BRENNAN KIRBY

Slaughterhouse-Five Summersdale Pub Limited
 A journalist's provocative and spellbinding account of her eighteen months spent disguised as a man. Norah Vincent became an instant media sensation with the publication of *Self-Made Man*, her take on just how hard it is to be a man, even in a man's world. Following in the tradition of John Howard Griffin (*Black Like Me*), Vincent spent a year and a half disguised as her male alter ego, Ned, exploring what men are like when women aren't around. As Ned, she joined a bowling team, took a high-octane sales job, went on dates with women (and men), visited strip clubs, and even managed to infiltrate a monastery and a men's therapy group. At once thought-provoking and pure fun to read, *Self-Made Man* is a sympathetic and thrilling tour de force of immersion journalism.

[Men Explain Things to Me](#) Princeton University Press

For millennia, humans have marveled at the difference between

men and women. It's widely known that the female gender is far superior to men in most areas - emotionally, cognitively and socially. But, to date, the complex secrets of a man's mind have eluded science. Apart from 'sex', what does a man actually think about? In this groundbreaking book, Professor Shed Simove reveals the true depth of a man's mind.

Make Every Man Want You HarperCollins

The National Book Critics Circle Award-winning author delivers a collection of essays that serve as the perfect "antidote to mansplaining" (*The Stranger*). In her comic, scathing essay "Men Explain Things to Me," Rebecca Solnit took on what often goes wrong in conversations between men and women. She wrote about men who wrongly assume they know things and wrongly assume women don't, about why this arises, and how this aspect of the gender wars works, airing some of her own hilariously awful encounters. She ends on a serious note— because the ultimate problem is the silencing of women who have something to say, including those saying things like, "He's trying to kill me!" This book features that now-classic essay with six perfect

complements, including an examination of the great feminist writer Virginia Woolf's embrace of mystery, of not knowing, of doubt and ambiguity, a highly original inquiry into marriage equality, and a terrifying survey of the scope of contemporary violence against women. "In this series of personal but unsentimental essays, Solnit gives succinct shorthand to a familiar female experience that before had gone unarticulated, perhaps even unrecognized." —The New York Times "Essential feminist reading." —The New Republic "This slim book hums with power and wit." —Boston Globe "Solnit tackles big themes of gender and power in these accessible essays. Honest and full of wit, this is an integral read that furthers the conversation on feminism and contemporary society." —San Francisco Chronicle "Essential." —Marketplace "Feminist, frequently funny, unflinchingly honest and often scathing in its conclusions." —Salon

Every Man in This Village Is a Liar Waterbrook Press

Written by one of the founders of modern political philosophy, Thomas Hobbes, during the English civil war, *Leviathan* is an influential work of nonfiction. Regarded as one of the earliest examples of the social contract theory, *Leviathan* has both historical and philosophical importance. Social contract theory prioritizes the state over the individual, claiming that individuals have consented to the surrender of some of their freedoms by participating in society. These surrendered freedoms help ensure that the government can be run easily. In exchange for their sacrifice, the individual is protected and given a place in a steady social order. Articulating this theory, Hobbes argues for a strong, undivided government ruled by an absolute sovereign. To support his argument, Hobbes includes topics of religion, human nature and taxation. Separated into four sections, Hobbes claims his theory to be the resolution of the civil war that raged on as he wrote, creating chaos and taking casualties. The first section, *Of Man* discusses the role human nature and instinct plays in the formation of government. The second section, *Of Commonwealth* explains the definition, implications, types, and rules of succession in a commonwealth government. *Of a Christian Commonwealth* imagines the religion's role government and societal moral standards. Finally, Hobbes closes his argument with *Of the Kingdom of Darkness*. Through the use of philosophical theory and historical study, Thomas Hobbes attempts to convince citizens to consider the cost and reward of being governed. Without an understanding of the sociopolitical theories that keep government bodies in power, subjects can easily become complicit or allow society to slip into anarchy. Created during a brutal civil war, Hobbes hoped to educate and persuade his peers. Though *Leviathan* was a work of controversy in its time, Hobbes' theories and prose has survived centuries, shaping the ideas of modern philosophy. This edition of *Leviathan* by Thomas Hobbes is now presented with a stunning new cover design and is printed in an easy-to-read font. With these accommodations, *Leviathan* is accessible and applicable to contemporary readers.

