A Sweeping Standalone from New York Times Bestseller Pepper Winters. “Things you should know about me from the very beginning: I was born to true love, witnessed the destruction it causes, and vowed never to let such agony happen to

me. I am not a story-teller like my father. I am not a writer like my mother. I am just a son—their son. I am happy being alone. And that is all I ever want to be.” JACOB
The day he was born, Jacob learned his hardest and longest lesson. It wasn't a lesson a boy should learn so young, but from his earliest memories he knew where happiness lives, so does tragedy. Where love exists, so does heartbreak. And where hope resides, so does sorrow. That lesson carved him from the kid to the teen to the

man. And nothing and no one could change his mind. HOPE I first met him when he was fourteen at a movie premiere of all places. A movie based on his parent's life. He was stoic, strong, suspicious, and secretive. I was only ten, but I felt something for him. A strange kind of heartbreak that made me want to hug and heal him. I was the daughter of the actor hired to play his father. We shared similarities. I recognised parts of him because they were parts of me. But no

matter how many times we met. No matter how many times I tried. He stayed true to his vow to never fall. 5 Stars The Son & His Hope will ruin you in the best possible way. -- The Romance Rebels 5 Stars You need to experience this amazing, powerful, once in a lifetime series. --Heather, Goodreads 5 Stars Epicly beautiful and unforgettable. This story is beyond anything you'll ever read. - -Melissa, Goodreads

Temptation Liliana Scuderi has been in love with Romero from the moment she first saw him. After her sisters were married off for tactical reasons, she hopes she might be allowed to choose a husband for herself, but when her father promises her to a man more than twice her age that hope is crushed. No begging can make him change his mind. Romero has always ignored Lily's flirting. Her age and status made her off-limits but even someone as dutiful as him has only so much control. Lily suspects her sisters and Romero would risk everything for her, but is her happiness worth that much? Is love worth a war between the Cosa Nostra and the Outfit? Bound By Temptation I'll Protect Her... Whether She Likes It Or

To most people, princes, princesses, counts and dukes are found only in the pages of the most famous of fairytales. Crowns, priceless jewels and gilded thrones belong only in childhood dreams. But for some, these frivolous fancies are truth. For some, they are real life. On Manhattan's Upper East Side, people have always treated me as someone special. All because of my ancestral name and legacy. All because of a connection I share to our home country's most important family of all. I am Caresa Acardi, the Duchessa di Parma. A blue blood of Italy. I was born to marry well. And now the marriage date is set. I am to marry into House Savona. The family that

would have been the royals had Italy not abolished the monarchy in 1946. But to the aristocrats of my home, the abolition means nothing at all. The Savonas still hold power where it counts most. In our tight-knit world of money, status and masked balls, they are everything and more. And I am soon to become one of them. I am soon to become Prince Zeno Savona's wife..... or at least I was, until I met Achille. And everything changed.

A fortune teller once told Mila she'd find a man who would take her breath away. She refrained from telling her it would be literally while Mila ran for her life. She boards a plane to Moscow. She never expected to fall for a man on the way. One with unexplained wealth, tattoos on his hands, and secrets in his eyes. But it doesn't take long for his caress to become a rough grasp muffling her screams. Revenge is a dish best served cold. Unfortunately, a Russian winter is the coldest of them all, and Mila soon learns the only way to escape intact is to do the impossible and thaw her captor's heart.
