Written to provide hope, serious results, and life-long success to diabetes sufferers, this updated edition offers insight into anti-aging, holistic health, how to revitalize your diet, and more Dr. Gabriel Cousens offers an innovative approach to the prevention and healing of what he calls chronic diabetes degenerative syndrome. A leading medical authority in the world of live-food nutrition, Dr. Cousens exposes the dangers of excess glucose and fructose as the key causes of this seemingly unstoppable epidemic that affects more than 25 million Americans and 347 million people worldwide. Cousens, whose Diabetes Recovery Program is the most successful anti-diabetes program in the world, presents a 3-week plan that focuses on a moderate-low complex carbohydrate, live food, plant-source-only diet that reverses diabetes to a physiology of health and well-being by resetting the genetic expression of a person's DNA. The program renders insulin and related medicines unnecessary within 4 days as the blood sugar drops to normal levels, and the diabetic shifts into a nondiabetic physiology within 2 weeks. Substantially revised throughout, this practical and encouraging guide reveals the risks of low cholesterol and low omega-3s in one's diet and includes more than 140 delicious and healthy recipes. The book represents a major breakthrough in understanding the synergy that helps cure diabetes.

From the best selling author of India's Biggest Coverup In 2013, the Lucknow Bench of the Allahabad High Court described as 'genuine and based on relevant material', Anuj Dhar's writings regarding the controversy surrounding the fate of Subhas Chandra Bose. So, what really happened to Netaji? What is the factual position with regard to the air crash that reportedly killed him in 1945? Is there any truth behind Subramaniam Swamy's belief that Netaji was killed in Soviet Russia at Jawaharlal Nehru's behest? How do the biggest names of the past and present, from Mahatma Gandhi and Vallabhbhai Patel to President Pranab Mukherjee, and Atal Bihari Vajpayee fare in India's longestrunning controversy? Who was Gumnami Baba of Faizabad, and if indeed he was Netaji, why did he not surface? Above all, what is preventing the Narendra Modi government from declassifying the Netaji files? The answers would make you believe that truth is stranger than fiction.

Acclaimed as one of the greatest novels of the last century, Vikram Seth's *A Suitable Boy* remains, twenty years after publication, one of the most entrancing and spellbinding works of fiction yet written. A love story as well as the tale of a country awakening from long years of colonial rule, it tells of Lata, and of her mother's exacting attempts to find her the perfect husband. It also recounts India's troubles shaping its own destiny as the country marches towards its first great General Election. It is a story that readers the world over can neither put down nor ever forget. 'Fiction on a grand scale. By the time you reach the last

page you will have absorbed a splendid story, full of the tangle and perfume of India.' Sunday Telegraph 'Vivid, evocative and beautifully written.' Literary Review 'No one, surely, could wish this novel shorter. The greatness of the novel, its unassailable truthfulness, owes less to research than to imagination, an instinctive knowledge of the human heart.' Observer 'This novel, so vast and so amiably peopled, is a long, sweet, sleepless pilgrimage to life.' Guardian 'A phenomenon, a prodigy, a marvel of nineteenth-century style storytelling.' Evening Standard 'Seth is the best writer of his generation.' The Times
