In this stunning New York Times bestselling follow-up to *The Notebook*, a hardworking but distant husband vows to win back the love of his life by looking to Noah and Allie's legendary romance. After thirty years, Wilson Lewis is forced to face a painful truth: the romance has gone out of his marriage. His wife, Jane, has fallen out of love with him, and it is entirely his fault. Despite the shining

example of his in-laws, Noah and Allie Calhoun, and their fifty-year love affair, Wilson himself is a man unable to express his true feelings. He has spent too little time at home and too much at the office, leaving the responsibility of raising their children to Jane. Now his daughter is about to marry, and his wife is thinking about leaving him. But if Wilson is sure of anything, it is this: His love for Jane has only grown over the years, and he will do everything he can to save their marriage. With the memories of Noah and Allie's inspiring life together as his guide, he vows to find

a way to make his wife fall in love with him...all over again. In this powerfully moving tale of love lost, rediscovered, and renewed, Nicholas Sparks once again brings readers his unique insight into the only emotion that ultimately really matters.

"Geeky has never been so sexy"(Carly Phillips) in this cosplay romantic comedy from the New York Times bestselling author of Boys of the Bayou series. Maya Goodwin doesn't believe in holding back. Ever. As a cop, she never hesitated to throw herself into harm's way to save

someone. Even after an injury on the job forces her to retire, she's not afraid to keep risking it all to get the life she wants. With a new career teaching martial arts to kids already underway, she's looking forward to the future - and taking a chance on the unbelievably hot Dr. Alex Nolan. Maya - daring and spontaneous - is the exact opposite of what Alex always thought he wanted. But when a nine-year-old daughter he never knew existed shows up on his doorstep, Maya is the one who helps them hold it together. With love on the line, will the guy who's always played it safe be willing to take the biggest risk of all?

Treat yourself to an epic #1 New York Times bestselling love story that spans decades and continents as two people at a crossroads -- one from North Carolina and one from Zimbabwe -- experience the transcendence and heartbreak of true love. Hope Anderson has some important choices to make. At thirty-six, she's been dating her boyfriend, an orthopedic surgeon, for six years. With no wedding plans in sight, and her father recently diagnosed with ALS, she

decides to use a week at her family's cottage in Sunset Beach, North Carolina, to ready the house for sale and mull over some difficult decisions about her future. Tru Walls has never visited North Carolina but is summoned to Sunset Beach by a letter from a man claiming to be his father. A safari guide, born and raised in Zimbabwe, Tru hopes to unravel some of the mysteries surrounding his mother's early life and recapture memories lost with her death. When the two strangers cross paths, their connection is as electric as it is unfathomable . . . but in the immersive days that follow, their feelings for each other will give way to choices that pit family duty against personal happiness in devastating ways. Illuminating heartbreaking regrets and enduring

hope, Every Breath explores the many facets of love that lay claim to our deepest loyalties while asking a life-changing question: How long can a dream survive?

The travel industry has been through exceptional upheaval and change. Plunkett's Airline, Hotel & Travel Industry Almanac will be your complete guide to this fascinating industry. After reeling from the effects of the September 11, 2001 tragedies, the travel business is now emerging as a more streamlined, efficient and focused industry. Many of the biggest, most successful firms are becoming extremely global in nature. Meanwhile, most airlines are struggling to return to profitability, while low-cost

providers Southwest Airlines and JetBlue continue to set the standard for air travel. Deregulation is opening up huge travel markets in India and China. On the hotel side, massive management firms, development companies and real estate investment trusts are gaining in scale and influence. The booking of travel online is perhaps the most successful niche of all of the world's e-commerce efforts. Consumers use the Internet to become better informed and to seek bargains. Online sites like Travelocity, Priceline and Orbitz steer millions of consumers toward specific airlines and hotels in a manner that lowers prices and improves satisfaction among consumers. The exciting new reference book (which includes a fully-featured database on CD-ROM) will give you

