The Black Woman's Little Book of Spells Simon and Schuster
Magical oils have been utilized throughout history to bring about change and empower the powerless. They have been used to anoint Kings and priests, to cleanse sacred objects, and to heal wounds, and broken hearts. This practical guide-book by Gregory White follows anointing oils back in time and how they have been used Biblically, in Hoodoo, in prayer, and in spellwork. Learn how to use magical oils to anoint spell candles, prayer papers, mojo bags, to ritually cleanse the home, on the body, on objects, and secretively. Includes a list of herbs, roots, and minerals found in magic and their meanings. A complete guide of oils used in Hoodoo and Saint and Angel magic along with over fifteen spells and rituals using oils. Topics covered: - What is a Magical Oil? - What is Hoodoo and Spellwork? - Ingredients in Spiritual Oils - Herbs, Roots, Minerals used in Hoodoo and magic - Way to Use Magical and Spiritual Oils - Hoodoo Oils - Saint and Angels Oils - Working Magic with Oils in Spells, Rituals, and Prayers - Candle Color Associations - Spells with Magical Oils Excerpt - "Probably the most important of all ingredients found in a magical oil is your intention. Purpose, faith, focus, and emotion set magical waves in motion. It is something I preach about often to clients - that no oil, candle, powder, or herb will do you any good without putting something of yourself into the work. Rubbing oil on a candle, lighting it, and walking away will not bring you what you want. When I create a batch of oils, I pray over them, asking that they work for whoever receives them. If the oil is of a loving nature, I imagine loving thoughts and request that they enter the bottle. For a money blend, I concentrate on rolls of cash, stacks of coins, and bills being marked 'paid' and ask all Guides and Gods to help make it so. When you use an oil created with this type of focus then combine it with your own, it is like having two practitioners

working on your situation." The author is not only a certified clinical aromatherapist but also a professional Tarot reader and rootworker. He and his husband own an herb and metaphysical shop in Tennessee that specializes in Hoodoo and Folk Magic.

A practical guide to the ancient magical tradition of Russian sorcery and Eastern Slavic magical rites • Offers step-by-step instructions for over 100 spells, incantations, charms, amulets, and practical rituals for love, career success, protection, healing, divination, communicating with spirits and ancestors, and other challenges and situations • Reveals specific places of magical power in the natural world as well as the profound power of graveyards and churches for casting spells • Explores the folk history of this ancient magical tradition, including how the pagan gods gained new life as Eastern Orthodox saints, and shares folktales of magical beings, including sorceresses shapeshifting into animals and household objects Passed down through generations, the Slavic practice of magic, witchcraft, and sorcery is still alive and well in Russia, the Ukraine, and Belarus, as well as the Balkans and the Baltic states. There are still witches who whisper upon tied knots to curse or heal, sorceresses who shapeshift into animals or household objects, magicians who cast spells for love or good fortune, and common folk who seek their aid for daily problems big and small. Sharing the extensive knowledge she inherited from her mother and grandmother, including spells of the "Old Believers" previously unknown to outsiders, Natasha Helvin explores in detail the folk history and practice of Russian sorcery and Eastern Slavic magical rites, offering a rich compendium of over 100 spells, incantations, charms, and practical rituals for love, relationships, career success, protection, healing, divination, averting the evil eye, communicating with spirits and ancestors, and a host of other life challenges and daily situations, with complete step-by-step instructions to ensure your magical goals are realized. She explains how this tradition has only a thin Christian veneer over its pagan origins and how the Slavic pagan gods and goddesses acquired new lives as the saints of the Eastern Orthodox Church. She details how the magical energy for these spells and rituals is drawn from the forces of nature, revealing specific places of power in the natural world as well as the profound power of graveyards and churches for casting spells. She explores the creation of amulets and talismans, the importance of icons, and the proper recital of magical language and actions during spells, as well as how one becomes a witch or sorceress. Offering a close examination of these two-thousand-year-old occult practices, Helvin also includes Slavic folk advice, adapted for the modern

era. Revealing what it means to be a Slavic witch or sorceress, and how this vocation pervades all aspects of life, she shows that each of us has magic within that we can use to take control of our own destiny.
