 ...Description. This edition
 features the exact same
 content as the traditional
 text in a convenient,
 three-hole- punched,
 loose-leaf version. Books
 à la Carte also offer a

great value—this format costs significantly less than a new textbook. This book is ideal for one- or two-semester or two- or three-quarter courses covering topics in college algebra, finite mathematics, and calculus for students in business, economics, and the life and social sciences.
