This is the secret Jesus Christ used as a human being and has instructed, empowered and mandated us to do the same to live a powerful and fulfilled life on earth. The love and mercy of God is hidden in God's instruction and it is our responsibility to obey God's instruction in love and faith. The secret exposed in this book is for the salvation, deliverance, restoration and emancipation of humanity and the world. Irrespective of your calling or assignment, location or denomination; you need to use this secret to establish the power or kingdom of God on earth. The world is waiting for us to deploy this secret of the spirit.

Principles of the Kingdom: God's Success Principles (Special

Christmas Edition) Christian Faith Publishing, Inc.

Discover Secrets about the Kingdom of God! Over twenty years ago, I asked the Lord to show me the "big picture." I wanted to know what the kingdom of God was really all about. The denomination that I was raised in told me that there was nothing else to get once you were saved. But if there was more, I wanted to know what it was. Could I access it? The Lord began to reveal to me the kingdom of God and the principles that govern it. Over the years, little by little, He has led me into the discovery of these principles. Much of what is in this book is certainly taught in our churches today, but not nearly to the depth that the Lord opened to me. God unfolded seven principles that govern the kingdom of God that every born-again follower of Jesus Christ needs to understand. I studied and meditated on these principles until they became "Rhema" revelation to me, and I began to walk in a higher discipline in the kingdom realm than ever before. Now my spirit is more receptive to the things of the kingdom. I may not know everything about the kingdom of God, but I believe that even those who have been in ministry for many years will find revelation in this book that they didn't know before. Let's journey together to the Realms beyond the Gate!

The Kingdom of God is here! The defining message of Dr. Myles Munroe's life and work now available for the first time as a packaged collection. While many remember Dr. Munroe for delivering exceptional teaching on topics such as purpose, potential, vision, praise and worship, leadership, and even relationships, perhaps no revelation has been more important for the individual believer as his message on the Kingdom of God. Dr. Munroe served as a pioneer and prophetic voice, summoning people to experience and enjoy the fullness of their salvation in Christ. This came through discovering their purpose, unlocking their potential, and walking the earth as Kingdom citizens, fueled by Heaven's vision. Dr. Munroe now stands among the great cloud of witnesses in Heaven, still beckoning us onward to become representatives and ambassadors of the Kingdom of Heaven on earth. His voice continues to challenge Christ-followers around the world to fulfill their destinies. Today, Dr. Munroe's Kingdom message is more crucial than ever. In this hour of turmoil and upheaval, embrace your Kingdom purpose!

Seven Great Principles WestBow Press

We have created a society and group of people that now have

been pressured into thinking that you should amass extreme amounts of debt to pay for their education. The grave reality is that most individuals that accumulate this educational debt never have the capacity to repay it. And if they do repay it, it's certainly not in the short-term. People are carrying educational debt throughout a large portion of their life. Whether they know it or not, they are actually paying to get a job. This is a shocking statement but unfortunately it doesn't end here. As mindsets have been conditioned into owning a home, wearing certain types of clothing or driving fancy automobiles with no regard to cost, the average person is in severe debt before the age of 26. This is called bondage and being a servant to the lender. The rich ruleth over the poor, and the borrower is servant to the lender - Proverbs 22:7 (NJV)

It is this author's contention that God has several principles, which if followed can lead to success either in business or in life itself. He further contends that although many of these same principles may be found among the motivational speakers and thinkers of today, that they were originally derived from Holy Scripture, whether or not these modern spokespersons are aware of it. He points to Jesus' teachings on the growth and inclusiveness of the kingdom to show that not everyone who preaches or practices Kingdom principles will be found to be in the Kingdom at the end. The seventeen chapters of this book contain seventeen articles relating to seventeen of these principles with quotable quotes and examples from the author's novel, *Of Such Is The Kingdom*, A novel of Biblical Times. For a list of the principles included in this work, check the "Table of Contents."

Origen's *On First Principles* is a foundational work in the development of Christian thought and doctrine: it is the first attempt in history at a systematic Christian theology. For over a decade it has been out of print with only expensive used copies available; now it is available at an affordable price and in a more accessible format. *On First Principles* is the most important surviving text written by third-century Church father, Origen. Origen wrote in a time when fundamental doctrines had not yet been fully articulated by the Church, and contributed to the very formation of Christianity. Readers see Origen grappling with the mysteries of salvation and brainstorming how they can be understood. This edition presents G. W. Butterworth's trusted translation in a new, more readable format, retains the introduction by Henri de Lubac, and includes a new foreword by John C. Cavadini. As St. Gregory of Nazianzus, Doctor of the Church, wrote: "Origen is the stone on which all of us were sharpened."

