KIM PEARSON

Underwater Eden Clarkson Potter
 The bestselling memoir that's "irresistible....A kind of Bridget Jones meets The French Chef" (Philadelphia Inquirer) that inspired Julie & Julia, the major motion picture directed by Nora Ephron, starring Amy Adams as Julie and Meryl Streep as Julia. Nearing 30 and trapped in a dead-end secretarial job, Julie Powell reclaims her life by cooking every single recipe in Julia Child's legendary Mastering the Art of French Cooking in the span of one year. It's a hysterical, inconceivable redemptive journey -- life rediscovered through aspics, calves' brains and cré me brûlée.
The Penny Mechanic, and the Chemist Harry N. Abrams
 The Wild West: 365 Days is a day-by-day adventure that tells the stories of pioneers and cowboys, gold rushes and saloon shoot-outs in America's frontier. The lure of land rich in minerals, fertile for farming, and plentiful with buffalo bred an all-out obsession with heading westward. The Wild West: 365 Days takes the

reader back to these booming frontier towns that became the stuff of American legend, breeding characters such as Butch Cassidy and Jesse James. Author Michael Wallis spins a colorful narrative, separating myth from fact, in 365 vignettes. The reader will learn the stories of Davy Crockett, Wild Bill Hickok, and Annie Oakley; travel to the O.K. Corral and Dodge City; ride with the Pony Express; and witness the invention of the Colt revolver. The images are drawn from Robert G. McCubbin's extensive collection of Western memorabilia, encompassing rare books, photographs, ephemera, and artifacts, including Billy the Kid's knife.

Faith is actively choosing to believe in something or someone.

Living by faith is not circumstantial, and it is not produced by accident. In a world where people live their own truths, it can be hard to discern what living out your faith in God really looks like. Although some may tolerate your faith, many believe there is not one right way, but no one can argue with your personal experience of knowing Christ and having a certain peace that comes from believing the promise of your future with him. This daily devotional encourages you to build your faith through pondering inspiring messages, reading God's Word, and spending time in his presence. As you do, you will notice other virtues being added to your faith. With belief comes goodness, knowledge, and self-control, and that produces the kind of fruit that is a testimony of your faith in Christ. When you suffer hardship, you know where to turn. Jesus' faithfulness is a cornerstone for your own faith. You can trust him because he has proven himself trustworthy, and faith that withstands the fire of adversity brings blessings beyond all imagining. Be filled with hope, courage, and confidence as you step out in faith each day.

"Suzan-Lori Parks is one of the most important dramatists America has produced."—Tony Kushner "The plan was that no matter what I did, how busy I was, what other commitments I had, I would write a play a day, every single day for a year. It would be about being present and being committed to the artistic process every single day, regardless of the 'weather.' It became a daily meditation, a daily prayer celebrating the rich and strange process of a writing life."—Suzan-Lori Parks On November 13, 2002, the incomparable Suzan-Lori Parks got an idea to write a play every day for a year. She began that very day, finishing one year later. The result is an extraordinary testament to artistic commitment. This collection of 365 impeccably crafted pieces, each with its own distinctive characters and dramatic power, is a complete work by an artist responding to her world, each and every day. Parks is one of the American theater's most wily and innovative writers, and her "stark but poetic language and fiercely idiosyncratic images transform her work into something haunting and marvelous" (TIME).
