Before they put on the team kit, they learn the rules and procedures. And they practice for hours, making sure they know what's expected of them. She uses 366 short stories to focus children on wide-ranging topics that will help them prepare for tough decisions in life. Each devotion is based on a Scripture verse and includes a short activity to help

kids remember the message of each devotion.

Beyond Family starts off with Nick (9). The only one Nick has is his dog, Kara. They are sleeping in an alley. One day, Nick has a substitute teacher (Ty). Ty offers to walk Nick home but Nick takes off before he can. Later, Ty sees Nick in a soup kitchen. Again, he offers to walk Nick home. Again, Nick takes off before he can. The next day, Ty follows Nick to the alley. That night he takes Nick and Kara into his home. What starts as friendship turns into much more. After Ty's heroic side is more known, more friends come into the lives of Nick and Ty. *NIV, True Images: The Bible for Teen Girls*, eBook Revell

Many resources have been written to offer assistance in exploring and understanding the lectionary texts for the purpose of preaching. However, few have sought to provide this kind of preaching commentary on texts that do not follow the lectionary's grouping. For those whose preaching does not customarily follow the lectionary, and for those who depart from the lectionary text during certain periods of the year, little guidance has been offered for how to select, and preach on, important biblical texts. The Parables: A Preaching Commentary, the third book in The Great Texts series, gives guidance to preachers on preaching about this central part of faith. The principles by which volumes in The Great Texts series have been chosen are primarily two-fold: -Thematic: Texts on certain overarching themes or ideas of the Christian faith are brought together. - Biblical/traditional: Texts have long been recognized as belonging together, and as being particularly beneficial to the work of

preaching.
