, Drake rose to power by his own efforts. In his most famous expedition, he sailed around South America through the Strait of Magellan, opening new trade routes for Great Britain. Continuing across the Pacific and around the tip of Africa, he became the first Englishman to sail around the world. Drake also played a key role in the defeat of the Spanish Armada when England was threatened with invasion in 1588. Vastly outnumbered, he led raids into Spanish ports, destroying dozens of ships. But while tales of his exploits have been told for generations, few authors have approached the story of his life with as much depth, authority, and honesty as Bradford.

A Biographical Notice of Daniel Drake, M.D., of Cincinnati BoD - Books on Demand

Excerpt from *Daniel Drake and His Followers: Historical and Biographical Sketches* For valuable assistance in obtaining material, I am indebted to Mr. Albert H. Morrill, of Cincinnati, a great-grandson of Daniel Drake, and to many members of the profession, particularly Dr. Frederick P. Henry, Honorary Librarian of the College of Physicians (Philadelphia) Dr. A. G. Drury, Dr. P. S. Conner, Dr. Wm. H. Taylor, Dr. Edwin Landy, Dr. H. W. Felter, Dr. S. R. Geiser, Dr. R. C. Stockton Reed, Dr. E. S. Mckee, Dr. H. Dieckmeyer and Dr. Thos. C. Minor, of Cincinnati. Acknowledgments are due Mr. P. Alfred Marchand, of the Cincinnati Hospital Library, and Misses Laura Smith and K. W. Sherwood, of the Cincinnati Public Library, for their courtesy and never-failing readiness to help in research work; also the Hon. M. P. Wilson for valuable aid in securing material. I regret my inability to mention all those who are entitled to some expression of my gratitude in return for assistance rendered and encouragement given. That some attempts were made to impede the progress of the work, was not altogether unexpected. Some of the persons, things, events and situations of the recent past have not sufficiently receded into the mist of the distant past to have entirely lost the glow of life or to have assumed the placid garb of historical disinterestedness. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Memoirs of the Life and Services of Daniel Drake, M.D Wentworth Press

His scam was as simple as it was brazen. Before and during the Great Depression, Oscar Hartzell persuaded tens of thousands of Midwesterners to part with millions of dollars to start a legal fund that would see the mythical fortune of Sir Francis Drake restored to his rightful heir. In return for their contributions, donors would get shares in the riches, estimated to be worth \$100 billion. The money of course went in the pocket of Hartzell, who transformed himself into a hedonistic English aristocrat even as the folks back home continued to see him as a hero. As he recounts this amazing tale, Richard Rayner tells the larger history of cons in America. We have always had a soft spot for the crafty or larger-than-life swindler, and with Drake's Fortune, Rayner offers a delightful portrait of a uniquely American character.

Memoirs of the Life and Services of Daniel Drake, M. D A&C Black

The first biography of superstar rapper Drake. At a time when album sales were plummeting, Drake's 2010 debut album, *Thank Me Later*, went platinum, hit number one on the Billboard 200 chart, and spawned numerous Top 10 hits including *Over*, *Best I Ever Had*, and *Find Your Love*. His sophomore release, *Take Care*, also debuted at number one on the Billboard 200 chart, went platinum, and has been downloaded at a record pace. In *Far From Over*, award-winning writer and hip hop expert Dalton Higgins examines the life of Aubrey Drake Graham, whose path to superstardom has been anything but typical. Raised in Toronto's upscale Forest Hill neighbourhood by his Jewish mother, the multi-talented entertainer first made a name for himself as an actor on the popular teen drama "Degrassi: The Next Generation" before becoming one of the world's most successful rappers. Featuring original interviews, *Far From Over* reveals the life story of a musician and actor whose star will only continue to rise.

Drake & the Elizabethan Explorers Wentworth Press

When Nick Drake (1948-1974) died of a drug overdose at twenty-six, he left behind three modest-selling albums, including the stark *Pink Moon* and the lush *Bryter Layter*. Three decades later, he is recognized as one of the true geniuses of English acoustic music. Yet Nick Drake--whose music was as gentle and melancholy as the man himself--has always maintained a spectral presence in popular music. This groundbreaking biography reconstructs a vanished life while perfectly capturing the bohemian scenes surrounding the music business in London in the late '60s and early '70s. Using many newly discovered documents and all-new interviews, Trevor Dann reveals more detail on Nick Drake than ever, from his upbringing in a quintessentially English village, through his hash-fueled school days at Cambridge University, to the missed opportunities and mismanagement that defined his career. Friends and colleagues describe the difficulties that he faced as each new album was released, only to fail, and the insidious despair that consumed him. Complete with discography and rare photos, *Darker Than the Deepest Sea* is essential reading for anyone who has been moved by Nick Drake's unforgettable blend of beauty and sadness.

Memoirs of the life and services of Daniel Drake, M.D. Da Capo Press

Experience the definitive biography of one of the greatest singer-songwriters of the twentieth century with this eye-opening book featuring a foreword by Gabrielle Drake and over 75 photos, many rare or previously unseen. In 1968, Nick Drake had everything to live for. The product of a loving, creative family and a privileged background, he was not only a handsome and popular Cambridge undergraduate, but also a new signing to the UK's hippest record label, Island. Three years later, however—having made three well reviewed but low-selling albums—Nick had been overwhelmed by a mysterious mental illness. He returned to live in his family home in rural Warwickshire in 1971, and died in obscurity in 1974, aged just 26. In the decades since, Nick has become the subject of ever-growing fascination and speculation. Combined sales of his records now stand in the millions, his songs are frequently heard on TV and in films, and he has become one of the most widely known and admired singer-songwriters of his generation. *Nick Drake: The Life* is the only biography of Nick to be written with the blessing and involvement of his sister and estate. Drawing on copious original research and new interviews with his family, friends, and musical collaborators, as well as deeply personal archive material unavailable to previous writers—including his father's diaries, his essays, and private correspondence—this is the most comprehensive and authoritative account possible of Nick's short and enigmatic life.
