## MARSH HALLIE

### God of Battles Black Library

A fantastic collection of classic stories about the righteous armies of the Empire set in the Warhammer Fantasy universe. The Empire is besieged. Countless enemies batter the border of Sigmar's mighty nation, seeking to tear down its cities and murder its inhabitants. Standing against them are an array of brave men and women, united in their defiance and led by true heroes. In the wilderness of Averland, Kurt Helborg, Marshal of the Reiksguard, holds the province together in his iron grip. On the frontiers, Ludwig Schwarzhelm, Emperor's Champion, must halt the unstoppable onslaught of the Greenskins, while in the Drakwald Forest, Luthor Huss, warrior priest of Sigmar, fights a tide of undead that threatens to sweep away all before it. But, more insidious enemies lurk within the shadows. Witch hunters and spies are the only remedy to such poisons, and none are more accomplished than Lukas Eichmann and Pieter Verstohlen, whose individual quests find them on the trail of ruthless murders and labyrinthine conspiracies that threaten to tear the nation asunder. Will these heroes triumph, or will the myriad evils of the Old World bring ruin to the hope of humanity? This omnibus contains the novels *Sword of Justice*, *Sword of Vengeance* and *Luthor Huss and the short stories 'Feast of Horrors', 'Duty and Honour' and 'The March of Doom'*, by Chris Wraight.

### Hordes of Chaos Tor Books

The latest Warhammer Heroes book from an old favorite of BL fans. Egrimm van Horstmann is the most promising wizard the College of Light has ever seen. Surpassing his mentors and reaching new heights of magical power, he seems destined to lead the College into a bright new future. But van Horstmann's true motives are sinister - he plans to unleash an ancient dragon imprisoned beneath the college and bring ruin to the Empire, in the name of the Dark Gods.

The fate of The Old World hangs in the balance. Heroes rise and fall as they battle the Ruinous Powers in a last desperate attempt to save the mortal realm. The Gods of Chaos only want total destruction and their victory seems inevitable..... Includes the first two novels in the End Times series: *The Return of Nagash* and *The Fall of Altdorf*. *The Return of Nagash* As the forces of Chaos threaten to drown the world in madness, Mannfred von Carstein and Arkhan the Black put aside their difference and plot to resurrect the one being with the power to stand against the

servants of the Ruinous Powers and restore order to the world - the Great Necromancer himself. As they set about gathering artefacts to use in their dark ritual, armies converge on Sylvania, intent on stopping them. But Arkhan and Mannfred are determined to complete their task. No matter the cost, Nagash must rise again. *The Fall of Altdorf* With the hordes of Chaos marshalling in the north, Emperor Karl Franz leads his armies in defence of his realm. But when the worst happens and the Emperor is lost, it falls to Reiksmarshal Kurt Helborg to return to Altdorf, capital of the Empire, and prepare to meet the forces of the Ruinous Powers in a final battle for that ancient city. As plague spreads and the defences weaken, all seems lost, until help arrives from a most unexpected source... if Helborg can bring himself to accept it.

There are treasures to be won deep underneath, and you shall have them. Return to the glory days of fantasy with the *Dungeon Crawl Classics Role Playing Game*. ### Bretonnia Army Book Games Workshop

*Karak Azgal* is a background book that is a must for roleplaying offiiciandos. Karak Azgal was once a rich Dwarf hold, but it fell to the forces of chaos. A dragon moved in, and dug out much of the treasure hidden in the dungeon to form a horde. This dragon was slain, over a thousand years ago by a Dwarf named Skalf. He claimed the treasure, and ownership of Karak Azgal. He realised the hold was too infested to clear out, so he built an enclave above the Hold and set up court there. A city has now grown up, rich from the treasures brought up by adventurers. The dwarfs encourage folk to go down there and recover their ancestors goods (and tax the hell out of them for doing so) but aren't too fussed about clearing it themselves- Dwarfs take the long view that one day the Goblins that live down there will go extinct, and when they do, all the gold down there will come back into Dwarf hands. They are, in fact being very generous in allowing folk to go down there and bring it back up- why, they might even get to keep 10% of it! That's practically giving it away! The city setting of Karak Azgal is perfect for Dwarf gags, intrigue and numerous excuses to be sent into the dungeon. It should be richly populated with interesting characters, and should logically extrapolate what happens to a city that has grown up on a treasure horde- for example, " everything's very expensive- if you don't have any money, you can always take an advance on what you're about to earn! just sign here (think record company) " No one bothers to learn your name until you've been down and back out a couple of times. " Dungeoneering teams are commissioned to map areas. " There are 'recovery outfits' that specialise in finding ancestral

treasure. " People bet on the dungeoneering teams. " You can pay for your funeral in advance should you not make it out "

Tavern/first aid outposts have grown up over the air shafts that lead deep into the hold- complete with winches, tax specialists, and healers, bookies, recruiting sergeants, touting guides and roaring drunk dwarfs. " Dwarfs tracking down and sealing any 'secret' non-dwarf controlled entrances to Karak Azgal  
**Warhammer Fantasy Roleplay (WFRP or WHFRP)** is a roleplaying system created by Games Workshop. It is set in the Old World, which bears some resemblance to late medieval / renaissance Europe. The world is threatened by the forces of Chaos. The major power in the Old World is the Empire, in which most of the adventures are located. The Empire itself is a country full of intrigue, conspiracies, and dark plots. BL Publishing is the publishing wing of the world famous Games Workshop group of companies. As well as its new Black Industries imprint, the division is also home to the Black Library, which has been producing best-selling and award-winning novels, comics and artbooks set in the worlds of Warhammer since 1997. It also includes the Black Flame fiction imprint for non-Warhammer titles, and Warhammer Historical Wargames. Warhammer Fantasy Battle was originally published in 1986 and subsequently licensed to Hogshead Publishing. This is the second edition of Warhammer Fantasy Roleplay.

God of Battles is a tabletop fantasy battle game in which players command armies of model soldiers to fight against each other across Aren's troubled lands. I've tried to produce a game that is easy to learn and quick and fun to play, but which offers many tactical options and rewards players' skill. If you are new to all this, I've included some hints and tips throughout the book to help get you started. Have a look at the Scenario section as there's a piece in there about playing your first game, which should point you in the right direction. If you have played tabletop battle games before, you will find some new ideas and a few unusual concepts in this one. They are no more complicated than in other games, less so in fact, they're just different. Have a game or two with only the Main Force part of your armies to get the hang of it and see what you think. It's hard to judge any game from a quick skim through the rules. Let it come alive on the tabletop! Above all, with God of Battles I designed the type of tabletop battle rules that I always wanted to play, where a group of friends could have a fun and characterful game that tells a good story. I hope you get as many hours of enjoyment from it as I have!

The End Times have come. Archaon Everchosen marches on the city of Middenheim, and if he captures it, the key to the Chaos gods' ultimate victory will be his. The last heroes of men, elves and dwarfs gather to stop him, but to stand against the hordes of the Ruinous Powers, they must turn to darker allies. Against all

reason, the last hope for the world may be the Undying King, Nagash himself - if he and the mortal races can find common cause and work together. If they cannot, Archaon's plan will come to fruition and the world will be consumed by Chaos.

A fantastic new adventure of swords and sorcery, set in the award-winning world of the Pathfinder Roleplaying Game! When the villain turns out to be another of their former companions, the half-elf sets out with a team of adventurers across the Revolution-wracked nation of Galt and the treacherous Five Kings Mountains to discover the key to Stelan's salvation in a lost valley warped by weird magical energies and inhabited by terrible nightmare beasts.
