Snow & Rose Random House Books for Young Readers

A playful and poignant exploration of the nature of time through the eyes of a child from acclaimed author/illustrator Julie Morstad. What is time? Is it the tick

tick tock of a clock, numbers and words on a calendar? It's that, but so much more. Time is a seed waiting to grow, a flower blooming, a sunbeam moving across a room. Time is slow like a spider spinning her web or fast like a wave at the beach. Time is a wiggly tooth, or waiting for the school bell to ring, or reading a story . . . or three! But time is also morning for some and night for others, a fading sunset and a memory captured in a photo taken long ago. In this magical meditation on the nature of time, Julie Morstad shines a joyful light on a difficult-to-grasp concept for young readers and reminds older readers to see the wonders of our world, including children themselves, through the lens of time.

to think about motivation from the author of When: The Scientific Secrets of Perfect Timing Most people believe that the best way to motivate is with rewards like money—the carrot-and-stick approach. That's a mistake, says Daniel H. Pink (author of To Sell Is Human: The Surprising Truth About Motivating Others). In this provocative and persuasive new book, he asserts that the secret to high performance and satisfaction—at work, at school, and at home—is the deeply human need to direct our own lives, to learn and create new things, and to do better by ourselves and our world. Drawing on four decades of scientific research on human motivation, Pink exposes the mismatch between what science knows and what business does—and how that affects

every aspect of life. He examines the three elements of true motivation—autonomy, mastery, and purpose—and offers smart and surprising techniques for putting these into action in a unique book that will change how we think and transform how we live.

NEW YORK TIMES BESTSELLER • This

joyful rhyming book encourages children to value the “different” in all people, leading the way to a kinder world in which the differences in all of us are celebrated and embraced. Macy is a girl who’s a lot like you and me, but she’s also quite different, which is a great thing to be. With kindness, grace, and bravery, Macy finds her place in the world, bringing beauty and laughter wherever she goes and leading others to find delight in the unique design of every person. Children are naturally aware of the differences they encounter at school, in their neighborhood, and in other everyday relationships. They just need to be given tools to understand and appreciate what makes us “different,” permission to ask questions about it, and eyes to see and celebrate it in

themselves as well as in those around them.

The Exciting True Story Of An Incredible Journey Into Light.

Holy Bible (NIV) HarperCollins

Four starred reviews! In an evocative picture book brimming with the scents, tastes, and traditions that define a young girl's summer with her grandmother, debut author Michelle Sterling and illustrator Aaron Asis come together to celebrate the gentle bonds of familial love that span oceans and generations. For one young girl, summer is the season of no school, of days spent at the pool, and of picking golden limes off the trees. But summer doesn't start until her lola—her grandmother from the Philippines—comes for her annual visit.

Summer is special. For her lola fills the house with the aroma of mango jam, funny stories of baking mishaps, and her quiet sweet singing in Tagalog. And in turn, her granddaughter brings Lola to the beach, to view fireworks at the park, and to catch fish at their lake. When Lola visits, the whole family gathers to cook and eat and share in their happiness of another season spent together. Yet as summer transitions to fall, her lola must return home—but not without a surprise for her granddaughter to preserve their special summer a bit longer. * BookPage Best Books of the Year * The New York Public Library's Best Books of the Year * Kirkus Best Books of the Year * An ALSC Notable Children's Book of the Year * A CCBC Choices Pick of the Year * Banks Street Best Children's Books of the Year
