Director Shion Sono's loose adaptation of the Japanese manga of the same name, follows two teenagers' attempts to survive the aftermath of Japan's 2011 tsunami. Abandoned by his mother, 14-year-old Sumida (Shota Sometani) lives in a boathouse beside a lake and dreams of living a normal life free from his father (Ken Mitsuishi)'s casual beatings. Sharing his dreams of normality is his classmate Chazawa (Fumi Nikaidô), who has a crush on Sumida, even though her feelings are not reciprocated. As the pair try to come to terms with their seemingly bleak futures, events come to a head when Sumida's father taunts him to excess, resulting in a fatally violent altercation. With his dreams now dashed, but eager to make amends to society for his actions, Sumida takes to the streets as a self-styled vigilante, dispensing 'justice' with the aid of a kitchen knife.

The Book of the Home Open Road Media

DAWN OF THE APOCALYPSE gathers the pinnacle of speculative fiction to explore end times across diverse landscapes, from the desolate to the dystopian. It stitches a rich tapestry of literary approaches, ranging from the classic gothic horror of Edgar Allan Poe to the socio-political dystopias envisioned by Ayn Rand and H.G. Wells, and the unique utopian perspective of Edward Bellamy. The anthology thrives on its variety, not just in the cataclysmic events it portrays but also in the myriad ways these events are perceived and interpreted by its characters. Key pieces within this collection stand as milestones in the science fiction genre, framing apocalyptic and post-apocalyptic narratives as lenses through which we critique and comprehend contemporary societal fears. The authors, both pioneers, and craftsmen of their time, come from a broad spectrum of backgrounds, each contributing to the anthology's overarching theme with their unique flavor of apocalypse. These writers are not just storytellers but visionaries who collectively paint a multifaceted picture of humanity at the brink. They belonged to and were influenced by a range of historical, cultural, and literary

movements, from the romanticism and transcendentalism of the 19th century to the early 20th century's modernism and the budding science fiction genre. Their combined works offer a historical capsule of societal anxieties and hopes, reflecting on themes of human resilience, the abuse of technology, and the moral dilemmas of progress. DAWN OF THE APOCALYPSE is an essential collection for readers eager to dive into the depths of human imagination faced with its own end. It offers an unparalleled opportunity to traverse the vast landscapes of apocalyptic fiction through the eyes of some of the most influential authors in literary history. This anthology not only serves as an academic goldmine for those studying the evolution of speculative fiction and its impact on society but also provides a timeless reflection on humanity's perennial concerns with its own survival and legacy. Readers are invited to witness the end of worlds not just as an exercise in literary exploration but as a mirror to our collective psyche across generations.

A flash flood in the Arizona desert brings Nastas, a lone Navajo brave, into the national spotlight. His heroic efforts to save a young girl trapped in the melee leave him wounded, and Spirits lead him to an oasis cultivated by Keane, a white-man-turned-shaman whose place in the Navajo tribe is becoming increasingly important. Meanwhile, Keane's brother, Archer, encounters a series of mysterious figures and events in Ireland, where he is spending a semester at Trinity College. Both brothers are unaware that they are inextricably linked as the reincarnated Little War Gods of Navajo legend, and that dark forces in a rogue Christian sect (led by the fundamentalist seductress, Sibella) and the Navajo Spirit world are determined to harness the Gods for their own ends. Each player is eventually led to Black Rock - the sacred point of contact between the old world and the new - where both sides are confronted with a third, terrifying force. In a step beyond the typical "good versus evil" construct, Little Red War Gods explores the more potent conflict between "good versus good"; when both sides of a holy war are fighting in the name of their own gods, who will resort to evil ends in order to champion what's "right"?

Welcome to the world of Sublin. This is the fifth and final book of the fantasy series. Six years have passed since the events of the last part of Awake. Nate is broken and dejected. The undertaking

of his quest proved too much for him, and any glimmer of hope he might have had, disappeared. Existing only as a shell of his former self, he stands to take on his final underground fight to the death. It was then a familiar face appears and Nate is once again drawn back into the last final stand against the Creators. Old friends and new heroes join forces to stand together and end the enduring threat. It will be a journey that will take them through all three worlds and beyond. New places will be discovered, new nemeses battled, and there's no place left to hide. It's now or never ... to win or lose.

Amazing Stories Virtualbookworm Publishing

SF UNIVERSE - The Ultimate Collection stands as a monumental anthology, embracing a vast array of themes such as exploration, the human condition, and the endless possibilities of science and technology. It unites a remarkable spectrum of literary styles, from the pioneering works of Mary Shelley and H.G. Wells to the modern musings of Philip K. Dick and Kurt Vonnegut. Within its pages, readers will find a rich tapestry of speculative thought, ranging from the utopian visions of Edward Bellamy to the dystopian warnings of Ayn Rand, showcasing the evolution of the genre and its profound impact on contemporary literature.

