"Some things become more valuable when broken. Like hearts, relationships and the broken hearts of people in these broken relationships." Life is all about a continuous cycle of meeting people, then being connected to them, then losing them, but the ones who stay forever with us, we find our happiness in them. Similarly, this anthology presents a

compilation of life experiences and feelings written down from the bottom of the hearts of co-authors. This anthology contains poems, short stories, articles, shayaris and open letters on how life and love give us happiness but pain too, for the readers to relate, comprehend and rejuvenate their perspectives on live and learn from them as to how can they achieve happiness and pain from the same person, thing or relationship. A beautiful life begins with a beautiful mind and heart, if you are beautiful from inside, you will reflect the same on the outside. A number of people come into your life, some will stay temporarily, while

some will stay permanently. But, do not sit and wait for people to make them permanent in your life. Life will show many colors to you, it entirely depends upon how you react to everything. It is all about standing, falling, facing and fighting for your happiness.

Through *Broken But Beautiful*, we have given our best to collect beautiful and diverse feelings and emotions in order to inspire, relate and know how to face everything and move on.

 The first feeling of love is very special, everything is near but still I am sad. If the memories of the beloved are near then there is happiness, enthusiasm and joy in life, The first feeling of love is very special. First love in life is like a new spring, like rain for a drought. The company of loved ones, the first love, like a sweet dispute with the beloved. That series of talks and sometimes victory and defeat in talks. First love should not be forgotten, no matter how much the soulmate hurts. First love is something else, now what else should I tell you? Memories of first love sometimes make you laugh and

sometimes make you cry, Whether the beloved is far or near, the feeling of first love is very special

We are extremely excited to have partnered with Songdew to celebrate and honor the eminent Urdu poet and lyricist, Late Dr Rahat Indori. Through couplets, ghazals and poems on a range of topics and social issues such as the status of women in society, he gained an unmatched status in

the world of poetry as his work resonates with each and every generation. As an ode to him, we are happy to be part of a tribute dedicated to him and his exceptional work. This initiative gives upcoming artists a chance to showcase their talent on a national platform through their compositions based on Rahat ji's work. All the nine artists are extremely talented and it is an absolute pleasure to present their songs to all the avid music admirers. Also, just like Rahat ji's words weaved our imagination with hope, laughter and love; it's also equally marveling to see artists reimagining the lyrics and transforming his words into vivid paintings. This

collaboration is our bid to memorialize him and his work for our listeners that cherish him and his legacy. - Sunil Kumaran (Big FM) Hiraeth Random House India
