There are only two mainstream solutions for building the graphical interface of Linux-based desktop applications, and GTK+ (GIMP Toolkit) is one of them. It is a necessary technology for all Linux programmers. This book guides the reader through the complexities of GTK+, laying the groundwork that allows the reader to make the leap from novice to professional. Beginning with an overview of key topics such as widget choice, placement, and behavior, readers move on to learn about more advanced issues. Replete with real-world examples, the developer can quickly take advantages of the concepts presented within to begin building his own projects.

[Siren LoveXtreme Forever: Erotic Paranormal Menage Romance, M/F/M/M/M/M/M, werewolves]

Scientist and veterinarian Eve MacMillan loves wolves. She's been studying them most her life.

When she gets the opportunity to study on a private reserve in Alaska, she jumps at the chance.

Four months into her year of research, she is as fascinated with the Dillon cousins as she is her wolves. All six Dillon cousins know that she is their mate. And for four long months they have waited to take the final step. After their Alpha, Noah, seduces her, they tell her they want to share her. Overwhelmed by the passion they inspire, Eve lets her inhibitions dissolve. Then an unknown enemy ramps up his attacks, and Eve discovers her lovers are more than just men when one of the pack is left fighting for his life. NOTE! You are purchasing Siren's newest serialized imprint, the LoveXtreme Forever Series. This is the first book in the Great Wolves of Passion, Alaska collection. These books are not stand alone and must be read in the numbered order. Each book may end on a cliffhanger but usually with a happy-for-now for the heroine and one or more men. The final book contains a happily forever after for the heroine and all her men. Note: There is no sexual relationship or touching for titillation between or among cousins. ** A Siren Erotic Romance

Since childhood, Sufoh has lived his life according to the principle of Slayer's Heart, a technique which rids him of all emotion and renders him a ruthless, bloodthirsty killer. Such a reputation is a badge of honor among the warrior race of Macaris from which he hails. But when Sufoh accidentally releases six legendary demons that threaten to plunge the world into chaos, he must leave his people to undo what he has done. As he ventures into a world that hates and fears him, Sufoh is forced to confront not only the evil he has unleashed, but the evil within himself and learn what it truly means to be human.

The Essential Guide to the Toddler Years Sterling Innovation

India is one of the youngest countries in the world and the generation of millennials make up for over 400 million people. This is the largest generation of people in the world. That means that the choices and trajectory of this generation have pivotal consequences on local, regional, and global politics and economics. So the important question is: What do Indian millennials want? What are their economic aspirations and their social views? Most importantly, what makes them tick? It's 2021 and more than 84% of them reported having an arranged marriage, and 65% listed a government job as their top priority. So are millennials really any different from previous generations? In *What Millennials Want*, Vivan Marwaha documents the aspirations and anxieties of these young people scattered across more than 30,000 kilometers in 13 Indian states. Combining an expansive dataset along with personal anecdotes, he narrates an intimate biography of India's millennials, investigating their attitudes towards sex, marriage, employment, religion, and politics.

An amputated soldier yearns to see the world and gets a brief glimpse of the beauty around him through the loaned eye of another. A brash and over-confident star athlete on whom a nation's hope lies takes a walk down the memory lane. The dreams of an Iraqi football player gets shattered by the great dictator which leads him to yearn for death to come knocking on his door. A Titanic survivor reminisces his bitter survival. And many more. What did these people have in common? Or maybe, there must have been something that attached these different people who were spread across different walks of life with varying history and time periods. The truth is that these people aid heed to the voices in their heart. The mumblings of love, despair, dreams, gratitude, guilt, hope and many more. These mumblings made them common by a single thread. The book isn't a casual read and the author urges the reader to lend his mind. The collection of short stories along with the prose at the beginning of each story would take the reader to a roller coaster ride of reality and truth leaving aside all the mirage that our modern lifestyle has forced onto us. Passing through various seasons and times, join a journey that would make you also listen to the mumblings of your own heart - the mumblings from your own depth.

