The purpose of this book is to provide new pilots with a source of readily available information and act as a resource for instructors to transfer knowledge and visualize flight maneuvers. The information is intended to be found quickly when needed. Private Pilot Handbook is a reference book and has been developed specifically for those interested in acquiring or in need of a flight review for a Private Pilot License (PPL). Private Pilot Handbook covers a range of subject matters associated with Private Pilot Airman Certification Standards (ACS), Maneuvers, Oral/Written/Practical Exam Guide, VFR Communication Practices, ATC, and Comprehensive Private Pilot Glossary. Private Pilots must become familiar with continuously changing regulations and procedures. The Private Pilot Handbook is designed for student pilots, ground instructors, flight instructors, and others with a special interest in aviation. The main topics in private pilot training are briefly explained on a need-to-know basis, while topics students frequently have the most difficulty in are given in detail. Every pilot should be familiar with and use the current FAR-AIM, Pilot Operation Handbook (POH), and Aircraft Flight Manual (AFM). The main sources used in the preparation of the Private Pilot Handbook are the aviation publications stated in the Airmen Certification Standards (ACS) in Figure 2B. For testing guidance, "underlined text and notes" cover questions asked in the written and practice exams.

Study and Reference Guide Asa Fast-Track Test Guides Private Pilot Checkride (Preparation and Study Guide) is a concise outline of the practical exam under the new ACS. This book outlines the basic flow of the private pilot checkride, then goes into greater detail with regard to specific areas students struggle when studying. Easy to memorize charts and informative pictures and lists are sure to help you be better prepared for your checkride and ease your anxiety at the same time. The weather section can also be used as a refresher when decoding standard

weather briefings after you earn your private pilot license.
