## LANE REEVES

### Computer-Related Risks All Seasons Press

For the first time in paperback, New York Times best-selling author Roger Stone's insider tell-all about the presidential campaign that shocked the world. This consummate political strategist continues to be front page news and has updated the book to respond to Robert Mueller's charges. Two years ago, Roger Stone, a New York Times bestselling author, longtime political adviser and friend to Donald Trump, and consummate Republican strategist, gave us *Making of the President 2016*—the first in-depth examination of how Trump's campaign delivered the biggest presidential election upset in history. But since then, the Deep State political establishment has worked tirelessly to undo those results. *The Myth of Russian Collusion* adds to and updates Stone's initial work to set the record straight. Trump's election win was a resounding repudiation of the failed leadership of both parties. The American people wanted something new, and President Trump has delivered: his tax cuts and regulatory rollbacks have given us the strongest economy in American history, he is relentless in his efforts to protect American citizens, and he refuses to do business as usual. But America's ruling elite and liberal media, feeling threatened, have conspired to create the biggest witch hunt in our country's history. The phony narrative that Trump was in cahoots with Vladimir Putin, Mueller's charges that Roger Stone knew about the Wikileaks emails before release—all is debunked here. With a new introduction that responds to the Mueller investigation, *The Myth of Russian Collusion* is the true story of the Trump campaign that the establishment doesn't want you to believe.

### So Many Christians, So Few Lions Simon and Schuster

The most comprehensive account to date of the 9/11 attack on the Pentagon and aftermath, this volume includes unprecedented details on the impact on the Pentagon building and personnel and the scope of the rescue, recovery, and caregiving effort. It features 32 pages of photographs and more than a dozen diagrams and illustrations not previously available.

### Collusion Bombardier Books

An acerbic, withering account of the ascent of the Bush family to the pinnacle of the American political and social elite and the implications of the dynasty's hold on power for democracy in America. With an unerring instinct for fakery and humbug, Phillips traces the convoluted trail of Bush mendacity through three generations. The picture he paints of a family willing to do ANYTHING to hold power and a country so craven as to vote for it is both very funny and completely dismaying in equal measure.

### In Trump Time Macmillan

In this New York Times bestselling book, Robert H. Bork, our country's most distinguished conservative scholar, offers a

prophetic and unprecedented view of a culture in decline, a nation in such serious moral trouble that its very foundation is crumbling: a nation that slouches not towards the Bethlehem envisioned by the poet Yeats in 1919, but towards Gomorrah. *Slouching Towards Gomorrah* is a penetrating, devastatingly insightful exposé of a country in crisis at the end of the millennium, where the rise of modern liberalism, which stresses the dual forces of radical egalitarianism (the equality of outcomes rather than opportunities) and radical individualism (the drastic reduction of limits to personal gratification), has undermined our culture, our intellect, and our morality. In a new Afterword, the author highlights recent disturbing trends in our laws and society, with special attention to matters of sex and censorship, race relations, and the relentless erosion of American moral values. The alarm he sounds is more sobering than ever: we can accept our fate and try to insulate ourselves from the effects of a degenerating culture, or we can choose to halt the beast, to oppose modern liberalism in every arena. The will to resist, he warns, remains our only hope.

### The Scandalous Presidency of Barack Obama Springer

At once a memoir, a call to support the Boycott, Divestment and Sanctions movement, and an argument for queer solidarity across borders, this book tells the story of how novelist and activist Sarah Schulman's became aware of how issues of the Israeli occupation of Palestine were tied to her own gay and lesbian politics.

### Why Lawsuits are Good for America Cengage Learning

From 2017 to 2019, the Committee held hearings, conducted interviews, and reviewed intelligence related to Russian attempts in 2016 to access election infrastructure. The Committee sought to determine the extent of Russian activities, identify the response of the U.S. Government at the state, local, and federal level to the threat, and make recommendations on how to better prepare for such threats in the future. The Committee received testimony from state election officials, Obama administration officials, and those in the Intelligence Community and elsewhere in the U.S. Government responsible for evaluating threats to elections.