You want to change the world. You want your work to have meaning. Maybe you're even audacious enough to want saving the world to be fun. What if saving the Earth were a game? Not just any game, but the greatest game we've ever played. This workbook helps social and environmental change professionals learn how to implement powerful techniques from the fields of game design, behavioral psychology, design, data science, and storytelling, that are not only proven to have impact, but also can make your project fun. In a 10-step framework of exercises, tutorials, and case studies, How to Save the World will teach you the art of changing the world--and it's often not what you think. Did you know that just by putting a sign above a recycling bin that showed people the number of cans inside increased the recycling rate by 67 percent? Or when people standing in line at a café were told that other customers before them had ordered a vegetarian meal, that this simple intervention doubled the total rate of vegetarian meal orders? As you implement these academically researched and measurement-driven techniques, How to Save the World will drive you to dig into your creativity and unearth your greatest ideas that shift the numbers on the causes you most care about, so you can experience the joy and satisfaction of seeing your work really, actually change the world every single day.

She turned the key of her car and it sputtered to life. She jammed the accelerator as the engine roared. With all her might, she pulled the gears and the world behind them blurred away. As they pushed past the house, she heard a deafening scream from a familiar voice. "Enigma!" The lady cried as the people in the market turned in hopes of gathering new gossip. Marinated in a world of competition, Snapped Threads is a portrayal of a struggle for justice. The story weaves together diverse lives against the backdrop of an art theft. Renewing the essence of love, friendship, betrayal, ambition and greed, the story is a reflection of an encounter made at the crossroads of deception and loyalty. The characters embark on new journeys-some with the desires to fulfill dreams, some to satisfy the hunger for wealth and power and some in search of acceptance in an altering world. A tryst with life and a celebration of love, the crime thriller is set at the dawn of a new beginning, bringing into its folds the commitments, responsibilities and perceptions that result from a serious theme attempted in a light environment. Flip through the pages to discover how the characters eventually let the threads roll out the paths of these new journeys.

On her thirtieth birthday, Gwendolyn Reese receives an unexpected present from her widowed Aunt Bea: a grand tour of Europe in the company of Bea's Sudoku and Mahjongg Club. The prospect isn't entirely appealing. But when the gift she is expecting--an engagement ring from her boyfriend--doesn't materialize, Gwen decides to go. At first, Gwen approaches the trip as if it's the math

homework she assigns her students, diligently checking monuments off her must-see list. But amid the bougainvillea and stunning vistas of southern Italy, something changes. Gwen begins to live in the moment--skipping down stone staircases in Capri, running her fingers over a glacier in view of the Matterhorn, racing through the Louvre, and taste-testing pastries at a Marseilles cafe. Reveling in every new experience--especially her attraction to a charismatic British physics professor--Gwen discovers that the ancient wonders around her are nothing compared to the renaissance unfolding within. . . "A thinking woman's love story, it swept me away to breathtaking places with a cast of endearing characters I won't soon forget. Bravissima!" --Susan McBride, author of *Little Black Dress*
 Praise for Marilyn Brant's *According to Jane* "A warm, witty and charmingly original story." --Susan Wiggs, New York Times bestselling author "Brant infuses her sweetly romantic and delightfully clever tale with just the right dash of Austen-esque wit." --Chicago Tribune "An engaging read for all who have been through the long, dark, dating wars, and still believe there's sunshine, and a Mr. Darcy, at the end of the tunnel." --Cathy Lamb, author of *Such a Pretty Face*

 A bright and vibrant guide to contemporary knot making—learn knotting basics, create gorgeous pieces, and discover a meditative and meaningful crafting practice. The ancient craft of knotting

connects our past to our present, helping us tap into ancestral wisdom and dream for the future, while grounding us in the present moment. It offers a meditative break from our busy lives, calming the mind in a tactile and engaging way. Through a journey of creative exercises and projects, this book offers tools to form a knotting practice that will fuel creativity and inspire mindfulness. With illustrated step-by-step instructions, you'll learn to tie basic knots and then develop skills further to create larger projects that focus on color and experimentation with unconventional materials. Along the way, you'll discover how to adapt knot tying to your own personal creative practice, use it as a way to manifest intentions, and embrace it as a platform for meditation. Projects such as the Pipa Knot Earrings, Sun Worshipper Statement Necklace, Colorblock Woven Knot Panel, and Double Coin Curtain go beyond the basics to incorporate various fiber art mediums and craft techniques spanning cord wrapping, jewelry making, macramé, tassel making, and more.