A True Bad Boy Explains how Men Think, Date, and Mate-- and what Women Can Do to Come Out on Top A&C Black

Philip Roth's new novel is a candidly intimate yet universal story of loss, regret, and stoicism. The best-selling author of *The Plot Against America* now turns his attention from "one family's harrowing encounter with history" (New York Times) to one man's lifelong skirmish with mortality. The fate of Roth's everyman is traced from his first shocking confrontation with death on the idyllic beaches of his childhood summers, through the family trials and professional achievements of his vigorous adulthood, and into his old age, when he is reeled by observing the deterioration of his contemporaries and stalked by his own

physical woes. A successful commercial artist with a New York ad agency, he is the father of two sons from a first marriage who despise him and a daughter from a second marriage who adores him. He is the beloved brother of a good man whose physical well-being comes to arouse his bitter envy, and he is the lonely ex-husband of three very different women with whom he's made a mess of marriage. In the end he is a man who has become what he does not want to be. The terrain of this powerful novel -- Roth's twenty-seventh book and the fifth to be published in the twenty-first century -- is the human body. Its subject is the common experience that terrifies us all. Everyman takes its title from an anonymous fifteenth-century allegorical play, a classic of early English drama, whose theme is the summoning of the living to death.

A Book Forged in Hell A&C Black

The author of *The White Van* delivers "everything you could want in a thriller—lightning pace, dead-on dialogue, and a twisting, high-torque plot" (Award-winning author Carl Hiaasen). Patrick Hoffman burst onto the crime fiction scene with *The White Van*, a bank heist thriller set on the back streets of San Francisco and a finalist for the CWA Ian Fleming Steel Dagger Award. Now he returns with his second novel, *Every Man a Menace*, the inside story of a ruthless ecstasy-smuggling ring. San Francisco is about to receive the biggest delivery of MDMA to hit the West Coast in years. Raymond Gaspar, just out of prison, is sent to the city to check in on the increasingly erratic dealer expected to take care of distribution. In Miami, the man responsible for getting the drugs across the Pacific has just met the girl of his dreams—a woman who can't seem to keep her story straight. And thousands of miles away in Bangkok, someone farther up the supply chain is about to make a phone call that will put all their lives at risk. Stretching from the Golden Triangle of Southeast Asia to the Golden Gate of San Francisco, *Every Man a Menace* offers "a mind-bending, attention-demanding narrative as full of shocks and surprises as an LSD party" (The Wall Street Journal).

My Dark Vanessa Random House

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work." —Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience." —Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor." —Robert Sutton, Stanford

professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

An accessible field guide to classic menswear and creating your own conscious closet. Dressing well matters and it is easily within the grasp of any man, no matter his age or budget. The problem today is that many men don't know where to turn for help in building a wardrobe. *Ten Garments Every Man Should Own* is a practical and entertaining guide to dressing better by building a classic, sustainable, and ethically minded wardrobe, focused on quality garments. Each chapter covers an essential piece: shirt, jacket, hat, leather shoes, and more. Cutting through the clutter of online "experts" and fashion magazines, this book reveals the truth about what really makes a garment worth investing in and owning — how it is made, how it fits, and how it makes a man look.

[What Every Man Thinks about Apart from Sex](#) What Every Man Thinks about Apart from Sex(Blank Inside)What Every Man Thinks about Apart from Sex(Blank Inside)What Every Man Thinks About Apart from Sex

Considered by many the greatest war novel of all time, *All Quiet on the Western Front* is Erich Maria Remarque's masterpiece of the German experience during World War I. I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another . . . if only he can come out of the war alive. "The world has a great writer in Erich Maria Remarque. He is a craftsman of unquestionably first rank, a man who can bend language to his will. Whether he writes of men or of inanimate nature, his touch is sensitive, firm, and sure."—The New York Times Book Review

Graphic Arts Books

In this unique two-in-one book, bestselling author and pastor Hagee and his wife offer points of view from both a man and woman on understanding one's spouse and creating a happy marriage.

The blank pages of this book indicate that a woman thinks of nothing apart from "money"! Ever since the start of time, people have been both attracted and divided by the enormous contrast between women and men. Everybody knows that women have (and are entitled to) their secrets. The ways of a woman have always driven men crazy. Inspired by, and as a female answer to "Professor" Sheridan Shimove's book "What every man thinks about apart from sex," "Doctor" Melissa Marshall, after thorough analysis, finally discloses the mysteries of a woman's psyche in a similar style.

