[Los culpables](#) McGraw Hill Professional
 La diferencia entre un presumido y un sabio es que el presumido solo aprecia lo que ya sabe y el sabio busca lo que aún no conoce. Esta es una de las muchas lecciones que aprende Juan de su tío Tito, un bibliófilo empedernido que come con la boca abierta y adora las arañas. Y es que lo que Juan pensaba que serían unas aburridas vacaciones de verano se convierten en toda una aventura en busca de un libro salvaje...
[The Lonely Mailman](#) Penguin
 A family holiday creates unexpected drama when Liv, Ellen and Håkon's elderly parents announce their decision to divorce. The Norwegian Anne Tyler makes her English debut in a beautiful, insightful and perceptive novel. ***Winner of the Norwegian Booksellers' Prize***
[The most beautiful, elegant writing I've read in a long time. If you love Anne Tyler, you will ADORE this!](#) Joanna Cannon 'A thoughtful and reflective novel about parents, siblings and the complex - and often challenging - ties that bind them' Hannah Beckerman Observer 'I absolutely loved its quiet, insightful generosity' Claire King
[When Liv, Ellen and Håkon, along with their partners and children, arrive in Rome to celebrate their father's seventieth birthday, a quiet earthquake occurs: their parents have decided to divorce. Shocked and disbelieving, the siblings try to come to terms with their parents' decision as it echoes through the homes they have built for themselves, and forces them to reconstruct the shared narrative of their childhood and family history. A bittersweet novel of regret, relationships and rare insights, A Modern Family encourages us to look at the people closest to us a little more carefully, and ultimately reveals that it's never too late for change...](#)
[The author has been dubbed the Norwegian Anne Tyler and for good reason. Three generations of a family head on a holiday to Italy to celebrate patriarch Sverre's 70th birthday - but he and his wife have life-changing news to share. If you love books about dysfunctional families, you'll love this!](#) Good Housekeeping 'As they rebuild their childhood memories, it's telling that their perceptions of themselves and their family relationships are so dramatically different. In quiet prose, Helga Flatland writes with elegance and subtle humour to produce a shrewd and insightful examination of the psychology of family and of loss' Daily Express 'I love the sophistication, directness and tenderness of this book' Claire Dyer 'So perceptive and clever' Rónán Hession 'This is a super exploration of families that I'd urge you to read for the subtle prose, with well defined characters and a strong storyline'

Sheila O'Reilly 'It is the most satisfying book that I've read in a long time, and the most clear-eyed, honest, yet sympathetic examination of relationships that I have ever read. The subtlety with which she portrays the inconsistencies between how the characters see each other versus how they see themselves is masterful' Sara Taylor 'Reading Helga Flatland's A Modern Family is like watching the sun rise on a cloudy horizon; light whispers and dances and breaks over the clouds. Layers of deliciously cumulative insight - a moving and exquisite read' Shelan Rodger 'A beautifully written novel, bittersweet, moving and poignant ... a wise novel of great insight' New Books Magazine 'Flatland has the gift that I most often covet in the work of other writers: the ability to make everyday events compelling ... an utterly compelling and satisfying read. It reminds us how full and rich life is, how the quietest existence can brim with urgency and drama' Ann Morgan 'A novel that prods and provokes ... fascinating, incredibly profound, yet somehow tender, this really does encourage an exploration of a modern family' LoveReading

 Darkus and his friends continue their unforgettable adventure in this final installment of the Beetle Boy trilogy. The final installment in the Beetle Boy trilogy!Cruel beetle fashionista Lucretia Cutter is still at large with her yellow ladybird spies. And now that she's brainwashed Darkus's father to stay by her side -- he, Virginia, and Bertolt are determined to stop her... once and for all. The final installment in the Beetle trilogy flies readers to Lucretia's secret Biome hidden in the Amazon rain forest. If they can't stop Lucretia, she will release her hoard of giant Frankenstein beetles, and the planet will never be the same again...Hope rests on an army of beetles and three determined children. Can Darkus and his friends, human and beetle alike, find it before it's too late?
The Boy with the Cuckoo-Clock Heart Pushkin Children's Books
 With contributions from seven of Mexico's finest journalists, this is reportage at its bravest and most necessary - it has the power to change the world's view of their country, and by the force of its truth, to start to heal the country's many sorrows. Supported the Arts Council Grant's for the Arts Programme and by PEN Promotes Veering between carnival and apocalypse, Mexico has in the last ten years become the epicentre of the international drug trade. The so-called "war on drugs" has been a brutal and chaotic failure (more than 160,000 lives have been lost). The drug cartels and the forces of law and order are often in collusion, corruption is everywhere. Life is cheap and inconvenient people - the poor, the unlucky, the honest or the inquisitive - can be "disappeared" leaving not a trace behind (in September 2015, more than 26,798 were officially registered as "not located"). Yet people in all walks

