 "Outstanding." —The Washington Post "Revolutionary . . . A

visionary addition to American literature." —Star Tribune An electric debut novel set against the twilight of the American gold rush, two siblings are on the run in an unforgiving landscape—trying not just to survive but to find a home. Ba dies in the night; Ma is already gone. Newly orphaned children of immigrants, Lucy and Sam are suddenly alone in a land that refutes their existence. Fleeing the threats of their western mining town, they set off to bury their father in the only way that will set them free from their past. Along the way, they encounter giant buffalo bones, tiger paw prints, and the specters of a ravaged landscape as well as family secrets, sibling rivalry, and glimpses of a different kind of future. Both epic and intimate, blending Chinese symbolism and reimagined history with fiercely original language and storytelling, *How Much of These Hills Is Gold* is a haunting adventure story, an unforgettable sibling story, and the announcement of a stunning new voice in literature. On a broad level, it explores race in an expanding country and the question of where immigrants are allowed to belong. But page by

page, it's about the memories that bind and divide families, and the yearning for home.

What It Was Like Growing Up Gotti Random House

Simply told but deeply affecting, in the bestselling tradition of Alice McDermott and Tom Perrotta, this urgent novel unravels the heartrending yet unsentimental tale of a woman who kidnaps a baby in a superstore—and gets away with it for twenty-one years. Lucy Wakefield is a seemingly ordinary woman who does something extraordinary in a desperate moment: she takes a baby girl from a shopping cart and raises her as her own. It's a secret she manages to keep for over two decades—from her daughter, the babysitter who helped raise her, family, coworkers, and friends. When Lucy's now-grown daughter Mia discovers the devastating truth of her origins, she is overwhelmed by confusion and anger and determines not to speak again to the mother who raised her. She reaches out to her birth mother for a tearful reunion, and Lucy is forced to flee to China to avoid prosecution. What follows is a ripple effect that alters the lives of many and challenges our understanding of the very meaning of motherhood. Author Helen Klein Ross, whose work has appeared in *The New Yorker*, weaves a powerful story of upheaval and resilience told from the alternating perspectives of Lucy, Mia, Mia's birth mother, and others intimately involved in the kidnapping. *What Was Mine* is a compelling tale of motherhood and loss, of grief and hope, and the life-shattering effects of a single, irrevocable moment.

Mine! Simon and Schuster

In his riotous debut collection, *Ant Farm*, Simon Rich found humor in some of life's most desperate situations. Now this former editor of *The Harvard Lampoon* and current writer for *Saturday Night Live* has returned to mine more comedy from our hopelessly terrifying world. In the nostalgic opening chapter, Rich recalls his fear of the Tooth Fairy ("Is there a face fairy?") and his initial reaction to the "Got-your-nose" game ("Please just kill me. Better to die than to live the rest of my life as a monster"). He goes on to present Count Dracula's desperate Match.com profile ("I am normal human looking for human woman to come to castle. I am normal, regular human"). Later, he gets inside the heads of two firehouse Dalmatians who can't understand their masters' compulsion to drive off to horrible fires every day. And in the final chapter, he tackles some of life's biggest questions: Does God really have a plan for us? Yes, it turns out. Now if only He could remember what it was. . . . Praise for Simon Rich's *Ant Farm* "Ant Farm has an imaginative power that can trigger snort-fests. . . . Ferociously creative, this book is for readers craving both smart humor and belly laughs." -People (four stars) "Savagely funny." -The New York Times "Hilarious. Open this book anywhere, begin reading, and you will laugh." -Jon Stewart "Ant Farm is what all humor books should be: full of brief, high-concept musings that you wish you'd thought of yourself." -Time Out New York "A satirical salmagundi that bites back . . . Imaginative premises abound. . . . As unpredictable as YouTube, as in your face as MySpace." -Publishers Weekly

How the Hidden Rules of Ownership Control Our Lives Simon and Schuster

"I will do anything to make her MINE." —Remington Tate In the international bestseller *REAL*, the unstoppable bad boy of the Underground fighting circuit finally met his match. Hired to keep him in prime condition, Brooke Dumas unleashed a primal desire in Remington "Remy" Tate as vital as the air he breathes...and now he can't live without her. Brooke never imagined she would end up with the man who is every woman's dream, but not all dreams end happily ever after, and just when they need each other the most, Brooke is torn away from the ringside. Now with distance and darkness between them, the only thing left is to

fight for the love of the man she calls MINE.

