Newspaper articles are written using an  
“inverted pyramid format” as shown  
below. The most important information is  
at the top (beginning of article) and the  
least important information is at the  
bottom (end of article).

The inverted Pyramid of writing newspaper  
reports

Journalists are taught to write news stories  
using this inverted pyramid structure.

They front-load their story, putting the  
essential and most attention-grabbing  
elements first, followed by supporting or  
explanatory information in order of  
diminishing importance. The least  
important information is at the bottom.
