 Book 3 in the Promises series. Wyoming Territory 1870 Widowed and barren, Jenna sees the newborn left on her doorstep as a

priceless gift worthy of any sacrifice. She knows she'll need a husband to keep the baby, but nothing prepares her for the man who offers. Big and dark, simmering with a deadly intensity, Clint McKinnely could put fear into the devil. He certainly strikes fear into her. But Jenna soon discovers that the man behind the reputation is the one man she longs to trust. A hard man burned out by the choices he's made, Clint is looking for a reason to go on. He finds one in Jenna Hennessy. Lushly plump, sweet and shy, she calls to him on every level. When it looks as though Jenna might lose the daughter she loves for lack of a husband, Clint steps forward. Having Jenna in his home brings Clint a peace he's never known, but even as he ferrets out the secrets that haunt Jenna's nightmares,

Clint keeps his own close to his chest, knowing this marriage is temporary because there are some sins a man can't expect his wife to forgive.

 The world's ageing population is increasing and food professionals will have to address the needs of older generations more closely in the future. This unique volume reviews the characteristics of the ageing population as food consumers, the role of nutrition in healthy ageing and the

design of food products and services for the elderly. Chapters in part one discuss aspects of the elderly's relationship with food such as appetite and ageing, ageing and sensory perception, food and satisfaction with life, and the social significance of meals. The second part of the book reviews the role of nutrition in extending functionality into later years, with chapters on topics such as undernutrition and conditions such as Alzheimer's disease, bone and joint health and eye-related disorders. Concluding chapters address the issues of food safety and the elderly, designing new foods and beverages for the ageing and nutrition education programmes. With its distinguished editors and contributors, *Food for the ageing population* is an essential reference for those involved in the research, development and provision of food products for the older generation. A unique review of the characteristics of the ageing population as food consumers Discusses aspects of the elderly's relationship with food, including appetite, ageing and sensory perception and the social significance of meals Examines the role of nutrition in extending functionality in later years, focusing on undernutrition, Alzheimers and bone and joint health (04-12) 53 to 61 Veloce Publishing Ltd

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

 \*\*\*\* COMPELLING - The Sunday Telegraph CONTROVERSIAL ... Sounes' book pushes the standard Reed narrative - The New York Times Lou Reed, who died in 2013, was best known to the general public as the grumpy New Yorker in black who sang 'Walk on the Wild Side'. To his dedicated admirers, however, he was one of the most innovative and intelligent American songwriters of modern times, a natural

outsider who lived a tumultuous and tortured life. In this in-depth, meticulously researched and very entertaining biography, respected biographer Howard Sounes examines the life and work of this fascinating man, from birth to death, including his time as the leader of The Velvet Underground - one of the most important bands in rock'n'roll. Written with a deep knowledge and understanding of the music, Sounes also sheds entirely new light on the artist's creative process, his mental health problems, his bisexuality, his three marriages, and his addictions to drugs and alcohol. In the course of his research, Sounes has interviewed over 140 people from every part of Lou Reed's life - some of whom have not spoken publicly about him before - including music industry figures, band members, fellow celebrities, family members, former wives and lovers. This book brings Lou Reed and his world alive.

 'Thank God we have found her.' Sara Payne's words as she announced that the body of her daughter - snatched and murdered by paedophile, Roy Whiting - had finally been found. In this memoir, Sara tells her personal story. She describes the numbness as she waited for seventeen days, desperate to hear news of her missing daughter, and the terrible moment when her worst fears became reality. She explains how her family tried to cope with their grief and the stress placed upon them by the media campaign for Sarah's Law. As the family tried to rebuild their lives in the aftermath of tragedy, they found that each reminded the other of the child they had lost. Guilt and anger pushed Sarah's marriage into a spiral of alcohol abuse and violence. This is the ultimate story of a family's journey through hell, but Sara's strength is an inspiration as, despite everything, she and her family slowly found a way to go on.
