ROMAN NIGEL

Simon vs. the Homo Sapiens Agenda
 Simon and Schuster
 David Piper has always been an outsider. His parents think he's gay. The school bully thinks he's a freak. Only his two best friends know the real truth: David wants to be a girl. On the first day at his new school Leo Denton has one goal: to be invisible. Attracting the attention of the most beautiful girl in his class is definitely not part of that plan. When Leo stands up for David in a fight, an unlikely friendship forms. But things are about to get messy.

Because at Eden Park School secrets have a funny habit of not staying secret for long , and soon everyone knows that Leo used to be a girl. As David prepares to come out to his family and transition into life as a girl and Leo wrestles with figuring out how to deal with people who try to define him through his history, they find in each other the friendship and support they need to navigate life as transgender teens as well as the courage to decide for themselves what normal really means.

Beyond the Dream Girl Independently Published

Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a

world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present

threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Ptolemy's Almagest Harper Collins

When a man is saved by the one whom he ultimately falls in love with, it is only then that he understands that she would need him more now than ever before when a illness strikes her heavily. Hence Illusions plague his mind to drive himself beyond the borders of mankind seeking a way for her to come back to him and In all the chaos wheresoever you go, go with your heart and that is what he did.

Diabetic Log Books for Type 2 Type 1 Diabetes Journal and Blood Sugar Log 6 X 9 140 Page Daily Journal Prabhat Prakashan

--70% more content than first edition -- updated t0 2014 --30 photos and graphics In his most powerful investigation to date, award-winning journalist Walter M. Brasch digs into the natural gas industry and extracts the truth about fracking. This is the long-awaited second edition to the critically-acclaimed first edition that explored all aspects of the controversies surrounding fracking. Hydraulic horizontal fracturing, better known as fracking, is the process of injecting as much as seven million gallons of water, proppants (like silica sand), and toxins into the earth to fracture the shale and extract methane. Politicians want natural gas drillers to come into their states, primarily because of the numbers of well-paying jobs the industry creates, the overall economic benefits, and the lower costs of natural gas to the consumer. Dr. Brasch investigates those claims, and provides an extensive look at the money trail between the industry and the politicians' campaign receipts. Combining both scientific evidence and extensive interviews with those affected by fracking throughout the country, he concludes that errors made by the natural gas industry as well as the process itself have caused significant public health and the environmental problems that also affect agriculture, wildlife, and livestock.

Flirting with Disaster Tata McGraw-Hill

Education

'In the village below, there are a lot of men whose houses are on this side but their farms on the other,' Majeed began to stutter in answer. 'There are men in a similar situation in villages on the other side too whose houses and farms are thus divided. Families and relations too. So . . .' Gulzar writes with poignant power on the horrors of Partition, exploring the lives of those who have lived on the border made heartbreakingly complex with a sudden, arbitrary line whose scar spans generations. Major Kulwant has grown up in the valley, and he now returns as a soldier to guard it. What happens when he finds out that his old childhood friend is an enemy across the line? A touching story on how friendship and hope blooms in defiance of nationalism brought to life with the joys of a childhood in Punjab.

Two sisters are suddenly sent from their home in Brooklyn to Barbados to live with their grandmother, in Naomi Jackson's stunning debut novel This lyrical novel of community, betrayal, and love centers on an unforgettable matriarchal family in Barbados. Two sisters, ages ten and sixteen, are exiled from Brooklyn to Bird Hill in Barbados after their mother can no longer care for them. The young Phaedra and her older sister, Dionne, live for the summer of 1989 with their grandmother Hyacinth, a midwife and practitioner of the local spiritual practice of obeah. Dionne spends the summer in search of love, testing her grandmother's limits, and wanting to go home. Phaedra explores Bird Hill, where her family has lived for generations, accompanies her grandmother in her role as a midwife, and investigates their mother's mysterious life. This tautly paced coming-of-age story builds to a crisis when the father they barely know comes to Bird Hill to reclaim his daughters, and both Phaedra and Dionne must choose between the Brooklyn they once knew and loved or the Barbados of their family. Naomi Jackson's Barbados and her characters are singular, especially the wise Hyacinth and the heartbreaking young Phaedra, who is coming into her own as a young woman amid the tumult of her family. Praise for *The Star Side of Bird Hill*: "Once in a while, you'll stumble onto a book like this, one so poetic in its descriptions and so alive with lovable, frustrating, painfully real characters, that your emotional response to it becomes almost physical. . . . The dual coming-of-age story alone could melt the sternest of hearts, but Jackson's exquisite prose is a marvel too. . . . A gem of a book."