of life have refused to give up. Diego Enrique Osorno and Juan Villoro tell stories of teenage prostitution and Mexico's street children. Anabel Hernández and Emiliano Ruiz Parra give chilling accounts of the "disappearance" of forty-three students and the murder of a self-educated land lawyer. Sergio González Rodríguez and Marcela Turati dissect the impact of the violence on the victims and those left behind, while Lydia Cacho contributes a journal of what it is like to live every day of your life under threat of death. Reading these accounts we begin to understand the true nature of the meltdown of democracy, obscured by lurid headlines, and the sheer physical and intellectual courage needed to oppose it.

Henry Huggins Little, Brown Books for Young Readers
 Ellie thinks she looks awful. Horrible. FAT. Her best friends are both drop-dead gorgeous and Ellie's sick of being the ugly duckling. So she goes on a diet. And she even starts to exercise, much to her friends' and her gym teacher's amazement. Ellie's hungry all the time, she works out every spare second, and she's turned into a grouchy meanie. But if her friends don't want to deal with the new and improved Ellie, that's their problem. It's better to be thin than happy. Isn't it?

The Diamond Girls Penguin
 A murder at the Edgar Allan Poe Museum in Richmond, Virginia, bears a close resemblance to one in Trondheim, Norway. The corpse of the museum curator in Virginia is found flayed in his office by the cleaning staff; the corpse of an archivist at the library in Norway, is found inside a locked vault used to store delicate and rare books. Richmond homicide detective Felicia Stone and Trondheim police inspector Odd Singsaker find themselves working on similar murder cases, committed the same way, but half a world away. And both murders are somehow connected to a sixteenth century palimpsest book--The Book of John--which appears to be a journal of a serial murderer back in 1529 Norway, a book bound in human skin.

Posada HarperCollins
 Heaven couldn't be a phone bank, could it? Charlotte Usher discovers that the afterlife isn't quite what she pictured when she's forced to intern at a hotline for troubled teens. Before she can officially cross over, she'll have to be a source of guidance for one such teen. The problem is she doesn't have much advice to offer since dying hasn't exactly boosted her confidence level. But when Hawthorne High's leading, love-to-hate cheerleader Petula and her gothic little sis' Scarlet find themselves suddenly resting-in-peace in comas, Charlotte's opportunity to save them will prove to be the risk of a lifetime-for all of them. Praise for ghostgirl: * Polished dark-and-deadpan humor, it's a natural fit with Gen Y, too." --Publishers Weekly (starred review) * "[Tonya] beats out witty teen-speak like a punk-band drummer, keeping the

narrative fast-paced and fun yet thought-provokingly heartwarming. Goofy, ghostly, intelligent, electrifying." --Kirkus (starred review) * "Tim Burton and Edgar Allan Poe devotees will die for this fantastic, phantasmal read." --School Library Journal (starred review) * "Readers with a taste for black humor and satire will feast on Hurley's crisp, wise dialogue. Anticipate a well deserved cult following." --VOYA (starred review)
Olivia Helps With Christmas Eerdmans Young Readers
 Dixie is the youngest Diamond girl. She and her sisters - dreamy Martine, glamorous Rochelle and tough Jude - could hardly be more different, but their mum has always tried to teach them the value of sticking together. Now Mum's expecting yet another baby, and she's convinced this one's a boy. She insists they move to a bigger place - but it's rough, dilapidated and filthy, and before they've even unpacked, Mum's gone into labour! Can the Diamond girls pull together in time for her to come home? And will anyone spot Mum's little secret but Dixie?
Where Evil Lies Chronicle Books
 Juan ya tiene planeadas las vacaciones de verano. Sin embargo, su madre ignora sus planes y lo deja en casa de Tío Tito, un bibliófilo empedernido que hace ruido cuando come y que le teme a los osos de peluche. Ahí, escondido entre los miles de ejemplares de la biblioteca de su tío, Juan tendrá que encontrar el Libro Salvaje, un libro rebelde que se resiste a la lectura y que guarda entre sus páginas un secreto destinado al lector que sea capaz de atraparlo.

