Little Bear's thank-you kiss from Grandmother gets passed on to him by many animals and greatly aids the skunks' romance.

Mouse Soup Book and CD Harper Collins

Welcome to Frog and his world. He enjoys nothing better than spending time floating in his pond or visiting with his friends. He appreciates the simpler things in life and would prefer that things stay just the way they are - nice and peaceful. From acclaimed children's writer Eve Bunting comes a new beginning reader series featuring the delightful Frog and his friends Rabbit, Possum, Raccoon, and Squirrel. In the first book Frog is alarmed when he finds a strange object in his pond, he tries to re-gift a scarf, and he makes friends with a runaway hippo. In Party at the Pond Frog is busy with

his autumn party, he is overseen dancing around the pond, and he narrowly escapes being turned into a prince. Retro-style artwork by illustrator Josée Masse gives a fresh, distinctive look to this new series.

At home, work, and out in our ever-changing world, we're all just doing our best. In this modern parody, Frog and Toad are here to commiserate and lend some laughter. Full of wry humor and deep compassion for our modern vulnerabilities, the stories in Frog and Toad Are Doing Their Best perfectly capture the heartwarming authenticity of Lobel's famous amphibian friends while revealing razor-sharp truths about the world we live in today. Through Frog and Toad, we see the anxieties that are woven throughout our everyday existence, from our well-meaning but often-failed attempts at practicing self-care to our struggle to balance the gifts and burdens of technology. Toad ponders a variety of questionable schemes to pay off his credit cards, while Frog spends too much time scrolling through the newsfeed on his phone. But despite their daily frustrations and existential concerns, they know that having a friend to share life's burdens makes even the darkest days brighter.

Meet Spike, a lovable monster—and a real-life salamander—who's looking for friends in this lively eBook with audio that includes Spanish vocabulary. Spike is a scary-looking salamander who keeps trying to frighten other animals—until he finds that using fear is not the best way to make friends. And since Spike lives in Mexico (he is an endangered species called the axolotl), this story is peppered with easy-to-understand Spanish words. In addition to a charming tale of friendship, this picture book contains nonfiction information about the axolotl and a Spanish/English glossary.

A reissue of Pam Munoz Ryan's bestselling backlist with a distinctive new author treatment. In this fast-paced, courageous, and inspiring story, readers adventure with Charlotte Parkhurst as she first finds work as a stable hand, becomes a famous stage-coach driver (performing brave feats and outwitting bandits), finds love as a woman but later resumes her identity as a man after the loss of a baby and the tragic death of her husband, and ultimately settles out west on the farm she'd dreamed of having since childhood. It wasn't until after her death that anyone discovered she was a woman.

Friends every day Good friends like Frog and Toad enjoy spending their days together. They fly kites, celebrate Toad's birthday, and share the shivers when one of them tells a scary story. Here are five funny stories that celebrate friendship all day, every day.

The Frogs and Toads All Sang HarperCollins Children's Books

OVER HALF A MILLION COPIES SOLD! Winner of the E.B. White Read Aloud Award It started the summer of 2002, when the Springfield librarian, Molly McGrew, by mistake drove her bookmobile into the zoo. In this rollicking rhymed story, Molly introduces birds and beasts to this new something called reading. She finds the perfect book for every animal—tall books for giraffes, tiny ones for crickets. “She even found waterproof books for the otter, who never went swimming without Harry Potter.” In no time at all, Molly has them “forsaking their niches, their nests, and their nooks,” going “wild, simply wild, about wonderful books.” Judy Sierra's funny animal tale coupled with Marc Brown's lush, fanciful paintings will have the same effect on young Homo sapiens. Altogether, it's more fun than a barrel of monkeys!

Frog and Toad: A Little Book of Big Thoughts HarperCollins

When Ethan looks under the bed for his monster, he finds this note instead: "So long, kid. Gotta go. Someone needs me more than you do. -Gabe" How will Ethan ever get to sleep without his monster's familiar, comforting snorts? And who could need Gabe more than Ethan does? Gabe must have gone to Ethan's little sister's room! She has been climbing out of bed every night to play, and obviously needs a monster to help her get to sleep - but not HIS monster! Ethan tries to help his sister find her own monster, but none are the perfect blend of cute and creepy. Just when it seems that Ethan will lose his monster forever, an uninvited, tutu-toting little monster full of frightening fun appears. Following in the spooky-silly tradition of I Need My Monster, here's another irresistible monster-under-the-bed story with the perfect balance of giggles and shivers.

Bedtime Stories for Trying Times Turtleback Books

Shortlisted for the 2021 Costa Novel Award In this powerful, highly anticipated novel from an award-winning author, four people attempt to make a home in the midst of environmental disaster.

Perched on a sloping hill, set away from a small town by the sea, the High House has a tide pool and a mill, a vegetable garden, and, most importantly, a barn full of supplies. Caro, Pauly, Sally, and Grandy are safe, so far, from the rising water that threatens to destroy the town and that has, perhaps, already destroyed everything else. But for how long? Caro and her younger half-brother, Pauly, arrive at the High House after her father and stepmother fall victim to a faraway climate disaster—but not before they call and urge Caro to leave London. In their new home, a converted summer house cared for by Grandy and his granddaughter, Sally, the two pairs learn to live together. Yet there are limits to their safety, limits to the supplies, limits to what Grandy—the former village caretaker, a man who knows how to do everything—can teach them as his health fails. A searing novel that takes on parenthood, sacrifice, love, and survival under the threat of extinction, *The High House* is a stunning, emotionally precise novel about what can be salvaged at the end of the world.

The Enchanted Hour HarperCollins

Because the farmer's wife insists on cleaning his mud puddle, a little pig runs away to the city where he becomes permanently stuck in what he thought was a mud puddle.

This all-new early reader is based on the My Little Pony movie—available to stream on Netflix September 24, 2021! Meet the new leader of the pony group, Sunny, and her adorable pony friends. This early reader is a level 2 I Can Read, which means it's geared for kids who read on their own but still need a little help. In the new movie, the pony world of Equestria has lost its magic. Friendship and harmony have been replaced by mistrust, and Ponies now live separated by species. Sunny—a feisty and idealistic young Earth Pony—is convinced there's still hope for this divided world. When Sunny befriends a lost Unicorn named Izzy, they embark on an epic adventure that will include a daring jewel heist, outrageous conspiracy theories, elaborate musical numbers, and the world's cutest flying Pomeranian. The world Sunny has dreamed of her entire life could finally become a reality as Sunny and her newfound friends fight to prove that even little ponies can make a big difference!