### Israel/Palestine and the Queer International Rowman & Littlefield

Over the years, Hollywood has learned the secret of how to captivate our minds through the art of make-believe. Life in our world has become so unpredictable and uncertain, that it has become hard to distinguish between real-life and make-believe. It's time for God's true people to "wake up," and distance themselves as much as possible from the perils of a negative world; and take time to live a life filled with hope and promise. Putting our trust in God, loving and enjoying our families, respecting others and showing appreciation to our friends can put us in the frame of mind to continuously thank God for the precious time He has allowed us on this earth. Thomas Vincent Murphy has been involved in the music industry as a writer,

arranger, producer and performer. He has been a major part of many music projects and productions. His peers, the public and the critics have given him high marks; but his desire to please God keeps him humble in a world filled with arrogant people. He has worked closely with radio and television for years by writing jingles, music for television commercials seen worldwide, being music director for a television program, and by hosting and being the executive producer of his own radio programs. His Christian variety program "Murph's Positive Reflections" is being heard worldwide in individual markets and by advanced satellite technology and the internet. He enjoys broadcasting his "live" weekly program from "The Broadcast Center" in NW Florida each Sunday; which is a varied version of the worldwide program. As a newspaper columnist, he's able to reach people with positive messages each week through his writings. Thomas is thankful to God for his family, many blessings, gifts and opportunities.

### The Rule of Lawyers Lawfare Press

Turbulent times. Economic disruptions. Pandemics, wars and civil strife. Hidden and secret cabals. Global elites. Mysterious symbols. Missing money. Surveillance and microchips. Where is the world heading? Just who has control, and what are their goals? While we are assured by our leaders that global treaties and international organizations such as the International Monetary Fund and United Nations are wholly benign and beneficial in nature, are they actually the foundation for an authoritarian world government? Are powerful cabals and front organizations orchestrating political and financial events in a nefarious attempt to destroy individual nations and achieve world domination? Uncovering the hidden power and the inner workings behind more than 200 events, organizations, people, symbols, pop-cultural references, and other examples underlying suspicions of the looming New World Order, *The New World Order Book* reveals and uncovers the truth behind the disconcerting reasons for the rapidly expanding militarization of the police; the increase in doctors prescribing mood-changing drugs to the nation's children; the manipulative actions of the Illuminati and the Freemasons; population control; the surveillance of social media, emails, and phone calls; Project Blue Beam: an alleged, top secret program to create a faked alien invasion; the rise of a so-called Fourth Reich; the further expansion of the Patriot Act; suspicious deaths; "end times" scenarios; banking elites; and the microchipping and tracking of the human population; to name just a few. It takes a compelling look at 7/7; 9/11; Anthrax Attack; Bohemian Grove; Brexit; Bretton Woods System; Charlie Hebdo; China's Influence; Climate Change; Department of Homeland Security; Donald Trump and the NWO; Edward Snowden; European Union; FEMA Detention Camps; Flow of Immigrants; Fourth Reich; Freedom of Information Act Erosion; Freemasonry; Hackers; ISIS; Malta Conference; Manchurian Candidates; Mass Surveillance; Media Manipulation; Medicating the Population; Microchips for People; Mind Control; National Security Agency; No

Fly List; Patriot Act; Rise of Russia; Skull and Bones; Spying via a Laptop's Camera; Surveillance Cameras; Terror Alerts; Tightening Gun Laws; Tor Project; Trilateral Commission; U.K. Independence Party; United Nations; Vatican; Whistleblowers; Wikileaks; Wiretapping; World Bank Group; Your Smart TV is Spying; Zika Virus; and much, much more.... Tracing the power and destructive effects of the global elite and their plots, *The New World Order Book* exposes their unpleasant reach into the daily operations of today's world. It also includes a helpful bibliography and an extensive index, adding to its usefulness.

**Slouching Towards Gomorrah** Penguin UK

Report of the House Permanent Select Committee on Intelligence, Pursuant to H. Res. 660 in Consultation with the House Committee on Oversight and Reform and the House Committee on Foreign Affairs This report reflects the evidence gathered thus far by the House Permanent Select Committee on Intelligence, in coordination with the Committee on Oversight and Reform and the Committee on Foreign Affairs, as part of the House of Representatives' impeachment inquiry into Donald J. Trump, the 45th President of the United States.

**Trial Memorandum Of President Donald J. Trump** Springer

*So Many Christians, So Few Lions* is a provocative look at anti-Christian sentiments in America. Drawing on both quantitative and qualitative research, authors George Yancey and David A. Williamson show that even though (or perhaps because) Christianity is the dominant religion in the United States, bias against Christians also exists—particularly against conservative Christians—and that this bias is worth understanding. The book does not attempt to show the prevalence of anti-Christian sentiments—called Christianophobia—but rather to document it, to dig into where and how it exists, to explore who harbors these attitudes, and to examine how this bias plays itself out in everyday life. Excerpts from the authors' interviews highlight the fear and hatred that some people harbor towards Christians, especially the Christian right, and the ways these people exhibit elements of bigotry, prejudice, and dehumanization. The authors argue that understanding anti-Christian bias is important for understanding some social dynamics in America, and they offer practical suggestions to help reduce religious intolerance of all kinds.