Notably, the collection doesnt shy away from the obscure or the avant-garde, offering pieces that have defined and expanded the boundaries of the science fiction genre. The authors represented in this anthology come from diverse backgrounds, each contributing their unique voice to the grand choir of speculative fiction. From the scientific romances of Jules Verne to the cosmic adventures of E. E. 'Doc' Smith, the collection spans over two

centuries of literary history, embodying key cultural and literary movements such as Romanticism, Modernism, and the Golden Age of Science Fiction. These authors, many of whom were pioneers in their own right, have collectively influenced generations and helped to shape the trajectory of science fiction as a serious literary endeavor, making it a reflective mirror of humanity's greatest hopes, fears, and philosophical inquiries. SF UNIVERSE - The Ultimate Collection is an indispensable treasure trove for enthusiasts and scholars alike, presenting a unique opportunity to explore the myriad worlds of science fiction. Readers are invited to embark on a journey through time and space, to engage with the works of giants upon whose shoulders the genre stands. This anthology does not merely offer stories; it provides a panoramic vista of humanity's greatest imaginative achievements, encouraging a deeper understanding of our sociopolitical landscapes and the human psyche. Whether a long-standing aficionado or a curious newcomer to the genre, this collection promises to enlighten, entertain, and inspire, making it an essential addition to any literary library.

SCI-FI Boxed Set: 18 Fantastic Adventures Books, Lost World Stories & Science Fiction Novels Dafina Books

The 'Sci-Fi Boxed Set: 160+ Space Adventures, Lost Worlds, Dystopian Novels & Apocalyptic Tales' represents an unparalleled amalgamation of literary brilliance spanning several centuries, embracing a myriad of voices that have shaped the science fiction genre. With works ranging from the pioneering speculative visions of Mary Shelley and H.G. Wells to the complex dystopias of Ayn Rand and Kurt Vonnegut, this collection showcases a breathtaking diversity in storytelling and thematic exploration. The assemblage stands out for its incorporation of early sci-fi novellas that paved the way for modern science fiction, alongside seminal apocalyptic narratives that question the very essence of humanity and our place in the universe. Standout pieces delve into uncharted galaxies, unravel dystopian societies, and craft tales of lost worlds with an imaginative fervor that continues to inspire and challenge the literary canon. The contributing authors and editors, drawn from various epochs and cultures, bring with them a rich tapestry of backgrounds, each contributing uniquely to the tapestry of science fiction. Icons like Edgar Allan Poe and Philip K. Dick are presented alongside lesser-known but equally influential figures such as Rokeya Sakhawat Hossain and Gertrude Barrows Bennett,

offering insights into the genre's evolution and its intersections with historical, cultural, and literary movements. This diverse authorship ensures a multifaceted exploration of themes such as colonialism, technological innovation, and existential risk, presenting a comprehensive narrative of humanity's hopes, fears, and philosophical inquiries. This collection is an indispensable treasure trove for anyone seeking to delve into the depths of science fiction, offering an unprecedented opportunity to engage with the genre's evolution from its inception to contemporary times. Readers are invited to embark on a journey through time and space, exploring the farthest reaches of human imagination and the myriad ways in which these visions of the future reflect our current realities. The 'Sci-Fi Boxed Set' is not merely a compilation of stories; it is a dialogue between generations of storytellers, a scholarly expedition into the heart of speculative fiction, and a compelling invitation to ponder what lies beyond the known universe.

Their Agency Fathers Xlibris Corporation

Beyond the Chestnut Trees, is a haunting and deeply personal memoir by Maria Bauer, who escaped Hitler's invasion of Prague. After 40 years in exile, Bauer makes an unforgettable journey back to her homeland, searching for lost friends and lost loves, and finds the spirit of her beloved city forever changed. Through flashbacks, Bauer weaves the tale of her idyllic childhood, where she spent her summers at her family castle, with her harrowing flight through Europe on the last train leaving Nazi-occupied France. She paints a stirring picture of Prague, wistfully recalling the magical and mystical city of her youth. "I didn't want to write about Prague's sufferings under two occupations nor about its heroes and martyrs," Bauer said. "Many books and movies have recorded them for posterity. But there is more to the story of a city than historical upheavals. Each city has its inner life; and Prague, in the era between the two world wars, had its unique character and a mysterious atmosphere that deeply affected those who grew up amidst its old stones." This updated edition of *Beyond the Chestnut Trees* includes a foreword by critically-acclaimed author, Gail Godwin, as well as dozens of compelling photographs from Bauer's family albums that powerfully reinvigorate her intimate memoir. With the release of this new digital edition, Bauer hopes that, "perhaps, the events that I have described might once again feel more immediate and intimate to

my great grandchildren and their generation – and that our tragic and healing experiences will not be forgotten, but will continue to live on in their memories.”

Routledge

Every 25,000 years - the earth passes through the galactic plane - with a cycle of death and rebirth. The next time this will happen will be on December 21, 2012. Come to know the five benevolent gods and their creations - and - the coming of the sixth - who is far from benevolent. This is a magical journey of births - deaths

and rebirths - resplendent with - Mythical Beings possessing all too human frailties. Experience the Reality behind the Mirror - and - ask yourself: "Are we but a mere reflection of some greater reality?" The first of a planned trilogy - this is indeed a journey not to forget.

Green-Eyed Lady DigiCat

Guests at a New Orleans party face a mysterious and deadly host in the widely suspected inspiration for Agatha Christie's *And Then There Were None*. When eight guests arrive for a party at a luxurious New Orleans penthouse, their unknown host is nowhere to be found. Then, speaking to them through radio broadcast, he

informs them of the evening's chilling theme: every hour, one of them will die. As the host's prophecy comes horribly true, the dwindling band of survivors grows desperate to escape their fate. To discover their tormentor's identity, they must each reveal their darkest secrets and find the common thread—but confessions may not be enough when they realize that one of them may be the killer. First published in 1930, this classic mystery was adapted into the Hollywood film, *The Ninth Guest*. It bears a striking resemblance to Agatha Christie's bestseller *And Then There Were None*—which appeared nearly a decade later.