About the Book *The Kingdom of God* is more than just a way of life, it's a culture that has the power to transform everything it touches. It's a culture of love, peace, mercy, and justice that's firmly rooted in the teachings of Jesus Christ and the Sermon on the Mount. This culture is the antithesis of the self-centered world

we live in, and it has the power to change individuals, families, communities, and even entire nations. When people embrace the principles of the Kingdom, they become catalysts for healing, hope, and love in a world that's often broken and hurting. Love is the cornerstone of this culture, and it's emphasized by Jesus when He commands us to love God and our neighbors. Peace in the Kingdom of God is unlike anything the world can offer, as it's rooted in God's love and grace and goes beyond the absence of conflict. Mercy is another essential element of the Kingdom culture, and it's modeled after our Heavenly Father's mercy. It involves forgiveness and compassion towards those who have wronged us, something that can be difficult in a world that often values revenge over forgiveness. Justice is also central to this culture, and it encompasses fair treatment for all, regardless of their race, religion, gender, or social status. The beauty and power of the Kingdom culture are undeniable. It has the potential to transform the world, but it all begins with personal transformation. We must live out the principles of the Kingdom in our own lives and share its message of hope and transformation with others. The journey towards global change can be a long and challenging one, but with the Kingdom of God as our guide, we can be sure that every step we take is one in the right direction. About the Author Meet Dr. David K. Ewen, a man on a mission to make a positive difference in the world. As an ordained Minister, he has dedicated his life to empowering men, nurturing marriages, and engaging in outreach initiatives. With an extensive educational background and diverse experience, he has made a profound impact in these areas. Dr. Ewen's journey began with a transformative educational experience, culminating in his certification from Harvard University after completing seminary studies. This rigorous training provided him with a strong theological foundation, equipping him with the knowledge and understanding to serve as a Minister. Driven by his passion for teaching and education, Dr. Ewen earned his Master of Education (M.Ed.) degree in 1988, and began sharing his expertise and insights with others. Recognizing the need for comprehensive education, he pursued further studies in business administration, deepening his understanding of organizational management and leadership. This knowledge became instrumental in his entrepreneurial pursuits, leading to the establishment of Enterprise College, a prominent global educational institution that

provides invaluable guidance and education to individuals across the globe. To further enrich his knowledge and better serve his diverse community, Dr. Ewen embarked on a journey of scholarly pursuit, earning his Doctor of Education (Ed.D.) degree in global communications. This advanced degree not only expanded his academic horizons but also equipped him with a deeper understanding of effective communication strategies in a rapidly changing world. Throughout his career, Dr. David K. Ewen has harnessed his diverse educational background and extensive experience to address critical aspects of human life. By focusing on men, marriages, and outreach, he has worked tirelessly to strengthen relationships, provide guidance, and offer transformative insights. His ministry extends beyond traditional boundaries, as he actively engages in outreach initiatives that seek to make a positive difference in the lives of individuals and communities.

New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

The normal Christian life should be anything but "normal"—it should be supernatural, one in which the living God expresses His very life in us and through us. With *So Much More!* Pastor Todd Hudson challenges all believers to embrace the supernatural power of God as a lifestyle. Todd is no stranger to his message. His own life has been supernaturally "wrecked," he says, by the Holy Spirit. When God called him to resign from the 4,000-member evangelical megachurch he led for nine years and plant a Spirit-filled church, he began a new ministry of calling believers to live in resurrection power today, not someday in the future. If you know deep inside that there must be so much more to the Christian life, then Todd will help you discover how to experience and release the kingdom in your life today—and tomorrow!

One Simple Principle: I will give you the keys to the kingdom of Heaven...The Journey: Returning to your foundation in God This book gives God's people the insight needed for them to get their power back through the principles of St. Matthew 16:19. God desires for those who have faith in Him to prosper and be victorious in every area of their life. Iris L. Jones was given the clarion call to "Write the vision and make it plain." Hence, God's words "Whatever you bind on earth will be bound in heaven, and whatever you loose on earth will be loosed in heaven" has been analyzed in this spiritual piece, which will bless those who "Seek ye first the kingdom of God." This book will speak to those who practice the Law of Faith and will bless those who are spiritual, not only religious.
