Getting drunk homecoming night your senior year is never a good idea, but Jake Hayes never expected it all to end with a car crash and a t-post embedded in his throat. His biggest regret about it all? What he never said to Samantha Shay. He's been in love with her for years and never had the guts to tell her. Now it's too late. Because after that night, Jake will never be able to talk again. When Jake returns to his small island home, population 5,000, he'll have to learn how to deal with being mute. He also finds that his family isn't limited to his six brothers and sisters, that sometimes an entire island is watching out for you. And when he gets the chance to spend more time with Samantha, she'll help him learn that not being able to talk isn't the worst thing that could ever happen to you. Maybe, if she'll let him, Jake will finally tell her what he didn't say before, even if he can't actually say it.

This volume is the result of a conference held in October 2015 in connection with the Frankfurt Book Fair discussing developments that are considered important in contemporary Indonesian cultural productions. The first part of the book reflects on the traumatic experiences of the Indonesian nation caused by a failed coup on October 1, 1965. In more general theoretical terms, this topic connects to the field of memory studies, which, in recent decades, has made an academic comeback. The focus of the chapters in this section is how certain, often distressing, events are represented in narratives in a variety of media that are periodically renewed, changed, rehearsed, repeated, and performed, in order to become or stay part of the

collective memory of a certain group of people. The second part of the book explores how forces of globalisation have impacted upon the local and, linguistically surprisingly, rather homogeneous cultural productions of Indonesia. The main strands of inquiry in this second section are topics of global trends in religion, responses to urban development, the impact of popular literary developments, and how traditions are revisited in order to come to terms with international cultural developments.

Thrilling...an engrossing, emotionally rankling speed-read...original and sure-footed.' Big Issue [UK] Told in short, cinematic bursts, *Vengeance Is Mine, All Others Pay Cash* is gloriously pulpy. Ajo Kawir, a lower-class Javanese teenage boy excited about sex, likes to spy on fellow villagers in flagrante, but one night he ends up witnessing the savage rape of a beautiful crazy woman. Deeply traumatised, he becomes impotent, turns to fighting as a way to vent his frustrations. *Vengeance Is Mine, All Others Pay Cash* shows Eka Kurniawan in a gritty, comic, pungent mode that fans of Quentin Tarantino will appreciate. But even with its liberal peppering of fights, high-speed car chases, and ladies heaving with desire, the novel continues to explore Kurniawan's familiar themes of female agency in a violent and corrupt male world. Eka Kurniawan was born in 1975 and is the author of novels, short stories, essays, movie scripts, and graphic novels. He has been described by the Jakarta Post as 'one of the few influential writers in Indonesia.' His first novel to be translated into English, *Beauty Is a Wound*, was released in 2015. 'An unusual and provocative novel...A page turner, and well worth

your attention.’ AU Review ‘[Kurniawan] habitually drives his narratives between the extreme poles of the crass and the sublime, the tragic and the comedic, the surreal and the real.’ South China Morning Post ‘It’s funny, enraging, and touching.’ Village Voice ‘I believe the phrase is “page-turner”’ Words Without Borders ‘Kurniawan gives the reader an original plot while managing to include a good helping of black humour, plenty of irony, corruption and a man who talks to his penis (which occasionally answers him)...Funny and a bit crazy.’ BookMooch ‘Eka Kurniawan’s English-language debut, *Beauty Is a Wound*, was released to much acclaim in 2015, introducing the Indonesian writer to a whole new audience. Told in short, cinematic bursts, his follow-up is gloriously pulpy as it continues to explore familiar themes of female agency in a violent and corrupt male world. Kurniawan is not for the faint-hearted, but his gritty, comic style will definitely be appreciated by fans of Quentin Tarantino.’ Readings ‘An arresting portrait of Indonesia’s struggle for nationhood, delights in obscenity: no topic is spared from its bloodthirsty brand of satire.’ New Yorker on *Beauty is a Wound* ‘*Beauty Is a Wound* is an epic of a kind that could only come from the pen of an Indonesian...Kurniawan’s creative ambition and scope are traditional in some senses, but his deeply strange work is profoundly original.’ Australian on *Beauty is a Wound*

Attached to her body is a letter from her killer, which details a famous unethical psychological experiment—an experiment that the killer had replicated on the victim, resulting in her death. When it becomes apparent that each victim has ties to the university, the detectives realize they’re chasing a killer unlike any they’ve hunted before—one who doesn’t just want his victims’ bodies, but their minds as well. As they rush to prevent any more deaths, they are forced to delve into the darkest channels of psychological research in an attempt to understand the motives of the madman. *Supernova* HarperCollins
