How To Find Your One True Love  
 Shepherds Voice Publications, Inc.  
 Speaker and author Sue Augustine awakens the innermost passions and aspirations of women with powerful strategies and practical keys that will take anyone from where they are to where they want to go. After surviving a severe illness, Sue sold products door-to-door with a vision of becoming an international speaker and author. She knows first-hand what it takes to turn a dream into a success story. With insight and encouragement, Sue shares 101 inspirational secrets to help women: embrace their unique God-given abilities overcome doubts, fears, and insecurities develop a long-term vision and see it come to pass Packed with ideas, advice, and guidance, this resource will inspire and help anyone, anywhere—from the home front to churches to corporate

boardrooms. Rerelease of Turn Your Dreams Into Realities.

### How to Become a Great Leader in Forty Short Years Revell

Become a World Class Filipino today, let this book show you way.  
 Shepherds Voice Publications, Inc. Also known as MDZS, the blockbuster danmei/Boys' Love novels from China that inspired comics, animation, and the live-action series The Untamed--which amassed billions of views, including on Netflix! This historical fantasy tale of two powerful men who find each other through life and death is now in English, for the very first time. Wei Wuxian was once one of the most outstanding men of his generation, a talented and clever young cultivator who harnessed martial arts, knowledge, and spirituality into powerful

abilities. But when the horrors of war led him to seek a new power through demonic cultivation, the world's respect for his skills turned to fear, and his eventual death was celebrated throughout the land. Years later, he awakens in the body of an aggrieved young man who sacrifices his soul so that Wei Wuxian can exact revenge on his behalf. Though granted a second life, Wei Wuxian is not free from his first, nor the mysteries that appear before him now. Yet this time, he'll face it all with the righteous and esteemed Lan Wangji at his side, another powerful cultivator whose unwavering dedication and shared memories of their past will help shine a light on the dark truths that surround them. This Chinese xianxia fantasy novel series built around the romanticized love between two men (danmei) has been translated into numerous languages and spawned a multimedia franchise that has taken the globe by storm, including the massively popular live-action series *The Untamed* available now on Netflix, YouTube, and more. The Seven Seas English-language edition will include exclusive, all-new cover art from Jin Fang (jinzillaa), interior illustrations from Marina Privalova (BaoshanKaro), and a translation by Suika (yummysuika) with editor Pengie (pengiesama).

*Wartime Kitchen* Shepherds Voice Publications, Inc.

*A Novel* University of Washington Press  
*Wartime Kitchen: Food And Eating In Singapore (1942-1950) Captures The Resilience And Adaptability Of A People Faced With Limited Resources And Shortages During The Japanese Occupation And In Post-War Singapore, Never Before Examined In Detail.* Art Angel Printshop Commercial Quests Incorporated

From the bestselling author of *Crazy Rich Asians* (the basis for the acclaimed major motion picture) comes a deliciously fun story of family, fortune, and fame in Mainland China. Book Two of the *Crazy Rich Asians* Trilogy It's the eve of Rachel Chu's wedding, and she should be over the moon. She has a flawless Asscher-cut diamond, a wedding dress she loves, and a fiancé willing to thwart his meddling

relatives and give up one of the biggest fortunes in Asia in order to marry her. Still, Rachel mourns the fact that her birthfather, a man she never knew, won't be there to walk her down the aisle. Then a chance accident reveals his identity. Suddenly, Rachel is drawn into a dizzying world of Shanghai splendor, a world where people attend church in a penthouse, where exotic cars race down the boulevard, and where people aren't just crazy rich ... they're China rich. Look for Kevin Kwan's latest novel, *Sex & Vanity! A Long Song in Many Voices* Simon and Schuster

In this new book, Bo shares the steps he took to deal with his addictions and his path to healing that enabled him to fulfill his mandate to preach the Gospel to thousands. It reveals the seven powerful secrets that can set addicts free - and give the power to reclaim their life and fulfill their dreams.

Ballantine Books

Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

**Food and Eating in Singapore, 1942-1950** Doubleday

In 1912, Agripino M. Jaucian organized 200 Filipino Navy personnel who had settled in Philadelphia and formed the Filipino American Association of Philadelphia, Inc. (FAAPI). Jaucian, who created the group after being a victim of racism, served as the organization's first president. The FAAPI was founded to preserve the heritage and traditions of Filipinos in their newly adopted country. In the 1960s, Philadelphia witnessed a population boom never seen before when entire Filipino families and professionals began immigrating in large numbers. This unprecedented growth gave rise to organizations, dance troupes, restaurants,

and the FAAPI Filipino Community Center. Today, there are an estimated 35,000 Filipinos in the Philadelphia region. As they celebrate their centennial, Filipinos of Greater Philadelphia commemorates the legacies of those early pioneers who sought to find a place they could call "home" in the City of Brotherly Love. *How To Conquer Your Goliaths* p i kids More than twenty years after the groundbreaking anthology *This Bridge Called My Back* called upon feminists to envision new forms of communities and practices, Gloria E. Anzaldúa and AnaLouise Keating have painstakingly assembled a new collection of over eighty original writings that offers a bold new vision of women-of-color consciousness for the twenty-first century. Written by women and men--both "of color" and "white"--this bridge we call home will challenge readers to rethink existing categories and invent new individual and collective identities.

