Noah, Megan, Richie, and Ella are the Action Scouts; friends whose tree house overlooks the Clarksville City Zoo. When they discover a magical world hidden within the zoo, they are swept away on an adventure in which penguins can fly, a mysterious figure lurks in the shadows, and the scouts are enlisted to help

Mr. Darby, who is in charge of the Secret Zoo. But will the scouts be able to fight against the dangerous sasquatches who have escaped the zoo and threaten their town? There's only one way to find out if the four friends training as Crossers can help save the Secret Zoo.

I Am Theodore Roosevelt Harper Collins

With World War II raging and his father fighting overseas in Europe, eleven-year-old Hobie Hanson is determined to do his part to help his family and his country, even if it means giving up his beloved German shepherd, Duke. Hoping to help end the war and bring his dad home faster, Hobie decides to donate Duke to Dogs for Defense, an organization that urges Americans to "loan" their pets to the military to act as sentries, mine sniffers, and patrol dogs. Hobie immediately regrets his decision and tries

everything he can to get Duke back, even jeopardizing his friendship with the new boy at school. But when his father is taken prisoner by the Germans, Hobie realizes he must let Duke go and reach deep within himself to be brave. Will Hobie ever see Duke, or his father, again? With powerful storytelling and gripping emotion, critically acclaimed author Kirby Larson explores the many ways bravery and love help us to weather the most difficult times.

Leven Thumps and the Whispered Secret Greenwillow Books
Rome, too, wants the sound of roaring as evening falls ... The Rome Zoo: a place born of fantasy and driven by a nation's aspirations. It has witnessed – and reflected in its tarnished mirror – the great follies of the twentieth century. Now, in an ongoing battle that has seen it survive world wars and epidemics, the zoo must once again reinvent itself, and assert its relevance in the Eternal City. Caught up in these machinations is a cast of characters worthy of this baroque backdrop: a man desperate to find meaning in his own life, a woman tasked with halting the zoo's decline and a rare animal, the last of its species, who bewitches the world. Drifting between past and present, The Rome Zoo weaves together these and many other stories, forming a colourful and evocative tapestry of life at this strange place. It is both a love story and a poignant juxtaposition of the human need to classify, to subdue, with the untameable nature of our dramas and anxieties. Spellbinding and disturbing, precise and dreamy, this award-winning novel, translated by Stephanie Smee, is unlike any other. Winner of the Swiss Literature Award, the Prix Michel-Dentan and the Prix du public de la RTS "Like all truly great literary allegories, The Rome Zoo is both innocent and

wise, filled equally with tenderness and darkness. A gorgeous, dream-like fable of Italy's past and present." —Ceridwen Dovey
