We all long for freedom from anxiety, worry, and fear. We long to be free from sin and free to love others completely as God loves us. And yet we are shackled by insecurity, prone to selfishness, and wary of letting down our guard. That's not the life God designed for his followers. When his enslaved people cry out to him for freedom, he hears--and responds. Now pastor Rick McKinley shows how the true freedom we all long for--the freedom we see as God delivers his people in the Scriptures--is always in the form of relationship with God rather than our popular notion of complete independence. He calls readers to look to the Father, Son, and Spirit for the model of perfect, self-giving freedom, and shows how that kind of freedom can transform us into people who live fully, love boldly, and fear nothing.

Towards a First-century Understanding of the Intertextual Relationship Between Psalm 22 and the Narrative of Mark's Gospel Baker Books

The cry of Jesus on the cross described in the gospels of Mark and Matthew was a wail of pain and abandonment. Many Christians have been scandalized by it. On one hand it is an expression of the humanity of Jesus, while at the same time it links him with his Jewish heritage and the rich imagery of the psalms. Italian theologian Gerard Rosse has examined the many meanings of Jesus' cry. He first considers the historical question -

whether these were truly the words of Jesus. If we assume that they are, what do the words mean? Was it merely a cry of despair, or does it reveal something of the relationship between Jesus and the One called Abba? Theologically, what light does it cast on the inner life of the Trinity? Rosse also considers the reality of abandonment in the world today and what the outcry of Jesus reveals about our solidarity with all abandoned people.

Focused around the lectionary readings from the Gospel, "The Cry of the Earth and the Cry of the Poor" suggests that far from being a Gospel which sits at a safe remove from every day life, it can in fact be preached as an urgent call to hear the voices of the oppressed in our world.

Rachel's Cry NavPress

"To stand at the foot of the cross is to witness the purpose for which God created the world." The cross is a wonder unfathomable. Time cannot contain its reach. No heart can endure its weight. And yet it is the center of everything. It cannot be passed over. Pastor and author Erwin W. Lutzer believes that the better we grasp what the cross meant to Christ, the better we grasp what it should mean to us. To do this, Lutzer examines Jesus' cries from the cross. Search with him and see how God's love and justice meet. Know the weight of sin and the power of redemption. Look upon Jesus in His weakness, obedience, sorrow, and compassion. Let the scandal of the cross give you pause. The cross deserves our attention. Journey forth into the heart of Jesus, that your own heart may be shaped to His.

The dying cry of Jesus as recorded in Mark's Gospel, "My God, my God, why have you forsaken me?", has puzzled and inspired Christian thinkers and preachers through the ages. In the past it has raised questions about the historicity of the events of the cross, the identity of Jesus, and the meaning of atonement. In our present day, this cry has taken a central place in grappling with the problems of human suffering and in exploring the idea of the suffering of God. In this book Anthony Clarke brings together a careful exegesis of the Gospel text with a study of the way it has been used by four modern theologians: Jurgen Moltmann, Dorothee Solle, Eberhard Jungel and Hans Urs Von Balthasar. This leads him to conclusions about the vulnerability and justice of God which began to meet the challenge of doing theology after the Holocaust. He also draws practical implications about hope for both the Godless and the Godforsaken. Throughout, he shows the way that biblical study, theological think

From Genesis to Revelation, the Bible proclaims justice and abundance for the poor. Yet these powerful passages about poverty are frequently overlooked and misinterpreted. Enter the Poor People's Campaign, a movement against racism, poverty, ecological devastation, militarism, and religious nationalism. In *We Cry Justice*, Liz Theoharis, co-chair of the campaign, is joined by pastors, community organizers, scholars, low-wage workers, lay leaders, and people in poverty to interpret sacred stories about the poor seeking healing, equity, and freedom. In a world roiled by poverty and injustice, Scripture still speaks. Organized into fifty-two chapters, each focusing on a key Scripture passage, *We Cry Justice* offers comfort and challenge from the many stories of the poor taking action together. Read anew the story of the exodus that frees people from debt and slavery, the prophets who denounce the rich and ruling classes, the stories of Jesus's healing and parables about fair wages, and the early church's sharing of goods. Reflection questions and a short prayer at the end of each chapter offer the opportunity to use the book devotionally through a year. The Bible cries for justice, and we do too. It's time to act on God's persistent call to repair the breach and fight poverty, not the poor.

Jesus: His Story in Stone is a reflection on still-existing stone objects that Jesus would have known, seen, or even touched. Each of the seventy short chapters is accompanied by a photograph taken on location in Israel. Arranged chronologically, the one-page meditations compose a portrait of Christ as seen through the significant stones in His life, from the cave where He was born to the rock of Calvary. While packed with historical and archaeological detail, the book's main thrust is devotional, leading the reader both spiritually and physically closer to Jesus.

James Maloney's start in life was rooted in abuse, rejection, and fear. As a teenager, facing thoughts of suicide, he cried out to God, "If You're real, You're going to have to reveal Yourself to me." Jesus Christ appeared to James in a cloud of glory and told him, "I have heard your cry for acceptance. I have heard your cry for reality, and I love you just the way you are." Like many others in this world, James suffered under severe wounds of rejection stemming from physical and emotional abuse as a child. He labored under fear and isolation. Even so, his moving testimony shows Jesus as the Great Physician—one who can uproot any issue and touch any person and make them whole, no matter how wounded they may be. *The Wounded Cry* is a dynamic, true story of one young man's search for acceptance and love, and how a touch from God can turn any horrible situation into a praise report of His glory.