access to the complete scope of the travel industry, including: Analysis of major trends; Market research; Statistics and historical tables; Airlines; Hotel operators; Entertainment destinations such as resorts and theme parks; Tour operators; The largest travel agencies; E-commerce firms; Cruise lines; Casino hotels; Car rental; and much, much more. You'll find a complete overview, industry analysis and market research report in one superb, value-priced package. It contains thousands of contacts for business and industry leaders, industry associations, Internet sites and other resources. This book also includes statistical tables, a travel industry glossary, industry contacts and thorough indexes. The corporate profile section of the book includes our

proprietary, in-depth profiles of over 300 leading companies in all facets of the travel industry. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key information, addresses, phone numbers and executive names with titles for every company profiled.

Fall in love with this small-town love story about a widower sheriff and a divorced schoolteacher who are searching for second chances -- only to be threatened by long-held secrets of the past. Miles Ryan's life seemed to end the day his wife was killed in a hit-and-run accident two years ago. As deputy

sheriff of New Bern, North Carolina, he not only grieves for her and worries about their young son Jonah but longs to bring the unknown driver to justice. Then Miles meets Sarah Andrews, Jonah's second-grade teacher. A young woman recovering from a difficult divorce, Sarah moved to New Bern hoping to start over. Tentatively, Miles and Sarah reach out to each other...soon they are falling in love. But what neither realizes is that they are also bound together by a shocking secret, one that will force them to reexamine everything they believe in—including their love.

THEATERS FEBRUARY 5, 2016! Starring Benjamin Walker, Teresa Palmer, Maggie Grace, Alexandra Daddario and Tom Welling #1 New York Times bestseller Nicholas Sparks turns his unrivaled talents to a new tale about love found and lost, and the choices we hope we'll never have to make. Travis Parker has everything a man could want: a good job, loyal friends, even a waterfront home in small-town North Carolina. In full pursuit of the good life - boating, swimming , and regular barbecues with his good-natured buddies -- he holds the vague conviction that a serious relationship with a woman would only cramp his style. That is, until Gabby Holland moves in next door. Spanning the eventful years of young love, marriage and family, THE CHOICE

ultimately confronts us with the most heartwrenching question of all: how far would you go to keep the hope of love alive?

Traditional understandings of the genesis of the separation of church and state rest on assumptions about "Enlightenment" and the republican ethos of citizenship. In The Religious Roots of the First Amendment, Nicholas P. Miller does not seek to dislodge that interpretation but to augment and enrich it by recovering its cultural and discursive religious contexts--specifically the discourse of Protestant dissent. He argues that commitments by certain dissenting Protestants to the right of private judgment in matters of Biblical interpretation, an outgrowth of the

doctrine of the priesthood of all believers, helped promote religious disestablishment in the early modern West. This movement climaxed in the disestablishment of religion in the early American colonies and nation. Miller identifies a continuous strand of this religious thought from the Protestant Reformation, across Europe, through the English Reformation, Civil War, and Restoration, into the American colonies. He examines seven key thinkers who played a major role in the development of this religious trajectory as it came to fruition in American political and legal history: William Penn, John Locke, Elisha Williams, Isaac Backus, William Livingston, John Witherspoon, and James Madison. Miller shows that the separation of church and state can be

read, most persuasively, as the triumph of a particular strand of Protestant nonconformity-that which stretched back to the Puritan separatist and the Restoration sects, rather than to those, like Presbyterians, who sought to replace the "wrong" church establishment with their own, "right" one. The Religious Roots of the First Amendment contributes powerfully to the current trend among some historians to rescue the eighteenth-century clergymen and religious controversialists from the enormous condescension of posterity. *Investing in International Real Estate For Dummies* Nicholas, the New Boy in School
It is said that movies have encroached upon social realities creating tourism enclaves based on distortions of history