—Entertainment Weekly (A)

Candles of the Abyss National Geographic Hidden in the rain shadow of the Himalaya in one of the most remote corners of Nepal lies Mustang, or the former Kingdom of Lo. Hemmed in by the world's highest mountain range to the south and an occupied and shuttered Tibet to the north, this tiny Tibetan kingdom has remained virtually unchanged since the 15th century. Today, Mustang is arguably the best-preserved example of traditional Tibetan life left in the world. Mustang, though, is poised for a change. A new highway will connect the region to Kathmandu and China for the first time, ushering in a new age of modernity and changing Mustang's desert-mountain villages forever. Given special access to the restricted area, Taylor Weidman and Nina Wegner traveled through the kindgom documenting its lives and landscapes and creating an enduring record of the Loba heritage. In-depth research and interviews complement a striking visual record of the traditions of Mustang, even as it begins to cope with the forces of modernization that will dictate its future. The Vanishing Cultures Project partners with rapidly changing traditional and indigenous cultures to safeguard cultural values and practices, collaborating to document lifestyles and traditions, compile an open digital archive, educate the public about global diversity, and fund indigenous cultural initiatives. This book is based on true events that are triggered by one particular one night stand. This is an inspirational story about a relationship between Lisa and Burt that expresses emotional issues that brings you to question your self's true being. Within this book lies the truth of your self's righteousness, you will create a new face upon life, and learn to discover who you really want and cherish in your life. The characters are confused and running with the flow of the other. There is no correct turn and the roads that are chosen seems to be right but are always wrong. Almost every weekend Lisa has to choose between what is right and what should not be. There is a part of her that knows to walk away but he has a grasp on her. She cannot release him for she is connected to him within her heart, and it hurts her not to follow through with his wishes. The difficulties that are laid upon Lisa are extremely hard with sensitive emotions and feelings. She is out there only to find that one, but willing to sow her oats. She ends up finding a man that intrigued her

every muscle. She has the perfect man, by appearance, but soon finds out that he does not want a real relationship and is only in this for the sex. So, Lisa accommodates his mind and turns her focus only for the sex as well.

Paying tribute to Ansel Adams and the California Sierra Nevada wilderness area named in his honor, an esteemed National Geographic photographer captures the fragile beauty of the High Sierras through the modern lens of digital photography.

The Star Side of Bird Hill Anchor

The New York Times bestselling "taut, sophisticated thriller" (BCCB, starred review) packed with twists and turns that will leave you breathless. They say Delia burned herself to death in her stepfather's shed. They say it was suicide. But June doesn't believe it. June and Delia used to be closer than anything. Best friends in that way that comes before everyone else—before guys, before family. It was like being in love, but more. They had a billion secrets, binding them together like thin silk cords. But one night a year ago, everything changed. June, Delia, and June's boyfriend Ryan were just having a little fun. Their good time got out of hand. And in the cold blue light of morning, June knew only this—things would never be the same again. And now, a year later, Delia is dead. June is certain she was murdered. And she owes it to her to find out the truth...which is far more complicated than she ever could have imagined. Sexy, dark, and atmospheric, *Suicide Notes from Beautiful Girls* will keep you guessing until the very last page.