An Elephantasy Ediciones SM España

Efectos personales fue el primer libro de ensayos del cuentista de La casa pierde y el novelista de Materia dispuesta. Con otras obras de Juan Villoro, ésta comparte el ritmo apasionado de la prosa y la capacidad de observación más certera. Para retratar a sus figuras, el autor se sirve en forma versátil del testimonio en corto (Alejandro Rossi), la sabrosa erudición (Ramón María del Valle-Inclán) o los ruidosos informes de contracultura (William S. Burroughs). En otros casos, se concentra en el detallado análisis de libros que han cambiado el curso de la literatura (Lolita, Pedro Páramo, El juguete rabioso, La isla del tesoro). Registro de lecturas compulsivas, Efectos personales incluye un safari al jardín ilustrado de Augusto Monterroso, un viaje sin aduanas por los territorios de Sergio Pitol, la indagación del exilio póstumo de Thomas Bernhard, el mapa de un país llamado Italo Calvino, la imaginativa confrontación de la pintura de Goya con las figuraciones de la "época negra" de Carlos Fuentes. Ensayos de inteligencia rápida, con frecuencia animados por el humor, estos quince episodios ofrecen las afinidades electivas de un narrador que, al reflexionar sobre los otros, traza un autorretrato conjetural y confirma el aforismo de Lichtenberg: "Un libro es como un espejo". Leer significa retratarse, entregar efectos personales.

Sloth Wasn't Sleepy Simon and Schuster

A wildly original, fantastical adventure—and now an animated move, Jack and the Cuckoo-Clock Heart—this international bestseller will charm readers of all ages. Edinburgh, 1874. Born with a frozen heart, Jack is near death when his mother abandons him to the care of Dr. Madeleine—witch doctor, midwife, protector of orphans—who saves Jack by placing a cuckoo clock in his chest. And it is in her orphanage that Jack grows up among tear-filled flasks, eggs containing memories, and a man with a musical spine. As Jack gets older, Dr. Madeleine warns him that his heart is too fragile for strong emotions: he must never, ever fall in love. And, of course, this is exactly what he does: on his tenth birthday and with head-over-heels abandon. The object of his ardor is Miss Acacia—a bespectacled young street performer with a soul-stirring voice. But now Jack's life is doubly at risk—his heart is in danger and so is his safety after he injures the school bully in a fight for the affections of the beautiful singer. Now begins a journey of escape and pursuit, from Edinburgh to Paris to Miss Acacia's home in Andalusia. Mathias Malzieu's *The Boy with the Cuckoo-Clock Heart* is a fantastical, wildly inventive tale of love

and heartbreak—by turns poignant and funny—in which Jack finally learns the great joys, and ultimately the greater costs, of owning a fully formed heart.
Things You Think About When You Bite Your Nails Delacorte Press
 Sofia comes from a family of storytellers. Here are her tales of growing up in the barrio in McAllen, Texas, full of the magic and mystery of family traditions: making Easter cascarones, celebrating el Día de los Muertos, preparing for quinceañera, rejoicing in the Christmas nacimiento, and curing homesickness by eating the tequila worm. When Sofia is singled out to receive a scholarship to boarding school, she longs to explore life beyond the barrio, even though it means leaving her family to navigate a strange world of rich, privileged kids. It's a different mundo, but one where Sofia's traditions take on new meaning and illuminate her path.

God is Round Wendy Lamb Books

"Yo soy Fontanarrosa", le dice a su viejo conocido, al terminar de jugar uno de los peores partidos de su vida. Sus compañeros de equipo son Chéjov, Tolstói, Kafka, Hemingway, Joyce y seis más, a todos los ha decepcionado. Es casi el final de un insólito día entre policías, escritores, futbolistas y la cabeza de Juárez. Este entrañable cuento de Villoro, a manera de crónica urbana, es un regalo de humor, pasión literaria y pasión futbolera
A Modern Family Little, Brown Books for Young Readers
 In this laugh-out-loud book that begs readers to break the rules, silliness and hilarity reign supreme! Perfect for fans of *The Book with No Pictures*. Wait--are you reading this book? Even though the cover asked you not to? Well, if you're going to read it, then you'll have to follow the rules, or you're going to have WAY too much fun. And you don't want to have FUN, do you? DO YOU?! That's what I thought. So definitely, positively, DO NOT read this book! Join along for zany antics, silly sounds, and endless fun in this breaks-the-fourth-wall book that will have readers coming back time and time again--regardless of what the title says. Praise for *Please Don't Read This Book*: "Inviting of energetic engagement and laughter." --Kirkus Reviews "A brilliant job of engaging even the most reluctant reader, showing how much fun a book can be." --New York Journal of Books "'Please Don't Read This Book!' is hard to resist — and that's clearly the plan." --The Virginian-Pilot