and heritage, or simulations that disregard both. What localities and nation-states value are discarded, suppressed, or modified beyond recognition in neoliberal markets; thus flattening out human experience, destroying natural habitats in the name of development, and putting the future of whole ecosystems at risk. Without disregarding such developmental risks *Cinematic Tourist Mobilities and the Plight of Development* explores how, en route to any beneficial or eco-destructive development, film tourist industries co-produce atmospheres of place and culture with tourists/film fans, local activists, and nation-states. Drawing on international examples of cinematically-induced tourism and tourismophobic activism, Tzanelli demonstrates how the

allegedly unilateral industry-driven 'design' of location stands at a crossroads between political structures, systems of capitalist development, and resurgent localised agency. With an interdisciplinary methodological and epistemological portfolio connected to the new mobilities paradigm, this volume will appeal to scholars, students, and practitioners interested in tourism, migration, and urban studies in sociology, anthropology, geography, and international relations.

What do Google, Snapchat, Tinder, Amazon, and Uber have in common, besides soaring market share? They're platforms - a new business model that has quietly become the only game in

town, creating vast fortunes for its founders while dominating everyone's daily life. A platform, by definition, creates value by facilitating an exchange between two or more interdependent groups. So, rather than making things, they simply connect people. The Internet today is awash in platforms - Facebook is responsible for nearly 25 percent of total Web visits, and the Google platform crash in 2013 took about 40 percent of Internet traffic with it. Representing the ten most trafficked sites in the U.S., platforms are also prominent over the globe; in China, they hold the top eight spots in web traffic rankings. The advent of mobile computing and its ubiquitous connectivity have forever altered how we interact with each other, melding the digital and physical worlds and blurring

distinctions between "offline" and "online." These platform giants are expanding their influence from the digital world to the whole economy. Yet, few people truly grasp the radical structural shifts of the last ten years. In *Modern Monopolies*, Alex Moazed and Nicholas L. Johnson tell the definitive story of what has changed, what it means for businesses today, and how managers, entrepreneurs, and business owners can adapt and thrive in this new era.

Have you ever wondered why some people seem to have everything they could ever want or need in life, all while others are left with merely the dreams of achieving those same things? Have you ever wondered that if someone else could live the life of their dreams - then why couldn't you live the life of your dreams? Do successful individuals have something you don't? No. Do successful

individuals know something you don't? Absolutely! This extraordinary, practical and action-oriented book by Nicholas Dodge is going to show you exactly how to develop the proper mindset all successful individuals have in order to live the life you've always wanted to live. Coming from past experiences with horrible mental and physical health, major financial struggles, sexual abuse and suicidal thoughts and tendencies, Nicholas Dodge will explain EXACTLY how he overcame his worst circumstances to live a life worth living, and how you can do the same for yourself. If you find yourself... Battling issues with self-confidence Struggling with negative self-talk habits Lacking motivation and determination Failing to achieve your personal goalsthen a

change in mindset is a MUST! In his groundbreaking book *Mindset Mastery*, Nicholas Dodge shares with you his personal journey through developing a mastered mindset and busts the myth that you can't be successful and free by challenging everything you've been told in life. Unfortunately, people that remain with their flawed mindsets tend to stay that way for the rest of their lives, unless they address their issues and make it a point to assess them to generate success and freedom. Fortunately, that is exactly what you will do with this remarkable experience. This book will help you: Tackle challenges and face problems you never thought possible. Construct your personal goals and positive affirmations. Develop a way of thinking that encourages a prosperous

future. Improve self-confidence, mood and feelings. Become an alpha in a world filled with betas. Motivate yourself to reach you goals and maximum potential in life. Overcome negative energies that impact everyday thoughts or actions. Live an extravagant life filled with success and freedom. Follow my advice and you too could live the life of your dreams. Why settle for anything short of your greatest desires? What's keeping you from being successful and free?" *Plunkett's Airline, Hotel & Travel Industry Almanac 2007* Cambridge University Press
