Jessica isn't
your average
teenager.
Though
nobody at her
high school

knows it, she's
a published
author. Her
vampire novel
Tiger, Tiger
has just come
out under the
pen name Ash
Night. Jessica
often wishes
she felt as
comfortable
with her
classmates as
she does
among the
vampires and
witches of her
fiction. She
has always
been treated
as an outsider
at Ramsa
High. But two
new students
have just
arrived in
Ramsa, and
both want
Jessica's
attention. She
has no
patience with
overly friendly

Caryn, but she's instantly drawn to handsome Alex, a cocky, mysterious boy who seems surprisingly familiar. If she didn't know better, she'd think Aubrey, the alluring villain from Tiger, Tiger had just sprung to life. That's impossible, of course; Aubrey is a figment of her imagination. Or is he? Nail-bitingly suspenseful, here is the deliciously eerie follow-up to In the Forests of the

Night, by the remarkable fifteen-year-old novelist Amelia Atwater-Rhodes. *Strange Practice* Penguin The fun continues in another EPIC saga. Secure your copy now! Lorena awakens in the Fae Court, with only one clear memory; that she is engaged to the Prince of Shadows. While she struggles to remember her past, Lorena must navigate the Seven Courts while people try to

steal her fiancé, challenge her to duels, and outright assassinate her. Can she survive long enough to piece together the puzzle of her life? Scroll back up and one click yours asap!

I Am Legend

Penguin The first book in a delightfully witty fantasy series in which Dr. Greta Helsing, doctor to the undead, must defend London from both supernatural ailments and a bloodthirsty

cult Greta Helsing inherited her family's highly specialized and highly peculiar medical practice. In her consulting rooms, Dr. Helsing treats the undead for a host of ills: vocal strain in banshees, arthritis in barrow-wights, and entropy in mummies. Although she barely makes ends meet, this is just the quiet, supernatural-adjacent life Greta's been groomed for since childhood.

Until a sect of murderous monks emerges, killing human and undead Londoners alike. As terror takes hold of the city, Greta must use her unusual skills to stop the cult if she hopes to save her practice and her life. Praise for the Dr. Greta Helsing Novels: "An exceptional and delightful debut, in the tradition of Good Omens and A Night in the Lonesome October."—Elizabeth Bear, Hugo-award winning

author "Shaw balances an agile mystery with a pitch-perfect, droll narrative and cast of lovable misfit characters. These are not your mother's Dracula or demons."—Shelf Awareness

 "This man's ideas may be the most influential, not to say

controversial, of the second half of the twentieth century.”—Col umbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this

revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York

 What Sofia has with Derek feels like a

sandcastle; temporary and something that the waves of life and time will soon ruin... Since the return of Gregor Novak, the island has turned several shades darker. His hatred toward Sofia and thirst for fresh blood lead to a brutal war igniting between father and son. Meanwhile, the hunters are gaining formidable strength and resources by the day; they know that the

safety of The Shade hangs entirely on its ability to remain hidden from them. And a sinister secret lies in wait for Sofia within the bowels of an Egyptian desert ... a secret that threatens to crush her sandcastle much sooner than she could have expected. Piercing the Darkness

 Zombies have devoured mankind. And the few survivors

would be better off dead because a clan of vampires, bloodthirsty and vicious, have captured the remnants of humanity for livestock. In an apartment building barricaded with wrecked cars, concrete rubble, and snarls of barbwire, the vampires breed lobotomized amputees. Ann, the secret blood slave of the maternity doctor, has evaded this fate, yet her sister Ellie has

not. Though she longs to escape, Ann cannot abandon her sibling and unborn niece. But she may have to if she wants to survive. The living dead have found a weak spot in the barricade and are quickly invading the building. Shade, the vampire monarch, defends her kingdom, while Frost, Shade's general, plans to migrate to an island where they can breed and hunt humans.

In their path stands a legion of corpses, just now evolving into something far more lethal, something with tentacles- -and that's just the beginning.

Anniversary of the release of A Shade of Vampire, Derek, Sofia and their twins have returned in new adventures! "Outstanding.. . This has been the best of all the Shade books." - S. Bridges ★★★★★ I never could have imagined that Derek and I would willingly turn back into vampires. But there are some things in life that you just can't predict. Like the strange human disappearance

s that had started happening on the coasts surrounding us. There would have been nothing mysterious about these kidnappings so close to our own turf, had The Shade's vampires not given up drinking human blood almost two decades ago... Book your ticket back to The Shade. BUY NOW! "Nothing thrilled me more than to get this book. It was a one night reading frenzy for me. Bella just

keeps writing one after another must read books. Trust me, this series only keeps getting better and better." - Christine Salisbury ★★★★★ "If you are in need of a great read, this is it. Bella grips you with the tale of the twins and then turns the story over to them. You still get glimpses of the other people we love in the Shade, but now it is time to hear from the younger generation! I feel lost once

again and eagerly await the next trip to The Shade!" - Peggy, Kindle Customer ★★★★★ "Loved it as much as the rest. The new generation promises to be as spellbinding as their parents." - Claudia Riggs ★★★★★ "I'm so glad Bella decided to write another book! It was perfect. Couldn't ask for a better book. Action, adventure, LOVE, romance, suspense, it had it all!" -

 I'm one scrappy wizard.As someone with barely a flicker of magic, I've spent my life being mocked and surviving fights with bullies. But when my

parents die in an accident, and I find myself responsible for our whole wizard house and family, I know my usual tactics aren't going to cut it.The situation veers from bad to catastrophic when my backstabbing cousin stages a coup and takes my family hostage.I barely manage to flee, but the only supernatural willing to help me is Killian Drake--the most feared vampire in the

region, and a far more deadly villain than the jerk threatening my family. Is Killian sexy and charismatic? Heck yeah. He's also so powerful that my flight or fight instincts kick in every time our eyes meet. And he's definitely using me as his personal magic detector in his feud against the local fae. But Killian is also the first person to believe I might have more than just a scrap of

magic. And if I can convince him to train me, I might get strong enough to free my family and get my house back. I'm not sure what happens when a scrappy wizard is taught how to fight by a hall of deadly vampires, but I'm about to find out. Triad Blood Macmillan The 6th book in the bestselling "A Shade Of Vampire" series has arrived! Welcome back to The Shade... Derek and Sofia are

finally enjoying a well-deserved break. Staying at a resort with good food, sun and sea, Sofia is thrilled to witness Derek's re-introduction to the human world. They would almost be mistaken for a normal young couple, if it were not for the red-eyed monster lurking in the shadows and watching their every move, waiting for his signal to pounce... **Shadow Kiss** Createspace Independent Publishing
