(Private 13) NINESTAR Press, LLC

When Jack Morgan opens the Mumbai branch of Private, the world's most elite detective agency, he hands the reins to top agent Santosh Wagh. Now, in this teeming metropolis of over thirteen million people where the guilty have everywhere to hide, Santosh goes on the hunt for one elusive killer. A killer who is targeting seemingly unconnected women and placing strange objects at their death scenes in a series of chilling rituals. As the Private team races to find a link that will lead them to the next victim, an unseen menace threatens to destroy the agency from within and plunge the city into chaos. With countless lives hanging in the balance, Santosh must confront the demons of his past . . . before Private India meets an explosive end.

Keepers of the Kalachakra The Rozabal Line

Chanakya's Chant is a racy and gripping account on Chanakya, one of the greatest political strategists India has seen. The story changes track as it narrates the tale of Gangasagar Mishra, the reincarnation of Chanakya, in parallel. Will he be the next kingmaker? Gangasagar Mishra, a denizen of a quaint old Indian town, is no ordinary man. Society sees him as a Brahmin teacher who can barely make ends meet, but he's the reincarnation of the man who brought the fragmented subcontinent together under a single empire – Chanakya. Chanakya's Chant by Ashwin Sanghi gives its readers a look into two parallel worlds that are tied together by the intelligence of the main protagonists. The first story is set in 340 BC, when a young Brahmin man, fueled by the death of his father, vows revenge against the king and overthrows his rule by bringing in Chandragupta Maurya, the first emperor of the Maurya Dynasty. The scene then shifts to modern day India, where Gangasagar Mishra leads his life as a nonentity – until he decides to groom an ambitious girl from Kanpur into India's prime minister. Will Chanakya's manipulative mechanisms change the face of the nation again? The book takes readers on a joyride through Chanakya's cold and calculating moves. Chanakya's Chant was very well received by critics and readers. Renowned bureaucrat and writer Shashi Tharoor released the book in Mumbai and termed it a gripping and delightful read. The book is a historical account, but features many colloquial terms too.

Victims for Sale Partridge Publishing

#1 BESTSELLING WRITER, #1 BESTSELLING SERIES One by one, people are missing. Find them before they're dead. Santosh Wagh quit his job as head of Private India after harrowing events in Mumbai almost got him killed. But Jack Morgan, global head of the world's finest investigation agency, needs him back. Jack is setting up a new office in Delhi, and Santosh is the only person he can trust. Still battling his demons, Santosh accepts, and it's not long before the agency takes on a case that could make or break them. Plastic barrels containing dissolved human remains have been found in the basement of a house in an upmarket area of South Delhi. But this isn't just any house, this property belongs to the state government. With the crime scene in lockdown and information suppressed by the authorities, delving too deep could make Santosh a target to be eliminated.

Anti-Hindus Westland

Sandy Raman, stringer for the BBC, lives as a paying guest with the Sawants, a regular, quiet, Indian family. Or so she thought. Until she woke up to a woman with a knife ... and a dark secret. It is only after she runs a sting operation on a home for the differently abled that Sandy makes a connection between an institute acting as a front for something sinister and the strange family she lives with. Chasing the truth up a trail of brutal murders, Sandy must evade the grasping clutches of a thriving sex racket and expose the predators before her time runs out.

Count to Ten Harper Collins

When Santosh Wagh isn't struggling out of a bottle of whisky he's head of Private India, the Mumbai branch of the world's finest PI agency. In a city of over thirteen million he has his work cut out at the best of times. But now someone is killing women - seemingly unconnected women murdered in a chilling ritual, with strange objects placed carefully at their death scenes. As Santosh and his team race to find the killer, an even greater danger faces Private India - a danger that could threaten the lives of thousands of innocent Mumbai citizens...

Immortal India Hachette UK

This wry and visceral debut novel follows a young Turkish-American woman who, rather than grieving her father's untimely death, seeks treatment for a stubborn headache and grows obsessed with a centuries-old theory of medicine. Twenty-year-old Sibel thought she had concrete plans for the summer. She would care for her grandmother in Istanbul, visit her father's grave, and study for the MCAT. Instead, she finds herself watching Turkish soap operas and self-diagnosing her own possible chronic illness with the four humors theory of ancient medicine. Also on Sibel's mind: her blond American boyfriend who accompanies her to Turkey; her energetic but distraught younger sister; and her devoted grandmother, who, Sibel comes to learn, carries a harrowing secret. Delving into her family's history, the narrative weaves through periods of political unrest in Turkey, from military coups to the Gezi Park protests. Told with pathos and humor, Sibel's search for strange and unusual cures is disrupted as she begins to see how she might heal herself through the care of others, including her own family and its long-fractured relationships.