**The Testimony of Michael Cohen, Former Attorney to President Donald Trump** F A Davis Company

The first comprehensive analysis of recent lawsuits against gun makers

*Pentagon 9/11* Xulon Press

Did Donald J. Trump, the President of the United States, commit bank fraud and tax fraud on a massive and continuing scale while in office? Did he write hush-money checks before the 2016 election to silence women with whom he had hidden extramarital relationships, thus breaking campaign finance laws? Did he use non-profit charitable foundation funds to line his own pockets and furnish art for his golf clubhouses? Did he put himself in league with Russian oligarchs close to Vladimir Putin? Was he a racist, a conman and a cheat? Did he lie to the nation and the world over 8700 times in the first three years of his Presidency? Bolstered by documentary exhibits and on the strength of his decade of service as Donald Trump's former attorney, Michael Cohen made such allegations during his testimony and hearings of February 29, 2019 before the House Committee on Oversight & Reform. A series of 24 Democratic representatives of the House questioned him for proof and details of these claims. Alternatively, was Michael Cohen, convicted of lying before Congress, the very body before which he had once again been called, discredited as a witness and incapable of telling the truth? Was the hearing an exercise in futility and only designed to smear the President? That thesis was the counter-strategy employed by 18 Republican representatives of the House as they questioned Mr. Cohen. The partisan disputes during the public proceedings reflected sharp divisions in the American body politic. Still, the speakers labeled each other "gentleman" and "gentlelady" throughout. The transcript is complete, verbatim and carefully reconstructed from audio recordings. The transcribers played and replayed the words and phrases of each participant time and again until the correct text could be reproduced, right down to "um" and "ah." No annotations, omissions or additions interfere with the message. Thoroughly researched allusions and mentions of

names, locations, institutions, publications, and so forth, reflect the accurate spellings and background information. Evenhanded, non-biased illustrations for each of the 43 participants - from I.T. Meladeca - provide a rich, visual feel for the event. "This would be perfect for civics class... if we had civics classes anymore." "Every American - for that matter every citizen of the world - should determine if the claims of Michel Cohen are legitimate. The visual documentary evidence can help with that." "Whatever your political persuasion, this transcription will let you draw your own conclusions."

**Wake Up Crazy World!** Georgetown University Press

"The widely held assumption that the Israeli occupation of Palestinian territory is a temporary situation and that the 'peace process' will soon bring an end to Israeli abuses has obscured the reality on the ground today of Israel's entrenched discriminatory rule over Palestinians. A single authority, the Israeli government, rules primarily over the area between the Jordan River and Mediterranean Sea, populated by two groups of roughly equal size, methodologically privileging Jewish Israelis while repressing Palestinians, most severely in the Occupied Palestinian Territory (OPT), made-up of the West Bank, including East Jerusalem, and Gaza. Drawing on years of human rights documentation, case studies and a review of government planning documents, statements by officials and other sources, [this report] examines Israel's treatment of Palestinians and evaluates whether particular Israeli policies and practices in certain areas amount to the crimes against humanity of apartheid and persecution."--Page 4 of cover.

**The Congressional Budget Office** NYU Press

The official Senate Intelligence Committee report on 2016 election interference as released by the United States Senate. Volume 2 of 2 (pages 537 to 952)

**The Myth of Russian Collusion** Vintage

*Super Mad at Everything All the Time* explores the polarization of American politics through the collapse of the space between politics and culture, as bolstered by omnipresent media. It seeks to explain this perfect storm of money, technology, and partisanship that has created two entirely separate news spheres: a small, enclosed circle for the right wing and a sprawling expanse for everyone else. This leads to two sets of facts, two narratives, and two loudly divergent political sides with extraordinary anger all around. Based on extensive interviews with leading media figures and politicians, this book traces the development of the media machine, giving suggestions on how to restore our national dialogue while defending our right to disagree agreeably.

**Legal Terminology Explained** Independently Published

This is a printed copy of the "Trial Memorandum Of President Donald J. Trump In Proceedings Before The United States Senate" as produced by the Office of White House Counsel in the Impeachment proceedings before the United States Senate. The Articles of Impeachment now before the Senate are an affront to the Constitution and to our democratic institutions. The Articles themselves--and the rigged process that brought them here--are a brazenly political act by House Democrats that must be rejected. They debase the grave power of impeachment and disdain the solemn responsibility that power entails. Anyone having the most basic respect for the sovereign will of the American people would shudder at the enormity of casting a vote to impeach a duly elected President. By contrast, upon tallying their votes, House Democrats jeered until they were scolded into silence by the Speaker. The process that brought the articles here violated every precedent and every principle of fairness followed in impeachment inquiries for more than 150 years. Even so, all that House Democrats have succeeded in proving is that the President did absolutely nothing wrong.

