Talking with Tech Leads by Patrick Kua [Leanpub PDF/iPad ...
 Talking With Tech Leads From Talking with Tech Leads: From Novices to Practitioners [Patrick Kua] on Amazon.com. *FREE* shipping on qualifying offers. A book for Tech Leads, from Tech Leads. Discover how more than 35 Tech Leads find the delicate balance between the technical and non-technical worlds. Talking with Tech Leads: From Novices to Practitioners ... 'Talking with Tech Leads' is different from the very first pages, because it doesn't take a quantitative approach to leadership, but the much more difficult (and dreaded) qualitative approach. You don't get the sales-y pitch of "Here's a bullet-point list of five tips that will make you a killer technical lead in 24 hours". Talking with Tech Leads by Patrick Kua - Goodreads Formerly a Principal Technical Consultant at ThoughtWorks, he is the author of three books, The Retrospective Handbook, Talking with Tech Leads and most recently, Building Evolutionary Architectures. Patrick is a frequent conference speaker, blogger and is passionate about bringing a balanced focus between people, organisations and technology. Talking with Tech Leads by Patrick Kua [Leanpub PDF/iPad ... A book by Tech Leads, for Tech Leads. Being a good developer doesn't necessarily make you a good Tech Lead. This book explores the delicate balance between the technical and non-technical worlds and, with over 35 accounts from Tech Leads, we can better understand some of the challenges faced and lessons learned from tech leadership across our industry. Talking with Tech Leads by Patrick Kua | ThoughtWorks After interviewing many people playing technical leadership roles, establishing a European-wide Tech Lead training program in his last company, and training 100+ Tech Leads around the world, Patrick will share his lessons learned about what exactly a Tech Lead is, and what it takes to make the role successful. Talking with Tech Leads - gotober.com Talking with Tech Leads is a book by Patrick Kua for Tech Leads from Tech Leads. What is a Tech Lead? Patrick defines a Tech Lead as follows: A leader, responsible for a development team, who spends at least 30 per cent of their time writing code with the team. Talking with Tech Leads - codetrade reports. "Talking with Tech Leads" has helped me redress some of that balance and think through what it means to lead

software teams in the early 21st century. For that I am grateful to Patrick and I hope you'll feel that the book will help you to reflect upon, and address, your challenges and aspirations around technical leadership too. Talking with Tech Leads - ThoughtWorks When developers become Tech Leads they have to find a balance between leading teams and continuing to do technical work. In the book Talking with Tech Leads - From Novices to Practitioners Patrick... Q&A with Patrick Kua About Talking with Tech Leads Talking with Tech Leads I am proud to announce the release of my latest book, "Talking with Tech Leads" that is now available on Leanpub. I started this book project over a couple of years ago when I discovered a lack of resources for helping developers transition into a role which demanded more than good development skills. Talking with Tech Leads - patkua@work After interviewing many people playing technical leadership roles, establishing a European-wide Tech Lead training program in his last company, and training 100+ Tech Leads around the world ... GOTO 2018 • Talking with Tech Leads • Patrick Kua Find helpful customer reviews and review ratings for Talking with Tech Leads: From Novices to Practitioners at Amazon.com. Read honest and unbiased product reviews from our users. Amazon.com: Customer reviews: Talking with Tech Leads ... To clarify, by "tech lead", Patrick is referring to somebody in a technical leadership role who still writes code. This is synonymous with what I call the software architecture role, with an expectation that part of the role includes coding.