**Rich Dad, Poor Dad** Arcadia Publishing  
"She's [Maggy is] really funny . . . If I had a self-destructive young adult in my life . . . this is probably the book I'd get her."

—The New York Times Book Review "How Not to Fall Apart is the book that finally understands mental health, and it'll make you feel infinitely less alone."

—HelloGiggles Featured in The New York Post, Lenny Letter, BuzzFeed, and more. What no one tells you about living with anxiety and depression—learned the hard way Maggy van Eijk knows the best place to cry in public. She also knows that eating super salty licorice or swimming in icy cold water are things that make you feel alive but, unlike self-harm, aren't bad for you. These are the things to remember when you're sad. Turning 27, Maggy had the worst mental health experience of her life so far. She ended a three-year relationship. She lost friends and made bad decisions. She drank too much and went to ER over twelve times. She saw three different therapists and had three different diagnoses. She went to two burn units for self-inflicted wounds and was escorted in an ambulance to a mental health crisis center. But that's not the end of her story. Punctuated with illustrated lists reminiscent of Maggy's popular BuzzFeed posts, *How Not to Fall Apart* shares the author's hard-won lessons about what helps and what hurts on the road to self-awareness and better mental health. This is a book about what it's like to live with anxiety and depression, panic attacks, self-harm and self-loathing--and it's also a hopeful roadmap written by someone who's been there and is still finding her way.

*Cyberpreneur Philippines* Shepherds Voice

Publications, Inc.

Dr. Gene Mims is a former executive with Lifeway, denominational leader, and the current senior pastor of a vibrant and growing church. Dr. Mims shows from Moses' life that it takes a long time to become a great leader no matter how many gifts or skills you possess. This principle combined with twenty-seven others makes the book a quick read that leaders will pick up again and again. These principles are unique, biblical, and easy to apply for leaders who are willing to use them.

*The Turtle Always Wins* Incorgrnito Publishing Press

A collection of ninety devotionals specifically for single adults. Topics include loneliness, completeness, desires, expectations, emotional health, and fairness.

**Pre-Algebra Workbook II** Anchor

An analysis of historical, transcultural, and transmedia adaptation, *Transforming Monkey: Adaptation and Representation of a Chinese Epic* examines the ever-changing image of Sun Wukong (aka Monkey, or the Monkey King), in literature and popular culture both in China and the United States. A protean protagonist of the sixteenth century novel *Journey to the West* (Xiyou ji), the Monkey King's image has been adapted in distinctive ways for the representation of various social entities, including China as a newly founded nation state, the younger generation of Chinese during the postsocialist period, and the representation of the Chinese and Chinese American as a social "other" in American popular culture. The juxtaposition of various manifestations of the same character in the book present the adaptation history of Monkey as a masquerade, enabling readers to observe not only the masks, but also the mask-wearers, as well as underlying factors such as literary and political history, state ideologies, market economies, issues of race and ethnicity, and politics of representation and cross-cultural translation. *Transforming Monkey* demonstrates the social and political impact of adaptations through the hands of its users while charting the changes to the image of Sun Wukong in modern history and his participation in the construction and representation of Chinese identity. The first manuscript focusing on the transformations of the Monkey King image and the meanings this image carries, *Transforming Monkey* argues for the importance of adaptations

as an indivisible part of the classical work, and as a revealing window to examine history, culture, and the world.

**More Baking Secrets** Penguin

Learn how to truly care for yourself and feel your best every day.

**100 Places You Will Never Visit** Routledge

A breathtaking debut brings us the unforgettable story of a small-town love, big dreams, and family drama. Silas Hart has seriously shaken up Westlin Beck's small-town life. Brand-new to town, Silas is different from the guys in Green Lake. He's curious, poetic, philosophical, maddening—and really, really cute. But Silas has a sister—and she has a secret. And West has a boyfriend. And life in Green Lake is about to change forever. *Truest* is a stunning, addictive debut. Romantic, fun, tender, and satisfying, it asks as many questions as it answers. Perfect for fans of *The Fault in Our Stars* and *Ten Things We Did (and Probably Shouldn't Have)*.

**Waiting Laughters** Universal-Publishers

Do you often find yourself asking, "Is this all there is?" Or do you ever get that feeling that most of your peers already have everything figured out, while you're still clueless as ever about what to do with your life? This book is for you. Most of us think of purpose as that ultimate sweet spot—that ideal overlap between passion, skill, opportunity, and money. Sometimes it can get frustrating when you feel like you just can't find it. But what if there's more than one way to go about it? To find a different way of viewing your purpose—not as that impossibly elusive thing you have to chase after your whole life, let *Is This All There Is?* Help you think of life as a big picture that becomes clearer as you make your way through it. Here is your faithful guide and companion as you embark on your purpose journey. Cengage Learning