What Every Man Thinks about Apart from Sex SPECTRUM INK

In the present book, *How to Win Friends and Influence People*, Dale Carnegie says, "You can make someone want to do what you want them to do by seeing the situation from the other person's point of view and arousing in the other person an eager want." You learn how to make people like you, win people over to your way of thinking, and change people without causing offense or arousing resentment. For instance, "let the other person feel

that the idea is his or hers" and "talk about your own mistakes before criticizing the other person." This book is all about building relationships. With good relationships, personal and business successes are easy and swift to achieve. *Twelve Ways to Win People to Your Way of Thinking* 1. The only way to get the best of an argument is to avoid it. 2. Show respect for the other person's opinions. Never say "You're wrong." 3. If you're wrong, admit it quickly and emphatically. 4. Begin in a friendly way. 5. Start with questions to which the other person will answer yes. 6. Let the other person do a great deal of the talking. 7. Let the other person feel the idea is his or hers. 8. Try honestly to see things from the other person's point of view. 9. Be sympathetic with the other person's ideas and desires. 10. Appeal to the nobler motives. 11. Dramatize your ideas. 12. Throw down a challenge.

What Men and Women Need to Know Harmony

The authors document how four forces--exponential technologies, the DIY innovator, the Technophilanthropist, and the Rising Billion--are conspiring to solve our biggest problems.

"Abundance" establishes hard targets for change and lays out a strategic roadmap for governments, industry and entrepreneurs, giving us plenty of reason for optimism.

How to Win Friends and Influence People Harvest House Publishers

This little gift book is packed with tips, tricks, and life hacks for the modern Renaissance man. With chapters on domestic life, personal appearance, etiquette and socializing, business and pleasure, love and relationships, and health and wellness, it's the ultimate little black book for men of all ages. You'll find all the answers in a concise but comprehensive pocket-sized package. [Everyman](#) Dial Press Trade Paperback

Steve Harvey, the host of the nationally syndicated *Steve Harvey Morning Show*, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In *Act Like a Lady, Think Like a Man*, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, *Act Like a Lady, Think Like a Man* is a book you must read if you want to understand how men think when it comes to relationships.

A powerful and compelling new voice in Christian publishing, with a message urgently needed by today's Christian men. Every man encounters significant struggles in life—struggles that result in poor choices and decisions. Frequently these mistakes can be traced back to a common problem—a father who (even unintentionally) failed to provide counsel or a positive role model. In *What Every Man Wishes His Father Had Told Him*, author Byron Yawn offers vital input many men wished they had received during their growing-up years. This collection of 30 simple principles will help men to... Identify and fill the gaps that

occurred in their upbringing Benefit from the hard-earned wisdom of others so they don't make mistakes Prepare their own sons for the difficult challenges of life The 30 principles in this book are based in Scripture and relevant to every man. They include affection, courage, balance, consistency, and more. A true must-read!

The Truth About Men CreateSpace

Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, *The Top Five Regrets of the Dying*, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for everyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. *The Top Five Regrets of the Dying* gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

A Novel Haymarket Books

INSTANT NEW YORK TIMES BESTSELLER "Russell manages a brutal originality. . . . [an] exceedingly complex, inventive, resourceful examination of harm and power." —The New York Times Book Review, Editors' Choice "To call this book a 'conversation piece' or 'an important book' feels belittling . . . [it] is so much more than that. It's a lightning rod. A brilliantly crafted novel."—The Washington Post A most anticipated book by The New York Times • USA Today • Entertainment Weekly • Marie Claire • Elle • Harper's Bazaar • Bustle • Newsweek • New York Post • Esquire • Real Simple • The Sunday Times • The Guardian Exploring the psychological dynamics of the relationship between a precocious yet naïve teenage girl and her magnetic and

manipulative teacher, a brilliant, all-consuming read that marks the explosive debut of an extraordinary new writer. 2000. Bright, ambitious, and yearning for adulthood, fifteen-year-old Vanessa Wye becomes entangled in an affair with Jacob Strane, her magnetic and guileful forty-two-year-old English teacher. 2017. Amid the rising wave of allegations against powerful men, a reckoning is coming due. Strane has been accused of sexual abuse by a former student, who reaches out to Vanessa, and now Vanessa suddenly finds herself facing an impossible choice: remain silent, firm in the belief that her teenage self willingly engaged in this relationship, or redefine herself and the events of her past. But how can Vanessa reject her first love, the man who fundamentally transformed her and has been a persistent presence in her life? Is it possible that the man she loved as a teenager—and who professed to worship only her—may be far different from what she has always believed? Alternating between Vanessa's present and her past, *My Dark Vanessa* juxtaposes memory and trauma with the breathless excitement of a teenage girl discovering the power her own body can wield. Thought-provoking and impossible to put down, this is a masterful portrayal of troubled adolescence and its repercussions that raises vital questions about agency, consent, complicity, and victimhood. Written with the haunting intimacy of *The Girls* and the creeping intensity of *Room*, *My Dark Vanessa* is an era-defining novel that brilliantly captures and reflects the shifting cultural mores transforming our relationships and society itself.