**A Threshold Crossed** Duke University Press

The official report from the House Intelligence Committee on Donald Trump's secret pressure campaign against Ukraine, featuring an exclusive introduction by Pulitzer Prize-winning author and biographer Jon Meacham For only the fourth time in American history, the House of Representatives has conducted an impeachment inquiry into a sitting United States president. This landmark document details the findings of the House Intelligence Committee's historic investigation of whether President Donald J. Trump committed impeachable offenses when he sought to have Ukraine announce investigations of former vice president Joe

Biden and his son Hunter. Penetrating a dense web of connected activity by the president, his ambassador Gordon Sondland, his personal attorney Rudolph Giuliani, and many others, these pages offer a damning, blow-by-blow account of the president's attempts to "use the powers of his office to solicit foreign interference on his behalf in the 2020 election" and his subsequent attempts to obstruct the House investigation into his actions. Published here with an introduction offering critical context from bestselling presidential historian Jon Meacham, *The Impeachment Report* is necessary reading for every American concerned about the fate of our democracy.

**The Impeachment Report** Office of the Secretary, Historical Office

"Vertical ownership ties between cable television programming suppliers, such as CNN, HBO, and the Discovery Channel, and multiple cable television system operators, such as Time Warner and TCI, have become extensive. Many claim that such ownership ties reduce programming diversity, restrict entry of competitors to cable, such as local telephone exchange carriers or direct broadcast satellites, or have other socially undesirable effects."

"David Waterman and Andrew A. Weiss address those and related issues from an economic perspective. On the basis of that analysis, they conclude that to the extent there are economic or other social problems with the cable television industry's performance, policy solutions to those problems lie not with regulatory or other constraints on vertical ownership but with reducing the horizontal market power of the multiple cable television system operators. In a postscript the authors evaluate the Federal Trade Commission's approval of the Time Warner-Turner Broadcasting merger."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

**The Iran Nuclear Deal** Penguin

**#1 NEW YORK TIMES BESTSELLER** An explosive exposé that lays

out the story behind the Steele Dossier, including Russia's decades-in-the-making political game to upend American democracy and the Trump administration's ties to Moscow.

"Harding...presents a powerful case for Russian interference, and Trump campaign collusion, by collecting years of reporting on Trump's connections to Russia and putting it all together in a coherent narrative." —The Nation December 2016. Luke Harding, the Guardian reporter and former Moscow bureau chief, quietly meets former MI6 officer Christopher Steele in a London pub to discuss President-elect Donald Trump's Russia connections. A month later, Steele's now-famous dossier sparks what may be the biggest scandal of the modern era. The names of the Americans involved are well-known—Paul Manafort, Michael Flynn, Jared Kushner, George Papadopoulos, Carter Page—but here Harding also shines a light on powerful Russian figures like Aras Agalarov, Natalia Veselnitskaya, and Sergey Kislyak, whose motivations and instructions may have been coming from the highest echelons of the Kremlin. Drawing on new material and his expert understanding of Moscow and its players, Harding takes the reader through every bizarre and disquieting detail of the "Trump-Russia" story—an event so huge it involves international espionage, off-shore banks, sketchy real estate deals, the Miss Universe pageant, mobsters, money laundering, poisoned dissidents, computer hacking, and the most shocking election in American history.

**After Trump** MIT Press (MA)

*In Trump Time, A Journal of America's Plague Year*, tells the story of a President who worked night and day for the American people, who built the strongest economy in modern history, who would deliver a life-saving suite of vaccines to the American people literally at warp speed, but who would ultimately lose the 2020 election. Peter Navarro was one of only three senior White House officials by President Trump's side from the 2016 campaign to the end of the president's first term in office. Always moving *In Trump Time* as was his signature, Dr. Navarro was the first to sound the alarm within the West Wing about the pandemic. He played a pivotal role in the rapid development of both vaccines and therapeutics like Remdesivir. As Defense Production Act Policy Coordinator, Navarro was at the center of ramping up domestic production of critically needed Personal Protective Equipment and while helping President Trump ensure that every American who needed a ventilator had a ventilator. A compelling, page-turner of a book that tells the story of America 2020 from inside the White House.