(Penguin Petit) Soho Teen

The Oxford Handbook of Sikh Studies innovatively combines the ways in which scholars from fields as diverse as philosophy, psychology, religious studies, literary studies, history, sociology, anthropology, political science, and economics have integrated the study of Sikhism within a wide range of critical and postcolonial perspectives on the nature of religion, violence, gender, ethno-nationalism, and revisionist

historiography. A number of essays within this collection also provide a more practical dimension, written by artists and practitioners of the tradition. The Handbook is divided into eight thematic sections that explore different 'expressions' of Sikhism. Historical, literary, ideological, institutional, and artistic expressions are considered in turn, followed by discussion of Sikhs in the Diaspora, and of caste and gender in the Panth. Each section begins with an essay by a prominent scholar in the field, providing an overview of the topic. Further essays provide detail and further treat the fluid, multivocal nature of both the Sikh past and the present. The Handbook concludes with a section considering future directions in Sikh Studies.

Skateboarding 10 Diversion Books

Lola Durand hates her stepmother. It's a cliché but it's true. Lola Durand can't get through to her father. He never wants to talk about the things that matter: why they had to move to Paris, why he had to marry evil Agatha, and how they can get through the heartache of her mother's death together. If he won't listen, she'll show him. She'll show him the truth about his new wife and then her life can go back to normal, just the way she likes it. Lola Durand knows a secret about her stepmother. She's going to share it.

Encyclopedia of Indian Cinema Harper Collins

Ptolemy's *Almagest* is one of the most influential scientific works in history. A masterpiece of technical exposition, it was the basic textbook of astronomy for more than a thousand years, and still is the main source for our knowledge of ancient astronomy. This translation, based on the standard Greek text of Heiberg, makes the work accessible to English readers in an intelligible and reliable form. It contains numerous corrections derived from medieval Arabic translations and extensive footnotes that take account of the great progress in understanding the work made in this century, due to the discovery of Babylonian records and other researches. It is designed to stand by itself as an interpretation of the original, but it will also be useful as an aid to reading the Greek text.

Historic Facts Concerning the Beginning, Evolution, Development and Popularity of Base Ball, with Personal Reminiscences of Its Vicissitudes, Its Victories and Its Votaries Greeley & Stone, Publishers
Now a major motion picture: *Love, Simon*, starring Nick Robinson and Katherine Langford! This edition includes new Simon and Blue emails, a behind-the-scenes scrapbook from the *Love, Simon* movie

set, and Becky Albertalli in conversation with fellow authors Adam Silvera and Angie Thomas. William C. Morris Award Winner: Best Young Adult Debut of the Year * National Book Award Longlist "A remarkable gift of a novel."—Andrew Smith, author of *Grasshopper Jungle* "I am so in love with this book."—Nina LaCour, author of *Hold Still* "Feels timelessly, effortlessly now."—Tim Federle, author of *Better Nate Than Ever* "The best kind of love story."—Alex Sanchez, Lambda Award-winning author of *Rainbow Boys* and *Boyfriends with Girlfriends* Sixteen-year-old and not-so-openly gay Simon Spier prefers to save his drama for the school musical. But when an email falls into the wrong hands, his secret is at risk of being thrust into the spotlight. Now change-averse Simon has to find a way to step out of his comfort zone before he's pushed out—without alienating his friends, compromising himself, or fumbling a shot at happiness with the most confusing, adorable guy he's never met. Incredibly funny and poignant, this twenty-first-century coming-of-age, coming out story—wrapped in a geek romance—is a knockout of a debut novel by Becky Albertalli. Plus don't miss *Yes No Maybe So*, Becky Albertalli's and Aisha Saeed's heartwarming and hilarious new novel, coming in 2020!

Overcoming School Refusal Notion Press

"Magnificent." -- Holly Black, New York Times Book Review

Asking For It Quercus

Shadowshaper (The Shadowshaper Cypher, Book 1) Ashraf Fazili

Mother India, which is known as the title of one of the greatest films ever made and critically appreciated in India and abroad, is originally the title of a 1927 polemical book by the American historian Katherine Mayo. This book attacks Indian society, religion and culture. Written in opposition to the Indian demands for self-rule and independence from British rule, the book pointed to the treatment of India's women,

the untouchables, animals, dirt, and the character of its nationalistic politicians. A

large part of the book dealt with the

problems resulting from the marriage of young girls.