Grand Central Publishing

A cardboard box is found on a shelf of a London library. When the mystified librarian opens it, she screams before she falls unconscious to the floor. Within the labyrinthine recesses of the Vatican, a beautiful assassin swears she will eliminate all who do not believe in her twisted credo. An elite army of thirteen calling itself the Lashkare Talatashar has scattered around the globe. The fate of its members curiously resembles that of Christ and his Apostles. Their agenda is Armageddon. A Hindu astrologer spots a conjunction of the stars and nods to himself in grim realization of the end of the world. In Tibet, a group of Buddhist monks' searches for a reincarnation, much in the way their ancestors searched Judea for the Son of God. In strife torn Kashmir, a tomb called Rozabal holds the key to a riddle that arises in Jerusalem and gets answered at Vaishno Devi. In *The Rozabal Line*, a thriller swirling between continents and centuries, Ashwin Sanghi traces a pattern that curls backward to the violent birth of religion itself.

The Secrets We Keep Notion Press

The epic tale of victory and defeat... The story of the Ramayana had been told innumerable times. The enthralling story of Rama, the incarnation of God, who slew Ravana, the evil demon of darkness, is known to every Indian. And in the pages of history, as always, it is the version told by the victors, that lives on. The voice of the vanquished remains lost in silence. But what if Ravana and his people had a different story to tell? The story of the Ravanayana had never been told. Asura is the epic tale of the vanquished Asura people, a story that has been cherished by the oppressed outcasts of India for 3000 years. Until now, no Asura has dared to tell the tale. But perhaps the time has come for the dead and the defeated to speak. "For thousands of years, I have been vilified and my death is celebrated year after year in every corner of India. Why? Was it because I challenged the Gods for the sake of my daughter? Was it because I freed a race from the yoke of caste-based Deva rule? You have heard the victor's tale, the Ramayana. Now hear the Ravanayana, for I am Ravana, the Asura, and my story is the tale of the vanquished." "I am a non-entity-invisible, powerless and negligible. No epics will ever be written about me. I have suffered both Ravana and Rama - the hero and the villain or the villain and the hero. When the stories of great men are told, my voice maybe too feeble to be heard. Yet, spare me a moment and hear my story, for I am Bhadra, the Asura, and my life is the tale of the loser." The ancient Asura empire lay shattered into many warring petty kingdoms reeling under the heel of the Devas. In desperation, the Asuras look up to a young saviour-Ravana. Believing that a better world awaits them under Ravana, common men like Bhadra decide to follow the young leader. With a will of iron and a fiery ambition to succeed, Ravana leads his people from victory to victory and carves out a vast empire from the Devas. But even when Ravana succeeds spectacularly, the poor Asuras find that nothing much has changed for them. It is when that Ravana, by one action, changes the history of the world.

Jesus Lived in India One Point Six Technology Pvt Ltd

A sexy novel about two seventeen-year-olds—one a victim of human trafficking; the other the son of the man who enslaved her—who fall in love and question everything they ever believed... THIS IS A STORY ABOUT SACRIFICE . . . DEATH . . . LOVE . . . FREEDOM. THIS IS A STORY ABOUT FOREVER. Seventeen-year-old Haven Antonelli has never known freedom. From the time she was a little girl, she and her mother have been slaves— victims of human trafficking orchestrated by a vast Mafia network. But when Haven attempts to escape and is caught, one man gives her a choice: go with him or die. Agreeing to leave with Dr. Vincent DeMarco, Haven arrives at his home and meets the doctor's defiant—yet intriguing—son Carmine. Though Carmine's privileged upbringing is a world away from hers, Haven senses the things they share. And soon her tenuous friendship with Carmine blossoms into an unexpected love. Carmine has breezed through life breaking every rule, scorning attachments— until he meets this strange, timid girl his father has brought home. Her innocence draws him in a way he cannot understand, and makes him feel in ways he never thought he'd experience. And when he learns the Mafia isn't through with her, he becomes bent on protecting her . . . no matter the cost.

The Alexander Secret Penguin Books India

Explores the diversity of post-millennial Indian fiction in English and the ways it has reflected the culture of an increasingly confident 'new India'.

The Four Humors Gateway Books

The journey of life isn't exactly easy... Some people make it through hard work and talent. Some fall by the wayside. And some people are just plain lucky. They are blessed with Bloody Good Luck! But is it possible to attract good luck? Can we train ourselves to be lucky? Apparently it seems that Dame Luck isn't that fickle. She is well within our reach. In his first non-fiction foray, bestselling author Ashwin Sanghi explores that critical, much-longed for element called luck. Through entertaining and informative anecdotes, narrations of personal experiences and vignettes of homespun wisdom, Ashwin gives us a whole new insight into how people can work towards being lucky. It seems that luck isn't entirely the twist of fate that it is made out to be!