All's Faire in Middle School Pan Macmillan

A wordless picture book that captures the imagination Being a barbarian is no easy task. A barbarian must be able to survive an army of one-eyed giants or a pit of venomous snakes. He must bravely fight off manticores, dragons, and sea serpents. Luckily, a barbarian can always rely on his trusty steed to see him through any peril. Readers of all ages will savor this wordless picture book with its clever twist ending.

Yo soy Fontanarrosa New York : Urizen Books

This guide is a must-have for fans of the New York Times bestselling *How to Train Your Dragon* series that inspired the hit movie and TV show. This gift book features all of the dragon species from the series plus brand-new ones created just for this book, with color illustrations of each and every one!

The Return of the Killer Cat Penguin

Inspired by Judy Blume's *Forever* and Virginia Woolf's *Mrs. Dalloway*, this novel that Andrew Smith calls "beautiful, enchanting, [and] exquisitely written" is a new classic about teenage relationships, self-acceptance—and what happens when the walls we build start coming down. A Kirkus Best Book of 2017! Adam Thorn doesn't know it yet, but today will change his life. Between his religious family, a deeply unpleasant ultimatum from his boss, and his own unrequited love for his sort-of ex, Enzo, it seems as though Adam's life is falling apart. At least he has two people to keep him sane: his new boyfriend (he does love Linus, doesn't he?) and his best friend, Angela. But all day long, old memories and new heartaches come crashing together, throwing Adam's life into chaos. The bindings of his world are coming untied one by one; yet in spite of everything he has to let go, he may also find freedom in the release. From the New York Times bestselling author of *A Monster Calls* comes a raw, darkly funny, and deeply affecting story about the courage it takes to live your truth.

Rashomon and Seventeen Other Stories Orenda Books

"Relatable and comforting and challenging all at once. Don't be afraid to read this book." —Jenny Lawson, author of *Furiously Happy* A funny and wise guide and workbook for conquering fears, from the existential to the everyday, and defeating the monster those fears can become: anxiety This is a book about fear. About how it works, how it takes hold over us, and how it dogs us from childhood (the monsters under the bed) to adulthood (careers, relationships, accidentally sending that risky text to the wrong person—all the things that make us want to bite our nails). But this is also a book about that monster our fear can warp into when it grows too powerful, a phenomenon we are all too familiar with and that more and more of us are struggling against: anxiety. Author and illustrator Amalia Andrade had her own battle with anxiety, and not only did she make it out the other side, she learned sometimes it's the very thing that almost sinks you that can save you. Through the lessons, exercises, and often hilarious personal stories Amalia shares in these pages, together you will learn how to make those feelings your friends and turn your fears into superpowers. A PENGUIN LIFE TITLE
Please Don't Read This Book Fondo de Cultura Económica
 "We walked toward the part of the library where the air smelled as if it had been interred for years..... Finally, we got to the hallway where the wooden floor was the creakiest, and we sensed a strange whiff of excitement and fear. It smelled like a creature from a bygone time. It smelled like a dragon." Thirteen-year-old Juan's favorite things in the world are koalas, eating roast chicken, and the summer-time. This summer, though, is off to a terrible start. First, Juan's parents separate and his dad goes to Paris. Then, as if that wasn't horrible enough, Juan is sent away to his strange Uncle Tito's house for the entire break! Uncle Tito is really odd: he has zigzag eyebrows; drinks ten cups of smoky tea a day; and lives inside a huge, mysterious library. One day, while Juan is exploring the library, he notices something inexplicable and rushes to tell Uncle Tito. "The books moved!" His uncle drinks all his tea in one gulp and, sputtering, lets his nephew in on a secret: Juan is a Princeps Reader--which means books respond magically to him--and he's the only person capable of finding the elusive, never-before-read Wild Book. Juan teams up with his new friend Catalina and his little sister, and together they delve through books that scuttle from one shelf to the next, topple over unexpectedly, or even disappear altogether to find *The Wild Book* and discover its secret. But will they find it before the wicked, story-stealing Pirate Book does?