The Billionaire's Obsession: the Complete Collection: Mine for Tonight, Mine For VanScoy Publishing Group

Down on her luck, nursing student and full-time waitress Kara Foster gets a massive blow to her already desperate financial situation that will surely find her living on the streets. Needing nothing less than a miracle to save her, Kara gets rescue from an unknown, unlikely and overwhelming source. Billionaire Simon Hudson makes her an offer that is impossible to refuse, but terrifying to accept from a man that she's never met. Will the handsome, alpha billionaire really be a solution to her problems, or will he end up being a major complication and a danger to her emotional sanity? Reclusive billionaire Simon Hudson would rather be behind a computer creating computer games than rubbing elbows with the elite and he knows exactly what he wants...until he meets Kara Foster. Something about Kara touches Simon in ways he's never experienced and definitely doesn't like. For over a year, Simon watches over Kara, but stubbornly refuses to admit his desire to possess her, not even to himself. But when she ends up in a situation that could very well be her destruction, Simon steps up to help her, not realizing that in saving Kara, he might very well be salvaging his own soul. Why Some Teams Pull Together and Others Don't

Createspace Independent Publishing Platform

"When the creator of a high school gossip app mysteriously dies in front of four high-profile students all four become suspects. It's up to them to solve the case"--

The Complete Collection: Mine for Tonight, Mine for Now, Mine Forever, Mine Completely Simon and Schuster

Simon Jones's graphic history of underground warfare during the Great War uses personal reminiscences to convey the danger and suspense of this unconventional form of conflict. He describes how the underground soldiers of the opposing armies engaged in a ruthless fight for supremacy, covers the tunneling methods they employed, and shows the increasingly lethal tactics they developed during the war in which military mining reached its apotheosis. He concentrates on the struggle for ascendancy by the British tunneling companies on the Western Front. But his wide-ranging study also tells the story of the little known but fascinating subterranean battles fought in the French sectors of the Western Front and between the Austrians and the Italians in the Alps which have never been described before in English. Vivid personal testimony is combined with a lucid account of the technical challenges and ever-present perils of tunneling in order to give an all-round insight into the extraordinary experience of this underground war.

A Novel Pen and Sword

'Searingly honest... gripping... fascinating and hugely entertaining.' Sunday Times 'Justin is a great broadcaster because he sounds like a real human being. This hugely entertaining book helps explain why'. John Humphrys 'Moving and frank ... A story of a childhood defined by loneliness, the absence of a father and the grim experience of a Quaker boarding school. It is also one of the most perceptive accounts of Britain in the 1970s.' Misha Glenny Justin Webb's childhood was far from ordinary. Between his mother's undiagnosed psychological problems, and his step-father's untreated ones, life at home was dysfunctional at best. But with

gun-wielding school masters and sub-standard living conditions, Quaker boarding school wasn't much better. And the backdrop to this coming of age story? Britain in the 1970s. Led Zeppelin, Janis Joplin and Free. Strikes, inflation and IRA bombings. A time in which attitudes towards mental illness, parenting and masculinity were worlds apart from the attitudes we have today. A society that believed itself to be close to the edge of breakdown. Candid, unsparing and darkly funny, Justin Webb's memoir is a portrait of personal and national dysfunction. So was it the brutal experiences of his upbringing, or an innate ambition and drive that somehow survived them, that shaped the urbane and successful radio presenter we know and love now?

Rogue Penguin

A boy and his friends must find a way to survive in the mining tunnels after their new space colony is attacked in this gritty action-adventure novel, which *School Library Journal* called "a solid survival story." In space. Underground. And out of time. Christopher Nichols and his family live on a new planet, Perses, as colonists of Melming Mining's Great Mission to save the earth. Dozens of families like Christopher's have relocated, too, like his best friend Elena Rosales. A communications blackout with Earth hits, and all of Perses is on its own for three months. It's okay, though, because the colonists have prepared, stockpiling food and resources to survive. But they never prepared for an attack. Landers, as the attackers are called, obliterate the colony to steal the metal and raw ore. Now in a race against time, Christopher, along with a small group of survivors, are forced into the maze of mining tunnels. The kids run. They hide. But can they survive?

Boys in the Trees Anchor

Simon Says: Mine - Mountain Masters & Dark Haven 2

You Were Mine Other Press, LLC

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

Fahrenheit 451 Simon and Schuster

Maryland high school juniors and best friends Blue Reynolds and Collin Andrews seem to have it all, and when they decide to become party promoters, anything can happen—including being pitted against parents, jealous girlfriends, and even one another.