Private Delhi Random House

Thinking of becoming an entrepreneur is hard, becoming one is easy I assume the reason you picked this book is because you're thinking of becoming an entrepreneur but do not exactly know where to start. Well, I was exactly like you when I wanted to start to read a book, which told me how to think if I wanted to start a venture and the person who wrote it was just a few steps ahead of me. When I wanted to read about how to start a business, all of them were about huge successful multi-billion-dollar businesses - the Googles, Apples and Microsofts of the world. These books were pretty high-level for a newbie like me. I felt kind of like a first-grade student reading engineering textbooks. I wanted a book that will help me get to the second step. I found out that there's not much literature in that space so I wanted to write this book where people could benefit from this. Desipreneur 0.0 is for those of you who need to know how to think and not for strategy. Pick up this book if you completely have no clue where to start. This is a book that ignites the spark in you and makes you think before you start. This is a generic book to help you irrespective of any kind of business you want to start.

The Wordkeepers Grand Central Publishing

I am a humble but very earnest seeker after truth. Even if you are a minority of one, the truth is the truth.--Mahatma Gandhi "It seems presumptuous to pick holes in Gandhi's campaigns and strategies, and appear to belittle a man of epic dimensions, especially when the nationalist mythologies render it sacrilegious to re-evaluate his achievements. Great men of action, who perform great deeds, do commit great mistakes. And there is no harm in pointing these out. In one sense it is a Gandhian duty, as he equated truth with God." --S.S. Gill There is an ocean of books eulogising Gandhi. This book has consciously chosen not to be yet another drop in that ocean. This is also not a 'balanced' book. It does not attempt to offset good with the bad, or vice versa. This book looks hard, but only at the other side. "Truth stands, even if there be no public support. It is self-sustained," said the 'Apostle of Truth' Gandhi; and this book looks hard at the truth about Gandhi. This book brings out

the fact that most of the Gandhian thoughts and ideas were regressive, backward, irrational, illogical, impractical, and products of faulty comprehension. They were founded on very limited study, and on stubborn egoism born out of 'I know best'. No wonder the 'Mahatma' has no legacy worth the name! Most of his ideas were discarded soon after his death--actually, much before his death: from 1944 onwards he stood sidelined. His only visible relevance that we see today is in 'Swachh Bharat'. True, he advocated cleanliness, but then millions too have been advocating it! It was Gandhi who won us our freedom--so it is claimed. If it were true one would generously ignore all acts of omission and commission, and shortcomings of Gandhi. But, it is not true. Please refer to the chapter 'What Really Led to Freedom?' Gandhi had himself admitted: "I see it as clearly as I see my finger: British are leaving not because of any strength on our part but because of historical conditions and for many other reasons." Most likely, without Gandhi India would have won its freedom, or at least self-government, many years before 1947. Apart from the history of India's freedom struggle, and Gandhi's role in it, this book brings out Gandhi's detailed biography, his beliefs, and the principal aspects of his character and personality.

Chanakya's Chant Random House

India...a young country, a timeless civilisation Explore it with India's very own storyteller, Amish India, a culture that witnessed the dawn of civilisation. That witnessed the rise of other cultures and watched them turn to dust. It has been celebrated and attacked. Admired and vilified. But through all these millennia, after all the ups and downs of history, it's still here! And now, after a few centuries of decline, it's driving a new dawn once again. Ajanaabharsh. Bharat. Hindustan. India. The names may change, but the soul of this great land is immortal. Amish helps you understand India like never before, through a series of sharp articles, nuanced speeches, and intelligent debates. Based on his deep understanding of subjects such as, religion, mythology, tradition, history, contemporary societal norms, governance, and ethics, Amish lays out the vast landscape of an ancient culture with a fascinatingly modern outlook.

The Baba Ramdev Phenomenon Catapult

Former Marine pilot Jack Morgan runs Private, a prestigious investigation company. But the world's darkest secrets can only stay private for so long . . . Private: it's where you go when you need maximum force and maximum discretion. The secrets of the most influential men and women on the planet come to Jack daily-and his staff of investigators uses the world's most advanced forensic tools to make and break their cases. Jack is already deep into the investigation of a multi-million dollar NFL gambling scandal and the unsolved slayings of 18 schoolgirls when he learns of a horrific murder close to home: his best friend's wife, Jack's former lover, has been killed. It nearly pushes him over the edge. Instead, Jack pushes back and devotes all of Private's resources to tracking down her killer. But Jack doesn't have to play by the rules. As he closes in on the killer and chooses between revenge and justice, Morgan has to navigate a workplace love affair that threatens to blow the roof off his plans.
