“Full of
wonderful
treasures
offered by a
unique and
spirited father
. . . written
with serene
grace: part
memoir, part
love story, all

s McBride,
author of *The
Color of Water*
In 2005, Dana
Canedy’s
fiancé, First
Sergeant
Charles
Monroe King,
began to write
what would
become a two-
hundred-page

journal for his
son in case he
did not make
it home from
the war in
Iraq. He was
killed by a
roadside
bomb on
October 14,
2006. His son,
Jordan, was
seven months
old. Inspired
by his
example,
Dana was
determined to
preserve his
memory for
their son. *A
Journal for
Jordan* is a
mother’s
fiercely honest
letter to her
child about
the parent he
lost before he

could even speak. It is also a father's advice and prayers for the son he will never know. A father figure to the soldiers under his command, Charles moved naturally into writing to his son. In neat block letters, he counseled him on everything from how to withstand disappointment and deal with adversaries to how to behave on a date. And he also wrote of recovering a young

soldier's body, piece by piece, from a tank—and the importance of honoring that young man's life. He finished the journal two months before his death while home on a two-week leave, so intoxicated with love for his infant son that he barely slept. This is also the story of Dana and Charles together—two seemingly mismatched souls who loved each other deeply and lost each other too soon. A

Journal for Jordan is a tender introduction, a loving goodbye, a reporter's inquiry into her soldier's life, and a heartrending reminder of the human cost of war.

Adams Media Adorn the lines of this classic cautionary tale with fresh insights of your own. Published in 1890, *The Picture of Dorian Gray* is Oscar Wilde's only novel, and at first, it was considered too

salacious to publish. In this story of greed, sin, and arrogance, a young, handsome man makes a devil's bargain to have his portrait age instead of his body. A cautionary tale of innocence sacrificed for the sake of vanity, *The Picture of Dorian Gray* is a time-honored story that remains relevant today. In *A Novel Journal: The Picture of Dorian Gray*, the famously insightful novel serves

as the lines of this journal in tiny type. With this journal in hand, writers can rest assured that the pages are graced with greatness and write with abandon, whether they use Wilde's words as inspiration for their own unique stories or simply enjoy the reminder of his classic each time they sit down to write. Packaged with a deluxe Svepa cover, brilliant endpapers, colored edges, and matching

elastic band to close pages tight, this book is a great gift or collectible for admirers of Wilde's work. And the compact size makes this journal easy to slip into a purse, briefcase, or backpack so you can record and revisit your thoughts on the go.

"Surely his most interesting, plausibly his most

memorable, and . . . arguably his best book" —The New York Times Book Review For John Steinbeck, who hated the telephone, letter-writing was a preparation for work and a natural way for him to communicate his thoughts on people he liked and hated; on marriage, women, and children; on the condition of the world; and on his progress in learning his craft. Opening with letters

written during Steinbeck's early years in California, and closing with a 1968 note written in Sag Harbor, New York, Steinbeck: A Life in Letters reveals the inner thoughts and rough character of this American author as nothing else has and as nothing else ever will. "The reader will discover as much about the making of a writer and the creative process, as he will about Steinbeck. And that's a lot." —Los

Angeles Herald-Examiner "A rewarding book of enduring interest, this becomes a major part of the Steinbeck canon." —The Wall Street Journal

Each working day from January 29 to November 1, 1951, John Steinbeck warmed up to the work of writing East of Eden with a letter to the late Pascal Covici, his friend and editor at The Viking Press. It was his way, he said, of "getting my mental arm in shape to pitch a good game." Steinbeck's letters were written on the left-hand

pages of a notebook in which the facing pages would be filled with the text of East of Eden. They touched on many subjects—story arguments, trial flights of workmanship, concern for his sons. Part autobiography, part writer's workshop, these letters offer an illuminating perspective on Steinbeck's creative process, and a fascinating glimpse of Steinbeck, the private man.
