Exploring Academic English Createspace Independent Pub Essay Writing for Adolescents with Language and Learning Difficulties is a step-by-step guide for educators teaching secondary students with language difficulties how to write an English essay and, more importantly, how to do this on their own. Essay writing is one of the most difficult skills that secondary school students need to develop, though there are limited resources available to support these students and their teachers. Based on research into language disorders in adolescence and language processing, the strategies in this book are easy to apply and represent a scaffolded and sequenced approach to teaching essay writing. The book's structure encourages students' skills and confidence to be developed gradually, each chapter building on the last, beginning with the early stages of text analysis and progressing through to writing a complete essay. While written with students with language difficulties in mind, the strategies in this book are applicable to teaching all secondary school students. Written by a speech pathologist with over a decade's experience working in secondary schools, this book is an essential resource for all high school English teachers and any education professionals responsible for teaching adolescents how to write essays competently and confidently.

In this first edition of Gain the Confidence to Write an Academic Essay: A Guide for International Students, I am not promising you that you will always get all A's in every academic essay you write after reading this book, but what I can promise you is that you will gain the confidence to become a more effective writer. Once you learn how to make writing decisions, as you write, that confidence will allow you to explore your thinking. In order to learn how to write you have to be able to think. It won't help you learn how to write an academic essay if you always wait for someone else to tell you what you have to do. That's your job. In order to become more efficient at writing you have to become an active learner. An active learner is someone who is in charge of their own learning.

 Following on from Writers at Work: The Paragraph and Writers at Work: the Short Composition, Writers at Work: The Essay will teach the basics of academic essay writing to intermediate-level students. In Writers at Work: The Essay, college and university students use the process approach to write different genres of essays common at the post-secondary level, the most important being expository writing, persuasive writing, and timed essay exams. Each chapter uses the same five-step approach to writing that is used in the two lower-level books. In each chapter, students analyze a model essay, noticing key organizational and linguistic features; brainstorm ideas; write multiple drafts; revise their work; engage in peer reviews; and share their finished work. Chapters recycle and build upon previously taught material.
