6 Steps To Conquer Your Fears And Achieve Your Dreams Harper Collins

The Hawaiian word "Aloha" evokes an image of white, sandy beaches and cool tropical breezes, but the significance of the word goes beyond a mere greeting and farewell. Aloha encapsulates all of the love, peace, compassion, and affection one feels when connected to the vibrational energy of the islands. The word is a definition of the force that holds together our very existence. Author and certified Law of Attraction coach, Kelly Weaver shares candid stories of her own struggles and successes through her journey of manifestation and personal growth as she learned to embrace aloha in her life. With keen insight into the universal law that "like attracts like," she uses a mnemonic device and "Inspired Assignments" in each chapter, to guide readers through her process of self-reflection and discovery that your focus of attention and energy attracts consequences, both positive and negative. This book practically demonstrates how deliberate intention can lead you to experiencing the transformative power of manifesting, and will teach you how to live your own aloha.

Find your power, transform your obstacles, surrender to success Aleta St. James has spent the past twenty-five years as an emotional healer and life coach developing a system for creating deep and dramatic life changes with lasting results. In *Life Shift*, she shares the secret of how to bring enormous success and deep satisfaction into your life. In an effort to fully compete in a man's world, contemporary women have become alpha females. We rely on masculine traits -- the testosterone energies of action, focus, determination, and self-reliance -- to create success and achieve our goals. We are now coming to realize that while we have mastered these means for pursuing our dreams, we have neglected the equally valuable and complementary energies of magnetism, receptivity, and intuition -- the Magnetic Female. In *Life Shift*, Aleta presents her techniques for breaking through our emotional blocks and allowing our Magnetic Female and alpha energies to interact and harmonize with each other. She teaches skills that open the doors to a powerful cocreative relationship

between these two forces within us and guides us to use these tools to identify our desires, engage our dreams, and realize our destinies. Using her renowned system, which integrates the teachings of primal therapy, Tibetan Buddhism, Hinduism, bioenergetics, and other life-enhancing practices and philosophies, Aleta shares with us all of the tools necessary to live our ideal lives. This Life-Shift Tool Kit incorporates techniques for realigning the physical, emotional, mental, and spiritual bodies, inviting rather than pursuing success, recognizing the power of release, eliminating emotional blocks, and reorganizing energy centers within the body. Aleta also offers her expert techniques in regenerative organic breathing, physical and emotional release work, color healing, light therapy, focused reflections, power mantras, prayers and blessings, love baths, and support circles. Weaving together Aleta's own dramatic story of inspiration, success stories from her elite clientele, and lessons from her journeys to spiritual "power spots," *Life Shift* teaches you how to transform feelings of failure, frustration, doubt, and loneliness into a creative power that becomes a magnetic force attracting joy, fulfillment, success, and love.