Baby Be Mine Simon and Schuster

'Londoner Eva Verde's *Lives Like Mine* explores the theme of a school-run affair and the complications and joys it brings to a dual-heritage mother struggling with her intolerant in-laws' Independent 'A bitter sweet story of longing and self-discovery, of deceit and regret. Visceral, authentic and funny, Eva's prose reads like something between a conversation and a confession. An exciting new voice and a joy to read' Kit de Waal 'Eva's writing breaks new ground in a confident and original voice, with a sharp eye for detail, wonderful characterisation and some seriously badass humour' Yvonne Edwards, author of the Man Booker Prize longlisted novel, *A Cupboard Full of Coats* 'Lives Like Mine is an assured debut from a writer who's going to go far' Red Online 'A thought provoking read about racism and relationships' Good Housekeeping 'Londoner Eva Verde's breathtaking novel' New! 'Verde's take on race issues is both painfully realistic and thought-provoking. Full of grit, raw emotion and flawed characters you can sympathise with, you'll still feel its emotional punch days after finishing' Heat Mother. To three small children, their heritage dual like hers. Daughter. To a mother who immigrated to make a better life but has been rejected by her chosen country. Wife. To a man who loves her but who will not defend her to his intolerant family. Woman... Whose roles now define her and trap her in a life she no longer recognises... Meet Monica, the flawed heroine at the heart of *LIVES LIKE MINE*. With her three children in school, Monica finds herself wondering if this is all there is. Despite all the effort and the smiles, in the mirror

she sees a woman hollowed out from putting everyone else first, tolerating her in-laws' intolerance, and wondering if she has a right to complain when she's living the life that she has created for herself. Then along comes Joe, a catalyst for change in the guise of a flirtatious parent on the school run. Though the sudden spark of their affair is hedonistic and oh so cathartic, Joe soon offers a friendship that shows Monica how to resurrect and honour the parts of her identity that she has long suppressed. He is able to do for Monica what Dan has never managed to, enabling her both to face up to a past of guilty secrets and family estrangements, and to redefine her future.

(the Billionaire's Obsession ~ Simon) St. Martin's Griffin

Melanie, having finally met the love of her life, finds herself falling for her boyfriend's reclusive, younger brother and attempts to bring some joy into his life in this sequel to *Real*. Original.

Leaders Eat Last Atlantic Books

"Mine" is one of the first words babies learn, and by the time we grow up, the idea of ownership seems natural, whether we are buying a cup of coffee or a house. But who controls the space behind your airplane seat: you, reclining, or the squished laptop user behind you? Why is plagiarism wrong, but it's okay to knock off a recipe or a dress design? And after a snowstorm, why does a chair in the street hold your parking space in Chicago, while in New York you lose both the space and the chair? In *Mine!*, Michael Heller and James Salzman, two of the world's leading authorities on ownership, explain these puzzles and many more. Remarkably, they reveal, there are just six simple rules that everyone uses to claim everything. Owners choose the rule that steers us to do what they want. But we can pick differently. This is true not just for airplane seats, but also for battles over digital privacy, climate change, and wealth inequality. *Mine!* draws on mind-bending, often infuriating, and always fascinating accounts from business, history, courtrooms, and everyday life to reveal how the rules of ownership control our lives and shape our world. *A Novel!* Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • The highly anticipated sequel to *One of Us Is Lying!* There's a new mystery to solve at Bayview High, and there's a whole new set of rules. Fans of the hit thriller that started it all can watch the secrets of the Bayview Four be revealed in the *One of Us is Lying* TV series now streaming on NBC's Peacock! Come on, Bayview, you know you've missed this. A ton of copycat gossip apps have popped up since Simon died, but in the year since the Bayview four were cleared of his shocking death, no one's been able to fill the gossip void quite like he could. The problem is no one has the facts. Until now. This time it's not an app, though—it's a game. Truth or Dare. Phoebe's the first target. If you choose not to play, it's a truth. And hers is dark. Then comes Maeve and she should know better—always choose the dare. But by the time Knox is about to be tagged, things have gotten dangerous. The dares have become deadly, and if Maeve learned anything from Bronwyn last year, it's that they can't count on the police for help. Or protection. Simon's gone, but someone's determined to keep his legacy at Bayview High alive. And the rules have changed. "Few craft teen suspense like McManus." --Entertainment Weekly "A thriller from one of the best writers in the YA mystery genre, *One of Us Is Next* delivers more shocking surprises and twists you won't see coming." --
