FITZPATRICK BARKER

Learn Phrasal Verbs with a Story
 Cambridge University Press
 Improve your understanding of phrasal verbs in English. Explanations and practice of approximately 1,000 phrasal verbs, written for advanced-level (C1 to C2) learners of English. Perfect for both self-study and classroom activities. Learn phrasal verbs in context, with lots of different topics, including 'Lectures and seminars', 'Agreeing' and 'Social life'. Be confident about what you are learning, thanks to Cambridge research into how English is really spoken and written, and get better at studying by yourself, with study tips, follow-up tasks and an easy to use answer key.

Phrasal Verb Fun Research & Education Assoc.

5,000 phrasal verbs, including new ones from computing, business, and the Internet. Unique Phrasal Verbs Activator® helps learners choose the right phrasal verb for the context. Clear grammar patterns show how to use phrasal verbs. [Cambridge International Dictionary of Phrasal Verbs](#) Pearson Education ESL Phrasal Verbs in American English provides useful information and guided exercises for ESL/EFL language learners. The contents of Phrasal Verbs come from written and spoken corpora of American English. The most frequent phrasal verbs are taught along with their associated words (collocates). This means that rather than focussing on a phrasal verb such as "get into," this book covers common phrases: "get into an argumen," "get into

trouble," etc. Thus the book covers the phrasal verbs and phrases that the learner is likely to meet in everyday situations.

Off-the-wall Skits with Phrasal Verbs
David Nicholls

This book is a resource for English language users, and provides a comprehensive list of phrasal verbs defined in easily accessible language, as well as examples of common usage for each. Beyond serving as a reference, it is accompanied by exercises written to aid non-native speakers of English in achieving a more thorough understanding of English phrasal verbs. Anyone looking to achieve a more native-like level of fluency, or simply increase their mastery of an unpredictable aspect of the English language will be well served by this text. Please remember that you can read your Google Play books on your Apple devices as well. Simply search for "Google Play Books" application on the App Store and log in using your Google credentials and your books are good to go! Phrasal verbs are indispensable parts of the English language. They add a sense of fluency into spoken or written language and render it richer in terms of vocabulary. Knowing and using not all, but even the most common ones would make our English sound more natural. However, the difficult thing about phrasal verbs is to memorize them because, they may have some meanings which are completely irrelevant to their constituent parts. For this reason, we need to learn them by heart, which means "to memorize" them. Although it may sound hard to learn them in this way, using phrasal verbs in actual dialogs makes it easier to memorize them by creating a "match" on the cognitive level. If we support this with images as well, we may have a better chance to retain them in our memories permanently. This is exactly where this book steps in. You will find hundreds of dialogs presented in drawings where characters use phrasal verbs. A total of carefully selected 228 phrasal verbs are given with up to their 3 common definitions. Therefore, you will have to memorize neither the outdated phrasal verbs nor their barely used meanings. There are 38 units in the book, each of which contains 6 phrasal verbs given in an alphabetical order. There is an "Exercises" section at the end of every unit and two Revision Tests after every five units. You will also find a general revision test with 100 questions in the back of the book. This test consists of all the phrasal verbs in this book. You can reach the answers to the exercises by using the buttons below exercise pages. This book also contains links to the videos of each unit. These videos contain a broader explanation of the phrasal verbs and they offer 2-3-minute footages taken from various films where characters use the phrasal verbs presented in the relevant unit. The footages come with subtitles as well. You can reach these videos by using the buttons below pages. After looking at the drawings, reading the dialogs, watching the movie footages and doing the exercises, you won't have any trouble keeping phrasal verbs in your long-term memory and using them in your own sentences. All you need to do is to make regular revisions, which is a must learning a new language. If you want to have this book as a hard copy with amounts over 100, please contact at siparis@turengkitap.com

Easy Phrasal Verbs Teaching Resources
"Master English Collocations & Phrasal verbs: The Ultimate Phrasal Verbs and Collocations Book for Learning English" is ideal for anyone who has problems understanding, remembering and using collocations and phrasal verbs in English, and who wants to speak English fluently and confidently. Don't waste hours upon hours researching words and trying to understand their exact meaning. This book will make your learning more efficient with less of your own effort, which means more spare time to review other concepts. This book has been written for quick reference, in order to avoid it becoming too heavy and theoretical. This is not an exhaustive list of collocations or phrasal verbs in English, it's a curated list of some of the most common ones.

The English Phrasal Verb, 1650-present
Cambridge University Press
Learn the language of Nebraska . . . and 49 other states With more entries than any other reference of its kind, McGraw-Hill's Dictionary of American Idioms and Phrasal Verbs shows you how American English is spoken today. You will find commonly used phrasal verbs, idiomatic expressions, proverbial expressions, and clichés. The dictionary contains more than 24,000 entries, each defined and followed by one or two example sentences. It also includes a Phrase-Finder Index with more than 60,000 entries.

Unlocking English: Essential Idioms for Fluent English (part 1) Simon and Schuster

Updated to reflect questions found on the most recent ESL tests, this book presents 400 common phrasal verbs as they are used in everyday English. Phrasal verbs are verbs combined with prepositions or adverbs. Familiarity with phrasal verbs and understanding their use as nouns (breakup, showoff, etc.) or adjectives (spaced-out, broken-down, stressed-out, and many others) is essential to ESL students. Updated information includes: the most commonly used phrasal verbs; activities and examples that reflect our current technology and the world around us; an expanded introduction for the teacher with a thorough breakdown and explanation of phrasal verbs; and, a discussion of separable and inseparable phrasal verbs in Unit I, and more. This book's hundreds of examples in context and hundreds of exercises will be extremely useful to ESL students who are preparing for TOEFL or who simply wish to improve their English.

Vanka Elb Publishing

This book has been written as a learning aid for EFL students (English as a Foreign Language). It is geared towards upper-intermediate and advanced students, and the first half goes over the most common verbs (e.g. come, bring, put, and make)

while the second half runs through the most common prepositions (e.g. up, down, with, and on). The phrasal verbs are grouped together to make them sink in quicker. Multiple images are included in every chapter to draw out the various shades of meaning and to make the words easier to memorize. Each chapter has at least one vocabulary table, one micro-text, one short exercise, and several striking images. At the end of the book, the vocabulary is revised in a number of exercises for antonyms and synonyms. For learners who are hungry for extra resources, there is a playlist on YouTube with almost 100 video lessons ('Learn Phrasal Verbs') that focus on the same vocabulary. This coursebook, combined with the videos, is ideal for self-study, but it could also be used in the classroom.
